From Story to Judgment: The Four Question Method for Teaching and Learning Social Studies Gary Shiffman, Jonathan Bassett, 2021-09-14 The Four Question Method identifies the questions that drive the thinking that real people do when they take the human world seriously. The authors, Jonathan Bassett and Gary Shiffman, have figured out how to describe and teach what it takes to answer those questions well. This inquiry method gives educators a way to integrate content 'coverage' – through storytelling! – with practice in thinking skills that are central to history and its affiliated academic disciplines, together called social studies. The Four Question Method helps teachers to plan more effectively and students to learn more effectively. It provides guidance for writing research essays. And it transfers: the skills our students practice will work for them when they encounter and make their own history.

Have I Got a Story for You: More Than a Century of Fiction from The Forward Ezra Glinter, 2016-11-01 A Finalist for the 2016 National Jewish Book Award Forty-two stories from America's greatest Yiddish newspaper, in English for the first time. *The Forward*, founded in 1897, is the most renowned Yiddish newspaper in the world. It welcomed generations of immigrants to the United States, brought them news of Europe and the Middle East, and provided them with sundry comforts such as comic strips and noodle kugel recipes. It also published some of the most acclaimed Yiddish fiction writers of all time: Nobel Prize laureate Isaac Bashevis Singer on justice slyly being served when the governor of Lublin comes to town; celebrated *Forward* editor Abraham Cahan on how place and luck can change character; and Roshelle Weprinsky, setting her story in Florida, on the rupture between European parents and American children. Cahan described the newspaper as a “living novel,” with good reason. Taken together, these stories reveal the human side of the challenges that faced Jews throughout this time, including immigration, modernization, poverty, assimilation, the two world wars, and changing forms of Jewish identity. These concerns were taken up by a diverse group of writers, from novelists Sholem Asch and Chaim Grade to short-story writers

like Lyala Kaufman and Miriam Karpilove. Ezra Gliner has combed through the archives to find the best stories published during the newspaper's 120-year history, digging up such varied works as wartime novellas, avant-garde fiction, and satirical sketches about immigrant life in New York. Gliner's introductions to the thematic sections and short biographies of the contributors provide insight into the concerns of not only the writers but also their avid readers. The collection has been rendered into English by today's best Yiddish translators, who capture the sound of the authors and the subtleties of nuance and context.

Our hope is that this Research Topic/eBook will be useful for researchers as well as educational practitioners and parents who are interested in optimizing children's learning.

It turns out Bethany's half-fictional and has been searching every book she can find for her missing father, a fictional character. Besides, visiting the book might help Bethany find her father... Or it might just destroy the Kiel Gnomes series, reveal Bethany's secret to the entire world, and force Owen to live out Kiel Gnomes' final (very final) adventure.

The Story I'll Tell Nancy Tupper-Ling, 2022-02-08 In this tender story of international adoption, a mother weaves a magical web of tales to explain how her child came to be part of the family. A young child asks his mother to tell the story of where he came from. I might tell how you came from a land far away in a hot air balloon. The basket slowly drifted down like a feather into our yard. I dropped the firewood I was carrying and ran to you. 'You're home now, ' I said. Or maybe it was a lark--and not a stork--that brought the child to the mother. Or perhaps he was rescued from a dragon! Each lyrical and fantastic tale contains a small kernel of truth that pieces together the baby's journey from China into his new mother's arms. Beautifully illustrated by Jessica Lanan, The Story I'll Tell is a gentle and moving story of international adoption and parental love that is sure to touch the hearts of readers everywhere, no matter how they came to be a family.
