Self Made Nely Galán, 2016-05-31 For readers of #GIRLBOSS and viewers of Shark Tank—a global revolution in entrepreneurship is under way, inspiring women to blaze a trail of financial self-reliance and become self-made. Featuring a foreword by Suze Orman. What does it mean to be self-made? It's not just about having money, but financial empowerment is where it begins. It means getting out of survival mode, where you are one problem away from catastrophe. It means changing your mindset from instant gratification to goal orientation. It means being able to sleep at night without worry. It means being rich in every way: rich in money, rich in family, rich in love, rich in time—abundant! For Nely Galán—entrepreneur, TV producer, and real estate mogul—helping women to become self-made is a movement and a mission. Galán pulls no punches. She is the straight-talking friend and mentor you've always wanted, and here she shares valuable, candid, no-nonsense lessons learned on her own path to becoming self-made (“There is no Prince Charming”; “Think like an immigrant”; “In your pain is your brand”; “Don't buy shoes, buy buildings!”). You'll read inspiring stories of women who started and grew businesses out of ingenuity, opportunity, and need. You'll find exercises to help you identify your goals and your strengths. You'll learn tips and tricks for saving money, making money, and finding “hidden money” that can help jump-start your self-made dreams. When you become self-made, the change in you inspires change in those around you, because one of the greatest rewards of a self-made life is seeing how the sparks from your personal revolution can light a fire in others. So come, join the Self-Made movement. The revolution starts inside of you! Praise for *Self Made* “A much-needed and wise book that teaches women not to fear money but to see it as a means of reaching our dreams. Nely shows us how to become money courageous instead of finance fearful. I want to give this book to so many women (and men) I know.

Thank you, Nely.”—Sandra Cisneros “Nely Galán and I have traveled the country together helping women grow their businesses and live their dreams. I know firsthand that Nely is the ultimate self-made woman and your best girlfriend. Her generosity of spirit jumps off the page as she shares the secrets of her hard-won success and her contagious confidence.”—Nell Merlino, creator of Take Our Daughters to Work Day and founder of Count Me In for Women’s Economic Independence “Self Made teaches women to unleash their spark and hustle. Nely inspires readers to use what they have to get what they want on their path to becoming self-made.”—Tory Johnson, “Deals & Steals” contributor on ABC’s Good Morning America and author of the #1 New York Times bestseller The Shift “You are not truly complete as a woman until you feel confident and empowered to make decisions about your money. Throughout my career, I have seen how a woman who takes ownership of her financial life is transformed and liberated, and how that in turn has a tremendous impact on her children. This is my belief and my personal experience, and it’s why Self Made resonates so strongly with me.”—Maria Elena Lagomasino, CEO of WE Family Offices and member of the board of directors of the Walt Disney Company, the Coca-Cola Company, and Avon Products, Inc. From the Hardcover edition.

Julio Galan Julio Galán, Robert Miller Gallery (New York, N.Y.), 2001 Intellectually, Julio Galan's paintings arouse several dichotomies at once: sacred and profane, pastoral and urbane, ego and alter ego. Art historically, they reference surrealism and postmodern collage, incorporating found materials, the decorative, and the kitsch. But their subject matter is undeniably the artist's obsession with himself.

November Jorge Galan, 2020-04-02 1989. Salvadorian society is immersed in the horror of civil war. On a fateful November dawn, a group of armed men entered the Universidad Católica and

murder six Jesuits priests and two women in cold blood. Survivor of the massacre Father Tojeira is forced to take the reins of control in the sinister days following the attack, desperate to uncover the truth behind the terrible slaughter. Inspired by the real-life tragic events that shook El Salvador and Latin America, November is a moving and unsettling novel about fear, hate and impunity. It is the first book to cast some light on the crime that was never solved and an attempt to speak out, as the murdered Jesuits attempted to do, in the defence of the disadvantaged.

Nely Galan Janel Rodriguez,1997 A biography of the young Cuban American woman who rapidly moved from high school student to magazine editor to president of her own television production company.

Discovering Alfie Alfonso Fernandez-Galan,2016-05-15 In this tell-all book, Author and Psychotherapist Alfonso F. Galan takes you through a deep and very personal account of hiding his same-gender attraction on account of religious, social and family pressures. He describes in detail the inner conflicts he battled as a husband, father and spiritual leader, and the path to living a new life of freedom and inner peace. The Williams Institute reports that an estimated 19 million Americans report that they have engaged in same-sex sexual behavior and nearly 25.6 million

Americans acknowledge at least some same-sex attraction. Much more than an autobiography, this book is packed with well-researched historical and current perspectives. In it you will find commentaries and critiques on the social construction of sexuality, a well-argued position against the anti-gay agenda of the Christian church, and read about the accounts of real men and women whom have come to Alfonso for counseling on account of the inner conflicts they or a loved one have lived.

