Full of Heart J.R. Martinez,2012-10-30 An inspirational journey from tragedy to triumph In 2003, nineteen-year-old Private J.R. Martinez was on a routine patrol when the Humvee he was driving hit an antitank mine in Iraq, resulting in severe injuries and burns on his face and more than one-third of his body. Out of that tragedy came an improbable journey of inspiration, motivation, and dreams come true. In *Full of Heart*, Martinez shares his story in intimate detail, from his upbringing in the American South and his time in the Army to his recovery and the indomitable spirit that has made him an inspiration to countless fans. J.R. Martinez always had a strong spirit. Raised in Bossier City, Louisiana, and then Hope, Arkansas, by a single mother from El Salvador, he was well known at school for his good looks and his smart mouth. At seventeen, showing an early determination and drive that would become one of his trademark qualities, J.R. convinced his mom to move to Dalton, Georgia, where he believed he would have a better chance of being recruited to play college football. His positive attitude earned him a spot on a competitive high school football squad, but when his college dreams collapsed, he turned to the U.S. Army. A few months later, he found himself serving in Iraq. When J.R.'s humvee hit a mine and exploded—just one month into his deployment—he was immediately evacuated to a San Antonio medical center, where he spent the next thirty-four months in grueling recovery. Seeing his disfigured face for the first time after the accident threw him into a crushing period of confusion and anger. His spirits were low, until he was asked to speak to another young burn victim. J.R. realized how valuable and gratifying it was to share his experiences with other patients and listen to theirs. He'd found a calling. His fellow soldiers, along with the local and then national media, soon latched onto J.R.'s spirit and strength. His resilience, optimism, and charm were also noted by Hollywood and scored him roles on *All My Children* and *Dancing with the Stars*, where he was the season thirteen champion. Today, J.R. tours the country sharing his story and his lessons for overcoming challenges and embracing hope, lessons that abound in this book. *Full of Heart* is an unforgettable story of a man who never gave up on his dreams. After being injured in Iraq, J.R. Martinez became a motivational speaker, actor, and winner of season thirteen of *Dancing with the Stars*. Martinez lives in Los Angeles

The Pit and the Pendulum Edgar Allan Poe,2009-06-04 This selection of Poe's critical writings, short fiction and poetry demonstrates an intense interest in aesthetic issues and the astonishing power and imagination with which he probed the darkest corners of the human mind. *The Fall of the House of Usher* describes the final hours of a family tormented by tragedy and the legacy of the past. In *The Tell Tale Heart*, a murderer's insane delusions threaten to betray him, while stories such as *The Pit and the Pendulum* and *The Cask of Amontillado* explore extreme states of decadence, fear and hate.

They can be canvases for artmaking; opportunities to shape a community." —The Horn Book "This story of urban renewal sends a welcome double message by Verde: neighbors and neighborhoods are more than the way they look, and ordinary people can band together to transform big things." —Publishers Weekly A boy takes on a community art project in order to make his neighborhood more beautiful in this empowering and inspiring picture book by Susan Verde, stunningly illustrated by award-winning artist John Parra. One creative boy. One bare, abandoned wall. One BIG idea. There is a wall in Ángel's neighborhood. Around it, the community bustles with life: music, dancing, laughing. Not the wall. It is bleak.
