**Margaret Wise Brown**

The Little Book of Friendship Zack Bush, Laurie Friedman, 2020-07-10 Friendships are like flowers. If you take care of them, they grow and bloom until you have a beautiful garden! The Little Book of Friendship shows young readers what they need to know to make a friend and to be one too.

The Friendly Book Margaret Wise Brown, 2012-01-10 This whimsical collection of poems and stories by Margaret Wise Brown is back in print in its original format—the Little Golden Book. Garth Williams' artwork shines here, with the friendliest bunnies, dogs, and people ever!

*Be Kind* Pat Zietlow Miller, 2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend. With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, *Be Kind* is an unforgettable story about how two simple words can change the world.

Officer Friendly and Other Stories Lewis Robinson, 2010-11-30 The stories in this acclaimed debut all take place in the state of Maine—which quickly comes to stand for the state we're all in when we face the moments that change our lives forever. Two roughneck hockey players are kicked off the team and forced to join the drama club. A young bartender at a party of coastal aristocrats has to deal with the surreal request to put a rich old coot out of his misery. Can a father defend his family if the diver helping to free the tangled propeller of their boat turns out to be a real threat? With humor, a piercing eye, and a sense that danger often lies just around the corner, Robinson gives us a variety of vivid characters, wealthy and poor, delinquent and romantic, while illuminating the mythic, universal implications of so-called ordinary life. These stories are at once classic and modern; taken together, they bring the good news that an important, compassionate new voice in American fiction has arrived.

**The Friendly Story Caravan** Anna P. Broomell, 1990-01-01 A collection of eighteen stories about Quakers and true life experiences concerning religious faith and morality.

**Life Story Books for Adopted Children** Joy Rees, 2009 This concise book shows a new family-friendly way to compile a Life Story Book that promotes a sense of permanency for the child, and encourages attachments within the adoptive family. Joy Rees' improved model works chronologically backwards rather than forwards, aiming to reinforce the child's sense of security within the adoptive family.

*The Friendly Bookshelf* Caroline Brickley, Katherine Brickley, 2021-11-30 Meet Bibli, a brave little library bookshelf in search of a story about someone like him . . . Once upon a time, in a library like any other, there lived a little bookshelf named Bibli who carried a BIG question on his shelves: Could there be a story somewhere about a bookshelf like me? Bibli is told that bookshelves are supposed to hold stories, not have ones of their own. But everything changes when he meets Cassie, a girl longing for a friend just as much as Bibli longs for a story to relate to. Bibli learns that with kindness, confidence, empathy, and friendship, even your biggest dreams can come true--and that everyone has an important story worth sharing. *The Friendly Bookshelf* is a social-emotional learning (SEL) research-based book and the first-ever picture book about a bookshelf. Written to build self-confidence and self-esteem as well as encourage inclusivity, Bibli's story empowers children to be brave, be a friend, and always be your-shelf! Readers will be inspired to go beyond the final page of the book and share their own stories, as well as be the pioneers of a kinder, more inclusive world where everybody (and every bookshelf!) belongs.

The Friendly Orange Glow Brian Dear, 2018-10-02 At a time when Steve Jobs was only a teenager and Mark Zuckerberg wasn't even born, a group of visionary engineers and

designers—some of them only high school students—in the late 1960s and 1970s created a computer system called PLATO, which was light-years ahead in experimenting with how people would learn, engage, communicate, and play through connected computers. Not only did PLATO engineers make significant hardware breakthroughs with plasma displays and touch screens but PLATO programmers also came up with a long list of software innovations: chat rooms, instant messaging, message boards, screen savers, multiplayer games, online newspapers, interactive fiction, and emoticons. Together, the PLATO community pioneered what we now collectively engage in as cyberculture. They were among the first to identify and also realize the potential and scope of the social interconnectivity of computers, well before the creation of the internet. PLATO was the foundational model for every online community that was to follow in its footsteps. *The Friendly Orange Glow* is the first history to recount in fascinating detail the remarkable accomplishments and inspiring personal stories of the PLATO community. The addictive nature of PLATO both ruined many a college career and launched pathbreaking multimillion-dollar software products. Its development, impact, and eventual disappearance provides an instructive case study of technological innovation and disruption, project management, and missed opportunities. Above all, *The Friendly Orange Glow* at last reveals new perspectives on the origins of social computing and our internet-infatuated world.

*The Not-So-Friendly Friend* Christina Furnival, 2021-09-14 How can I help my child deal with a bully? What do I teach them about handling an on-again-off-again, not-so-friendly friend? My advice to just be kind isn't helping, and my child is still hurting. Christina Furnival, a licensed mental health therapist and mom, helps answer these questions in this charming and engaging rhyming story about a young child who successfully navigates the complexities of an unkind peer relationship. In *The Not-So-Friendly Friend*, children will learn an easy and practical lesson about how to firmly and assertively - yet kindly - stand up for themselves in the face of a bully. By teaching children about the importance and value of setting boundaries for healthy friendships, this book provides children the tools they need to foster their social confidence and emotional well-being.

**10 Stories for 10 Friends** Roxana G. Darie, 2019-12-09 Some friends are otherworldly creatures and these are their stories. A collection of 10 stories wrote for 10 humans, each one to read in one sitting, depending on the available time, from 44 seconds to 22 minutes and 8 seconds, while waiting for the bus, waiting in line, needing to get lost for a while, or just escaping to another life. You wonder what kind of friend deserves a story? These do!

