My Rock 'n' Roll Friend Tracey Thorn,2021-04-01 'Entertaining, affectionate and righteous' Guardian 'Says so much about being a woman' Cosey Fanni Tutti In 1983, backstage at the Lyceum in London, Tracey Thorn and Lindy Morrison first met. Tracey's music career was just beginning, while Lindy, drummer for The Go-Betweens, was ten years her senior. They became confidantes, comrades and best friends, a relationship cemented by gossip and feminism, books and gigs and rock 'n' roll love affairs. Thorn takes stock of thirty-seven years of friendship, teasing out the details of connection and affection between two women who seem to be either complete opposites or mirror images of each other. She asks what people see, who does the looking, and ultimately who writes women out of – and back into – history.

Firefly Lane Kristin Hannah,2008-02-05 From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the coolest girl in the world moves in across the street and wants to be her friend. Tully Hart seems to have it all---beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become TullyandKate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, Firefly Lane is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship---jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. Firefly Lane is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you---and knows what has the power to hurt you . . . and heal you. Firefly Lane is a story you'll never forget . . . one you'll want to pass on to your best friend.

As Bobby Zimmerman became Bob Dylan and Louie Kemp built a successful international business, their lives diverged but their friendship held fast. Island Story Ralph Crane,Danielle Wood,2018-10-01 A handsome full-colour book pairing unique items from the Tasmanian Museum and Art Gallery with selections of original writing about the southern island. Indigenous dispossession, a cruel penal history, gay-rights battles; exceptional landscapes, unusual wildlife, environmental activism; colonial architecture, arts and crafts, a thriving creative scene—all are part of the story of Tasmania. And they find their expression in the unparalleled collection of Hobart's TMAG. In *Island Story*, Ralph Crane and Danielle Wood select almost sixty representative TMAG objects: from shell necklaces to a convict cowl, colonial scrimshaw to a thylacine pincushion, contemporary photography to a film star's travelling case. Each is matched to texts old and new, by writers as diverse as Anthony Trollope, Marie Bjelke-Petersen, Helene Chung, Jim Everett, Heather Rose and Ben Walter. This is the perfect gift for anyone interested in the island everyone is talking about. Ralph Crane is the author or editor of more than twenty academic books. He lives in Hobart and is Professor of English at the University of Tasmania. Politics As Friendship Horst Hutter,2006-01-01 Hutter's study explores the origins of classical conceptions of politics in the theory and practice of friendship in ancient Greece. It analyzes ancient Greek society as one in which political space was organized in terms of the metaphor of friendship. Tracing the importance of male friendship groupings in Greek society, and comparing them to similar formations in primitive societies known to us through anthropological data, it shows how political processes were conceived as friendship processes, and demonstrates how important friendship groupings were for these processes. Greek political philosophies are seen as universalizations of the principles of friendship. Hutter shows to what extent Platonism and Aristotelianism as well as Stoicism received their inspiration from the practice of friendship. In particular, the theory and practice of Greek democracy are seen to be derived from the principles of friendship. Finally, the book shows the application of Greek theories of friendship to Roman society by Cicero. Noting the differences and similarities between Greece and Rome, it explores the redefinition that the theory of friendship underwent when applied to the Roman context. The concluding chapter briefly discusses the role of friendship in mass society and its politics.
