Personal Influence Elihu Katz,Paul F. Lazarsfeld,Elmo Roper,2017-07-12 First published in 1955, *Personal Influence* reports the results of a pioneering study conducted in Decatur, Illinois, validating Paul Lazarsfeld's serendipitous discovery that messages from the media may be further mediated by informal opinion leaders who intercept, interpret, and diffuse what they see and hear to the personal networks in which they are embedded. This classic volume set the stage for all subsequent studies of the interaction of mass media and interpersonal influence in the making of everyday decisions in public affairs, fashion, movie-going, and consumer behavior. The contextualizing essay in Part One dwells on the surprising relevance of primary groups to the flow of mass communication. Peter Simonson of the University of Pittsburgh has written that *Personal Influence* was perhaps the most influential book in mass communication research of the postwar era, and it remains a signal text with historic significance and ongoing reverberations...more than any other single work, it solidified what came to be known as the dominant paradigm in the field, which later researchers were compelled either to cast off or build upon. In his introduction to this fiftieth-anniversary edition, Elihu Katz discusses the theory and methodology that underlie the Decatur study and evaluates the legacy of his coauthor and mentor, Paul F. Lazarsfeld.

The Un-Friendship Bracelet Martha Maker,2018-03-27 In the first book of the Craftily Ever After chapter book series, a new student gets between best friends Emily and Maddie—and changes the meaning of their friendship bracelets! Emily Adams, Maddie Wilson, Bella Diaz, and Sam Sharma are eight-year-olds with one special thing in common: they love to create. They each have unique talents, too! Emily is great at constructing and building; Maddie has an eye for fashion, fabrics, and sewing; Bella is a gadget whiz; and Sam is a gifted artist. Together, these four crafty friends dream up new projects to design, build, and create and through their experiences, they'll learn how to handle various obstacles at school and in their everyday eight-year-old lives. In the first Craftily Ever After book, best friends Emily and Maddie are so close that they spend most of their free time together, and wear matching friendship bracelets, too! One day, a new student named Bella Diaz shows up at Mason Creek Elementary. Maddie immediately befriends her, discovering that she too is really crafty. As Maddie and Bella spend more time together, Emily finds herself spending more time alone...until she realizes that the boy who's been sitting next to her in class this whole time loves to draw and create just like she does. When Emily's friendship bracelet falls off and Maddie doesn't even notice, Emily begins to think that maybe it was an un-friendship bracelet after all. With easy-to-read language and illustrations on almost every page, the Craftily Ever After chapter books are perfect for emerging readers.

Topical Themes in Argumentation Theory Frans H. van Eemeren,Bart Garssen,2012-05-05
Topical Themes in Argumentation Theory brings together twenty exploratory studies on important

subjects of research in contemporary argumentation theory. The essays are based on papers that were presented at the 7th Conference of the International Society for the Study of Argumentation (ISSA) in Amsterdam in June 2010. They give an impression of the nature and the variety of the kind of research that has recently been carried out in the study of argumentation. The volume starts with three essays that provide stimulating theoretical perspectives on argumentation. Subsequently, some views are explained on the intriguing topics of 'dissensus' and 'deep disagreement'. After a discussion of three different approaches to the treatment of types of argumentation some classical themes from antique argumentation theory are revisited. The new research area of visual argumentation is explored in the next part. The volume concludes with three reports of experimental studies concerning argumentative discourse. Out of Sorts Sarah Bessey, 2015-11-03 From the popular blogger and provocative author of *Jesus Feminist* comes a riveting new study of Christianity that helps you wrestle with—and sort out—your faith. In *Out of Sorts*, Sarah Bessey—award-winning blogger and author of *Jesus Feminist*, which was hailed as “lucid, compelling, and beautifully written” (Frank Viola, author of *God’s Favorite Place on Earth*)—helps us grapple with core Christian issues using a mixture of beautiful storytelling and biblical teaching, a style well described as “narrative theology.” As she candidly shares her wrestlings with core issues—such as who Jesus is, what place the Church has in our lives, how to disagree yet remain within a community, and how to love the Bible for what it is rather than what we want it to be—she teaches us how to walk courageously through our own tough questions. In the process of gently helping us sort things out, Bessey teaches us how to be as comfortable with uncertainty as we are with solid answers. And as we learn to hold questions in one hand and answers in the other, we discover new depths of faith that will remain secure even through the storms of life.

It Takes All Sorts Peter Roebuck, 2005-08-01 In *It Takes All Sorts*, Peter Roebuck meanders through his 25-year career in reporting cricket, to reveal the people and the personalities who have touched his life and contributed to his life-long passion for the game. Roebuck provides warts-and-all insights into the comings and goings, greats and not-so-greats, debuts and retirements, the controversies of recent professional cricket and great innings in between. Roebuck has seen it all and isn't afraid to comment: he's interviewed Sir (or is that Saint?) Garfield Sobers' mum, was on the scene (and on the front page) when Gilchrist walked, poked gentle fun at Inzamam's fielding, and touched many with his account of young Sri Lankan boys playing cricket on a beach in Galle. Peter Roebuck pulls no punches - whether friend or foe, all his subjects are linked by the great and noble game of cricket and he is not afraid to tell it how he sees it.