Billy Bully Alvaro Galan, Ana Galán, 2009 When Billy Bully comes to play, he always takes the fun away. As Billy Bully does one rotten thing after another, his friends dwindle to zero. With a little effort, Billy Bully realizes that a real friend cares about how others are feeling. Kids will love to count down and--most importantly--back up, as Billy Bully makes it up to his friends and gets the whole gang back together!

The Big Family Diego Galan RUIZ, 2019-05-08 The Great Family by Diego Galán Ruiz A strange sect called The Big Family. After Carlos' death and the disappearance of her boyfriend, Javier, Charlotte decides to investigate on her own. She is convinced that everything that has happened is related to the online game The End of the Internet and will not stop until she enters the sect and discovers all the details of how it works. Will she manage to see Javier again and find the real culprits or will she also fall into the network of the organization? The Big Family is a fantastic novel with a touch of a crime novel, which in each unexpected twist will manage to confuse the reader.

The Adventures of Rene Galan Luis Serrano, 2017-08-29 In 1972 he set up a duo with Carlos Boudet playing guitar and singing, his first professional work. By the end of that year, he met Emilio Estefan through his friend Rudy Ramirez. The three friends set up the Miami Latin Boys that two

years later became The Miami Sound Machine. First hit of the latter was the popular song Renacer (Reborn), lyrics in Spanish by Luis Serrano. The year 2012 ended fruitfully for him through the book Navegante de Palabras (A Sailor of Words), an anthology of the Literature Club, where in addition of infusing it with his poetical sentiment and an anecdotic tale telling, Luis contributed to the book with a lovely book cover. As his author, he narrates his personal experiences in quite an original fashion, enjoying the nostalgic feeling we all carry within us of those days of sweet memories. I have no doubt, dear reader: you will enjoy The adventures of Rene Galan.

Julio Galan, 1998 Julio Galán, Enrique Badulescu, 1998 This book catalogs recent work by the Mexican painter Julio Galan (b.1958), and represents the most complete book to date on this important artist -- whose complex, dream-like work defies easy categorization, but who combines ornamental motifs with figurative depictions. Galan is one of the most celebrated painters in Mexico today, and this volume represents a detailed look into his aesthetic universe.

I'm Learning Japanese! Christian Galan, 2019-10-29 This is a fun and entertaining beginner level children's Japanese language book (9 years old and up) that is also appropriate for adults. I'm learning Japanese takes a light-hearted approach to the Japanese language by using fun anime-style manga characters to teach Japanese. However, it does not scrimp on content and covers everything from Japanese kanji, kana and grammar to Japanese culture and customs. The book starts out with the main characters, Emily, Nico and Teo sitting on the grass after school, minding their own business, when—unbelievable!—a giant talking fox dressed in a kimono appears. Explaining that he knows magic, speaks 3,000 languages and is respected as a sensei (master), he wonders if the three

kids are ready to learn Japanese from him. During the next 128 amusing pages, the three friends learn to speak Japanese, read Japanese and write Japanese...along with taking breaks to try Japanese hot-spring baths, sumo wrestling, Zen meditation and more. Focusing on exactly what the 9 to 13-year-old learner wants to know, this book is carefully set up to allow them to learn Japanese independently, at their own speed, without an adult's help. Every page of *I'm Learning Japanese!* is in full color and the illustrated comic book-approach, with its speech bubbles and funny side remarks, makes the learning seem to fly. It gives preteens a fun grounding in the language and one that's accurate and practical. Nothing they learn here is watered down or will ever need to be unlearned, should they continue on with their Japanese language studies in school or later in life.

The Mule Juan Eslava Galan, 2008-02-26 Critically acclaimed throughout Spain, and now available for the first time in English, this tender, satirical novel vividly captures the intrinsic absurdity of war—and the joys of true friendship in a place where it is difficult to distinguish man from beast. Juan Castro Pérez is a simple muleteer caught in the brutal Spanish Civil War. Never far from his closest companion—a stray mule named Valentina whom he is determined to keep for himself after the war—Juan engages in the low-brow drinking escapades, long shots at love, and an otherwise droning existence shared by his compatriots. As he lies, cheats, and steals to protect Valentina during his improbable odyssey home, Juan unwittingly “fights” for both sides—and becomes a reluctant and unlikely hero of the people, exploited by opportunistic journalists desperately trying to convince the Spanish public that the war is under control, when it is anything but....
