The Book of Giant Stories David L. Harrison,2001 Includes The Little Boy's Secret, The Giant Who Was Afraid of Butterflies, and The Giant Who Threw Tantrums.

The Story Giant Brian Patten,2002 A large-format, colour edition of this magical novel which weaves together over fifty world tales -- of immense appeal to both adults and children. One day a story fell from heaven and landed on a giant's tongue... ' The Story Giant is a master illusionist and the ur-storyteller. In his memory exists every tale ever told in the world -- except for one, which has eluded him for millennia. In a last desperate attempt to track down this lost tale, he draws four children from the different corners of the globe into his castle while they sleep, there to exchange the tales they know from their own cultures, to see if between them they can piece together the elusive missing story. For if he cannot track it down and install it in his memory, the whole facade of the castle will crumble and fall, and the Story Giant himself will die. And if he does, so will all the stories, and the world will be a poorer, duller, grimmer place. Fifty tales are told within this magical framework in Brian Patten's inimitable style -- from Bruh Rabbit to the tale of how St George killed the Dragon (except it wasn't St George -- it was his mother, with a pudding...) but none of them are the missing tale. The ca

The Selfish Giant Oscar Wilde,2022-05-16 Inspiring two films (the latest featuring 'Emmerdale's' Conner Chapman, and 'Shameless' star, Sean Gilder), 'The Selfish Giant' is a classic children's fairytale from the pen of Oscar Wilde. While he might be better known for his biting wit and cynical observations, this story is both beautiful and timeless. It centres around a giant, who builds a wall around his garden in order to keep children out. As a result, his garden is frozen in perpetual winter. However, a young boy has hidden himself away there and gives the giant a chance to redeem himself. Touching and wonderfully written, this is an ideal read for children and the young at heart. Oscar Wilde (1854 – 1900) was an Irish novelist, poet, playwright, and wit. He was an advocate of the Aesthetic movement, which extolled the virtues of art for the sake of art. During his career, Wilde wrote nine plays, including 'The Importance of Being Earnest,' 'Lady Windermere's Fan,' and 'A Woman of No Importance,' many of which are still performed today. His only novel, 'The Picture of Dorian Gray' was adapted for the silver screen, in the film, 'Dorian Gray,' starring Ben Barnes and Colin Firth. In addition, Wilde wrote 43 poems, and seven essays. His life was the subject of a film, starring Stephen Fry.

But times have certainly changed, and now, in the Second Edition of *Fallen Giant*, author Ronald Shelp—who worked alongside Greenberg and within the AIG organization for many years—with the help of Al Ehrbar, sheds light on both AIG, the company, and Hank Greenberg, the man. This fully updated Second Edition digs deep to uncover the latest developments for both Greenberg and AIG, such as the many lawsuits underway, including a criminal trial that will send five men—one who still works for Greenberg—to prison. Greta and the Giants Zoë Tucker,2019-11-19 This inspiring picture book retells the story of Nobel Peace Prize nominee Greta Thunberg—the Swedish teenager who has led a global movement to raise awareness about the world's climate crisis—using allegory to make this important topic accessible to young children. Greta is a little girl who lives in a beautiful forest threatened by Giants. When the Giants first came to the forest, they chopped down

trees to make houses. Then they chopped down more trees and made even bigger homes. The houses grew into towns and the towns grew into cities, until now there is hardly any forest left. Greta knows she has to help the animals who live in the forest, but how? Luckily, Greta has an idea... A section at the back explains that, in reality, the fight against the “giants” isn’t over and explains how you can help Greta in her fight. This book has been printed sustainably in the US on 100% recycled paper. By buying a copy of this book, you are making a donation of 3% of the cover price to 350.org.
