Pokemon Go Isabel Jones,2016-10-18 Discover Pokemon Go: Diary of a Gengar(Unofficial Pokemon Book) Are You Ready To Get into the Adventure of Pokemon Go Here is the Prologue Entry Seven Dear Diary, It's just so weird that I would happen to find this diary again. I had buried it in this exact spot almost a year ago. I had thought that maybe it would be at least a few years before I came back here again, but... SURPRISE! I'm back here in less than a year. Maybe after this entry, I wouldn't even come back to this spot anymore, maybe someone else would discover this exciting diary instead? If that were the case, I think it be best if I gave some background information on myself and perhaps turn this into something interesting. (I doubt anyone would want to read a boring diary anyways). So the introduction... After this entry, there are a total of six other entries about my entire life. Basically, I wrote about everything that had happened to me from the very beginning. So what is the beginning? Well, to start off... My

name is Gengar. I'm sure everyone knows me as the purple ghost with red eyes that is perpetually smiling and you'd probably even find me a little scary. My real name is Gen 'The 150,000 'gar. Truthfully, this probably isn't even accurate anymore. I call myself that because there are so many Gengars in the world. I'm just one of many and for some reason we ALL happen to have the same name, which just makes me less of an individual and so I decided to give myself a different name...
