Storm Rising Mercedes Lackey,1996-10-01 In Storm Rising, mysterious mage-storms are wreaking havoc on Valdemar, Karse, and all the kingdoms of the West, plaguing these lands not only with disastrous earthquakes, monsoons, and ice storms, but also with venomous magical constructs - terrifying creatures out of nightmare. Both Valdemar's Heralds and Karse's Sunpriests struggle to marshal their combined magical resources to protect their realms from these devastating, spell-fueled onslaughts. But as the situation becomes bleaker and bleaker, the still fragile alliance between these long-hostile lands begins to fray. And unless Valdemar and Karse can locate and destroy the creator of the storms, they may see their entire world demolished in a final magical holocaust.

Storm Breaking Mercedes Lackey,1997-10-01 As Storm Breaking opens, the western allies, led by Karal, Karsite Sunpriest and delegate to the Valdemaran Court, and the Adepts Firesong and An'desha, have traveled deep into the Dorisha Plains to locate the ancient ruins of the Tower of Urtho, Mage of Silence, creator of the gryphons. Legend has it that below the Tower, deeply buried beneath the plains, is Urtho's Vault, hidden stronghold of some of the most powerful magical weapons ever devised - weapons that Urtho himself felt were too dangerous to use. With the help of the Shin'a'in plainsmen, they have successfully excavated this ancient arsenal, and risked their lives triggering one of these antique but potent tools of death to unleash a monstrous burst of mage-energy. With this explosion of magical power, Karal, Firesong, and their companions have temporarily counteracted the ever-increasing waves of the mage storms. But they know that this desperate action will not save them - they have bought themselves precious time, but are still far from a permanent solution. They know now that the mage storms are an echo through time of the prehistoric Cataclysm which destroyed Urtho's Tower, created the vast and barren Dorisha Plains, and permanently warped their world more than two thousand years ago. And they also know that if they don't find a way to banish these magical vibrations they will culminate in another Cataclysm - this time destroying their world for good. But the Vault is not the only thing buried for centuries below the Dorisha Plains, and camped in the ruins of what once was the workplace of the most ingenious mage their world has ever known, the desperate allies soon come to realize that their solution may lie beneath the dust at their feet. The saving of their world just might be accomplished by the work of a man who has been dead for millennia!

The Storm Within Brandon Eger,2021-07-22 If you had the power to do practically anything, would it be enough to outrun your destiny? Shar is just a regular twenty-five-year-old guy still trying to figure out life. With an unreturned crush on a childhood friend, a simple banking job, and a set-in-stone daily routine, his life is simple and predictable-that is, until a car crash and a lightning strike lead him to discover that our world is not the only one out there, that there are other races besides just humans, and that magic is very real, sometimes with horrifying consequences. With the discovery that the lightning has awakened something equally beautiful and deadly within him, he finds himself at Brenerra, an academy built to teach mages of all ages how to control their magic without destroying themselves. What the mages choose to do after their training, though, whether they decide to use it impartially or for good or evil, is entirely up to them. As dark plots unfold and hidden enemies make their move, Shar quickly discovers that nothing is as it seems, that even his own powers and memories cannot be trusted.

Storm Rising Mercedes Lackey,1996 The invasion plans of the powerful, sorcerous Eastern Empire force Valdemar into an uneasy coalition with its traditional enemy, Karse, but the combined forces of the two kingdoms may not be enough to stop the coming holocaust

The Gathering Storm Phil Scarbrough,2020-06-12 The Gathering Storm poses the question, what would you do if it were shown that your perfectly normal ten-year-old child was not so perfectly normal. In fact, he was perhaps the most important person ever born, and as a result, you would have to fight an ancient enemy that is malevolent and overwhelmingly powerful. This is the medieval world of Aden Braylon, who—along with his Elf mother Valeria, Human father Kael, and brother Devlyn for protection and insight, and ageless Mage Aaron for the key to future/past—must find a way to not only survive that enemy but also lead the fight back. The Gathering Storm is the first book of a sci-fi/fantasy trilogy, A Tale of Future Past. It is told in the style of Sir Thomas Malory and JRR Tolkien with a little David Eddings thrown in for humor. It begins: Daddy, Daddy, wake up, Aden whispered. Standing by Kael and Valeria's bed he shook Kael's arm. Wake up, Dad, there're monsters coming outside! What? Kael's brain was still a little addled from sleep. Wake up! He shook his arm again. I'm scared, Dad. There are monsters, big blue monsters, and they'll be here in a little bit! A story line that can be read purely for enjoyment but also it encourages the reader to imagine and think. All this with an ending that poses the questions, who are we, and why do we really exist.

But complications begin to arise when the two groups meet and rescue a powerful prisoner from the clutches of a mysterious organization that hurt Ralloy seven years ago. With the aid of the prisoner, the six escape the mountain and gather forces to defend the mountain-and the country-from the Oppression, Alseka's massive army.
