Album Cover Album Roger Dean, Storm Thorgerson, 2008-10-28 A stunningly designed review of the greatest album cover designs, spanning the classic period from the 1950s to the 1970s, Album Cover Album first hit the bestseller charts in 1977. This led to the release of six follow-up hits, inspired a host of imitations, and generated a long-playing sub-genre in art and design publishing. Album Cover Album is edited and compiled by two designers who were among the most innovative pioneers of the work that it celebrates. Storm Thorgerson's Hipgnosis earned world renown for the epic photo shoots and iconic designs that went so perfectly with the music of Pink Floyd. Meanwhile, Roger Dean's dreamscapes and unique typography became as much a part of the rock generation as the Yes albums they adorned. Album Cover Album features their selection of more than 600 sleeves in full color, and showcases the astonishing diversity and excellence of design that the medium produced in its first three decades. This new edition retains the lavish 12-inch format of the original and replays the ingeniously themed compositions of each page. The album is given a fresh spin by a new preface from Peter Gabriel and new forewords by Storm Thorgerson and John Wetton, plus a 21st-century typographic facelift. The result is a celebration of the enduring appeal of vinyl.

You've Got a Book in You Elizabeth Sims, 2013-05-13 Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In You've Got a Book in You, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence. ~Lori L. Lake, author of The Gun Series and The Public Eye Mystery Series If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's You've Got a Book in You will show you how to find it in yourself. ~Hallie Ephron, award-winning author of There Was an Old Woman You won't find an easier-to-follow or more inspirational writing guide. ~L.J. Sellers, author of the bestselling Jackson mysteries By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in You've Got a Book in You, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a working title through her (brilliant!) Making-It-Better Process, this well-established pro plays her most impressive cards--stacking the deck in favor of YOU! ~Jamie Morris, Director, Woodstream Writers Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, You've Got a Book In You will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon. ~Julie Compton, author of Tell No Lies

and Keep No Secrets The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse, me, but I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer. ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University
