**The Smithsonian National Gem Collection—Unearthed** Jeffrey Edward Post,2021-03-23 The scandals, mysteries, and human stories behind the world's greatest gems are brought to life by the curator of the Smithsonian's National Gem Collection Dr. Jeffrey E. Post, curator of the National Gem Collection for more than 25 years, separates fact from fiction in an all-new and original book, revealing fresh information and regaling the reader with anecdotes and tales of some of the world's greatest and most famous gemstones. Dr. Post is the author of the now out-of-print book *The National Gem Collection* (Abrams, 1997), which has sold more than 50,000 copies. In this brand-new book, he tells the stories of the Smithsonian's most famous gems, including the Hope Diamond, Star of Asia Sapphire, Carmen Lucia Ruby, Hooker Emerald, and Blue Heart Diamond—and also presents the tales, details, and fascinating facts surrounding rarely displayed gems from the Smithsonian vault and additions made to the collection since 1997. Not only a resource for learning about rare and beautiful gems, the book also presents the stories of the people who once owned or were associated with these jewels—from ordinary people to kings, emperors, maharajas, celebrities, and captains of industry.

*The Gem Hunter* Gary W. Bowersox,2004 This is the story of one man's endeavor to discover precious gems and to lead a life filled with loyal friends and extraordinary adventures. He finds it all in the Hindu Kush region of Afghanistan but not without risking his life. In this book Gary W. Bowersox spins his tales of thirty two years of discovery both introspective and worldwide. Along the way he encounters danger and intrigue as he builds lasting friendships. He has traded gems and stories with Afghan miners, ethnic peoples, freedom fighters, government officials, scientist, and on a few occasions, international spies.

*Gems* M. M. White,2018-01-25 The Jadis sisters had rampaged through the Absolon realm before, destroying kingdoms, terrifying humans, and pushing the magical gems into hiding. When the sisters were vanquished, the world was at a tense peace as long as the gems hid their powers and blended in with the humans. But the rise of the wicked sisters begins, changing landscapes and time, bringing four extraordinary ladies together. Four princesses from the four corners of Absolon find each other, forming an everlasting bond, and placing a huge target on their backs. Their extravagant lives are ripped away when they are expected to train along with an army to prevent the Jadis sisters from gaining power, but love, betrayal, and egos soon get in the way. Time is running out and the prophecy won't matter if they all can't stay alive.

**Stories in Stone** Stephen E. Nash,2016-07-07 Vasily Konovalenko's unique, dynamic, and theatrical sculptures stand alone in the gem-carving world—bawdy but not salacious, political but not diplomatic, boisterous and exuberant yet occasionally sensitive. *Stories in Stone* offers the first comprehensive treatment of the life of this little-known Russian artist and the remarkable history of his wonderful sculptures. Part art catalogue and part life history, *Stories in Stone* tells the tale of Konovalenko's impressive works, explaining their conception, creation, and symbolism. Each handcrafted figure depicts a scene from life in the Soviet Union—a bowman hunting snow geese, a woman reposing in a hot spring surrounded by ice, peasants spinning wool, a pair of gulag prisoners sawing lumber—painstakingly rendered in precious stones and metals. The materials used to make

the figurines are worth millions of dollars, but as cultural artifacts, the sculptures are priceless. Author Stephen Nash draws upon oral history and archival research to detail the life of their creator, revealing a rags-to-riches and life-imitates-art narrative full of Cold War intrigue, Communist persecution, and capitalist exploitation. Augmented by Richard M. Wicker's exquisite and revelatory photographs of sixty-five Konovalenko sculptures from museums, state agencies, and private collections around the world, *Stories in Stone* is a visually stunning glimpse into a unique corner of Russian art and cultural history, the craft and science of gem carving, and the life of a Russian artist and immigrant who loved people everywhere. Co-published with the Denver Museum of Nature & Science, home to the most significant collection of Russian gem-carving sculptures by Vasily Konovalenko in the world.

*The Story of the Gems* Herbert Percy Whitlock, 1945

**Magic Gem** Kim So-Un, 2012-09-25 Beautifully illustrated with watercolor paintings, *The Magic Gem* is a much-loved Korean folk tale that tells the story of why cats and dogs don't get along. A poor fisherman wins a fabulous magic gem that grants his every wish before it's lost to a conniving neighbor. His cat and dog manage to recover the gem, but on the way home the dog loses it in the river. The clever cat gets it back and becomes the favored house pet, while the jealous dog gets nothing, which is why dogs and cats don't get along. This multicultural children's story is written by the same author and illustrator as the bestselling Korean Children's Favorite Stories—Kim So-un and Jeong Kyoung-Sim. It will be sure to delight both children and their parents and is of particular interest to families of Korean or mixed heritage.

**Gem & Dixie** Sara Zarr, 2017-04-04 "A story that broke my heart and put it back together again. You won't want to let Gem and Dixie go." —Sarah Dessen, New York Times bestselling author of *Saint Anything* From renowned author and National Book Award finalist Sara Zarr comes a deep, nuanced, and gorgeously written story about the complex relationship between two sisters from a broken home. Gem has never known what it is to

have security. She's never known an adult she can truly rely on. But the one constant in her life has been Dixie. Gem grew up taking care of her sister when no one else could: not their mother, whose issues make it hard for her to keep food on the table, and definitely not their father, whose intermittent presence is the only thing worse than his frequent absence. Even as Gem and Dixie have grown apart, they've always had each other. When their dad returns home for the first time in years and tries to insert himself back into their lives, Gem finds herself with an unexpected opportunity: three days with Dixie—on their own in Seattle and beyond. But this short trip soon becomes something more, as Gem discovers that that to save herself, she may have to sever the one bond she's tried so hard to keep. A complex and gripping story centered around the relationship of two sisters from a broken home. This book was so meaningful and realistic (from the Brightly.com review, which named Gem and Dixie one of the best books of 2017).