**Gus Was a Friendly Ghost** Jane Thayer, 2014-06-27 There was once a friendly ghost, by the name of Gus, who lived in an old house in the country. Mr. and Mrs. Scott and their twins, Susie and Sammy, lived there too during the summer. Then autumn came and the Scott family left. Which meant Gus had nothing to do but sit around. One day, during a walk, he met Mouse, who was cold and hungry. Come spend the winter at my house! cried Gus. Thus begins an unlikely but heartwarming friendship. First published in 1962, children have delighted in this story and other Gus the Ghost books for over fifty years. Seymour Fleishman's sweet, nostalgic illustrations bring Gus, the Scotts and Mouse to life.

*The Friendly Beasts* Kim Mitzo Thompson, Karen Mitzo Hilderbrand, 2017-03-02 Children will discover how the donkey, the cow, the sheep and other animals honored Jesus in their own special way by presenting Him with gifts. This precious story, paired with tenderly-detailed illustrations, teaches young readers about the importance of giving. Other titles in the Christmas Read & Sing Along series include: *The Best Thing About Christmas*, *Happy Birthday, Jesus* and *The Gift*.

*The Waldo Story* LaDene Morton, 2012-05-15 The quaint and quirky corner of Kansas City known as Waldo has earned its reputation the hard way through good times and bad since 1841. From its early days as a way station on the Santa Fe Trail, through the dark times in the path of a civil war, from the railroad boom to the Great Depression and right on

into the challenges of the modern community, the merchants of in Waldo have played a unique and fascinating role in rooting and nurturing this special, yet very familiar place. Their stories the people, the landmarks, and the special times together make the Waldo Story.

**Storytime: True Friends** Duba Kolanovic,2018-10-18 When Fox meets a goose who has been left by her flock, he decides to help her catch up with her migrating friends. Fox and Goose go on an epic journey through the city and across the sea, to return Goose to her flock. Once the chase is over, Goose realizes how much fun she's had with her new friend. A beautiful story about discovering true friendship and helping others, sure to appeal to children and parents. Sweet animal characters and stunning watercolor artwork combine for an endearing story, perfect for bedtime.

**Friendly Monster** Joan Russinovich,2021-01-18 This book is to ease the anxiety children may have about seemly scary situations in their lives. Hopefully this book will offer some comfort to children everywhere when they realize that their fears are better faced than ignored. The main character faces her monster and they live happily ever after as friends. I hope this is indicative of the results the readers will have in their lives.

**D is for Drool** Amanda Noll,Shari Dash Greenspan,2021-09-01 A monstrously effective lid-dropper....Being all smiles, and more likely to elicit snorts of amusement than screams of terror, the monstrous marchers crawling, oozing, slithering, or strolling into and out of view with each page turn have the intended soporific effect. - Kirkus Reviews When Ethan can't sleep, he doesn't count sheep &- he says his ABCs. But in monster-loving Ethan's alphabet, A is for Arms, B is for Belly, C is for Claws, and D is for Drool! Kids will love pointing out the alphabetical attributes on the silly monsters that parade across Ethan's room &- like earlobes, noses, spikes, and wings &- and discovering where all of those monsters are headed. By the time Ethan gets to Y, he's Yawning. And by Z, kids will be ready to sleep as Ethan does, surrounded by the tails, tentacles, and drool sticking out from under his bed. ZZzzzzz. D is for Drool is a monstrously magnificent ABC book that offers a new way to fall asleep. With the perfect balance of giggles and shivers, it is a captivating companion to the award-winning I Need My Monster series.

**The Story of Ferdinand** Munro Leaf,2011-03-31 Soon to be a major motion picture! Ferdinand is the world's most peaceful--and--beloved little bull. While all of the other bulls snort, leap, and butt their heads, Ferdinand is content to just sit and smell the flowers under his favorite cork tree. Leaf's simple storytelling paired with Lawson's pen-and-ink drawings make The Story of Ferdinand a true classic. Commemorate the 75th anniversary of the book's original publication with this beautiful and affordable 8x8 paperback edition.

**You Are Friendly Read-Along** Todd Snow,2021-09-01 There are lots of ways to get along with others! This warm, affirming book helps young children build the social skills needed to make and keep friends.

**I Choose To Try Again** Elizabeth Estrada,2021-06-10 In this rhyming story, Kiara learns how to keep going even when things get too hard. Through colorful illustrations and rhythmic rhymes, Kiara reflects on her mistakes and realizes that mistakes help her grow. Instead of avoiding them, she learns from them so she can improve. Do you want your child to learn about perseverance and diligence? Your child will learn how easy it is to get back up after failing. I Choose to Try Again is a story with social emotional learning (SEL) in mind. It has been praised by teachers and therapists worldwide. This story told from Kiara's point of view will help open your child's mind to what it feels like to fail, and then try again. Kiara will teach your child how to be mentally strong. With Kiara in real life examples, your child will learn to develop their understanding of their own emotions. Throughout the story, Kiara will show you what perseverance looks like. Teacher and Therapist Toolbox: I Choose is an empowering series curated to empower young children to become aware of big emotions. A new book series developed in tandem with teachers and therapists to help children cope

with a range of emotions and teach them that they indeed hold the power to choose their actions and reactions. Try not to say 'never.'. That brainwashes you to fail. It means that you won't have the chance To raise the victory sail. I Choose to Try Again was developed alongside counselors and parents to be used as a resource in a social emotional curriculum.

*Farts Alexis Alexander,2018-09 Farts can make you giggle, wriggle, and cry.Come along with Peter as he toots his waythrough a day of awesomely smelly farting adventures . . . if you dare!*
