*Minding the Store* Julie Gaines,2018-10-30 “I really enjoyed this book. In fact, I could go for a second helping!”—Amy Sedaris “Entrepreneurs will learn a thing or two about translating a dream into thoughtful business growth, and everyone will laugh, cry, and nod along with a woman who has chosen to live an extraordinary life amidst many piles of dishes.” —Danny Meyer, CEO of Union Square Hospitality Group, founder of Shake Shack, author of the New York Times bestseller *Setting the Table* In this charming graphic memoir, the founder of an iconic housewares shop recounts the ups and downs—and ups again—of starting a family business, starting a family, and staying true to one's path while trying to make it in the Big City. Whether it's a set of vintage plates from a 1920s steamship, a mug with a New Yorker cartoon on it, a tin of sprinkles designed by Amy Sedaris, or a juice glass from a Jazz Age hotel, Fishs Eddy products are distinctly recognizable. A New York institution, Fishs Eddy also remains a family business whose owners endured the same challenges as many family businesses—and lived to write about it in this tale filled with humorous characterizations of opinionated relatives, nosy neighbors, quirky employees, and above all the eccentric foibles of the founders themselves. Readers come to know author Julie Gaines and her husband, with whom she founded the store, and because this is a family business, the illustrations are all in the family, too: their son Ben Lenovitz's drawings bring Fishs Eddy to life with a witty style à la Roz Chast and Ben Katchor. Over the years the store has collaborated with artists and celebrities such as Charley Harper and Todd Oldham, Alan Cumming, and many others to produce original designs that are now found in thousands of stores throughout the country, and Fishs Eddy has garnered a huge amount of media coverage. A great gift for anyone who has ever dreamed of opening a little business—or anyone with any kind of dream—*Minding the Store* offers wisdom, inspiration, and an exceedingly entertaining story.

**30 Easy Play Songs every parent/grandparent can play for kids even if they've never played music before** Helen Winter, 30 Songs you can play for your baby immediately on any instrument you may have at home without any musical background. Hi. Now you are parents. Or grandparents. The second is much easier but does not free you from the duty of singing lullabies and other funny kids' songs to your little ones. Do you feel forced to sing them? It's not easy, is it? Especially if you're tone-deaf. Did your schoolmates study violin while you were playing hooky from music class? Now with the kids, you're stuck and everyone expects you to be a lullaby singer. Well, we have a solution for you. If your only singing has been in the shower, let us help you become a real musician. And you can do it with any instrument. Even a toy piano, if it is tuned. If you are a musician, this book is not for you. You can go play your instrument in an orchestra. Kids like simple music. We offer your a guaranteed time-tested set of cool kids' songs. These are famous kids' songs (which you'll recognize) and also some musical nursery rhymes threw in. What do you need for your musical success? Equipment for starters. Your instrument can even be jars with water. But for most songs, it'll be better if they are somewhat tuned. It could be any key instrument like a piano, melodica, kalimba, marimba, synthesizer, xylophone, glockenspiel, or a color bell set with 8 bells or more. Drums, tambourines, castanets, and music rattles are also welcome. The main argument for the idea of not being able to play in a band with your child immediately is I CANNOT READ MUSIC SHEET. Don't worry! You don't have to! We made our pictures large and as simple as possible. You'll easily play by circles. No musical staff or notes. Your listeners are not very critical and won't know the difference. Kids are the best listeners in the world. The sheet music book has 2 parts: Part 1. No musical staff or notes. Simply follow the circles with letters. To show the rhythm, we grouped the circles together. Every song in this section was adapted for the newbie – you – just 8 notes (one octave). Part 2. Here you'll see traditional musical notes and staff added. But don't worry – the helpful letters are still there. Important! You will be able to begin to play right away if the keys of your instrument have letter notations on the keys (like kalimba or xylophone). For other instruments, you just need to get and apply stickers with letter-notations. Just 8 stickers will be enough. Write the notes with a marker – A B C D E F G and C8. Easy play songs were adapted especially for beginners. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If you have flat keys on your instrument, please use the classic music score for the piano. Songs: 1. Hot Cross Buns 2. Are you sleeping? 3. Mary had a Little Lamb 4. The wheels on the Bus 5. Twinkle. Twinkle Little Star 6. Old MacDonald had a farm 7. Do you know the Muffin Man? 8. London Bridge is Falling Down 9. Jingle Bells 10. We wish you a Merry Christmas 11. Brahms's Lullaby 12. Ode to Joy 13. Happy Birthday 14. Le Cucaracha 15. Oh! Susannah 16. Itsy Bitsy Spider 17. The First Noel 18. Yankee Doodle 19. Row, row, row your Boat 20. Jolly Old Saint Nicholas 21. Amazing Grace 22. Silent Night 23. Beethoven. For Elise 24. Rain, rain, go away 25. Alphabet Song 26. A Ram Sam Sam 27. Little Jack Horner 28. It's Raining 29. Baa-Baa Black Sheep 30. Ring around the Rosie.

**Maison Blanche Department Stores** Edward J. Branley,2011-10 On October 30, 1897, S.J. Shwartz, Gus Schullhoefer, and Hartwig D. Newman—with financial backing from banker Isidore Newman—opened the Maison Blanche at the corner of Canal Street and Rue Dauphine in New Orleans. Converting Shwartz's dry goods store into the city's first department store, the trio created a retail brand whose name lasted over a century. In 1908, Shwartz tore his store down and built what was the city's largest building—13 stories, with his Maison Blanche occupying the first five floors. The MB Building became, and still is, a New Orleans icon, and Maison Blanche was a retail leader in the city, attracting some of the best and brightest people in the business. One of those employees, display manager Emile Alline, created the store's second icon, the Christmas character Mr. Bingle, in 1947. Mr. Bingle continues to spark the imagination of New Orleans children of all ages. Even though Maison Blanche has become part of New Orleans's past, the landmark Canal Street store lives on as the Ritz-Carlton Hotel.

20 Xylophone Songs and Melodies + The Fairy Tale with Musical Score written using the Orff music approach Helen Winter, The sheet music book consists of 2 sections: 1. The first, with 20 color-coded kids songs written especially for such a xylophone (pictured on the book cover). This book was written to help the beginner, whether child or adult, learn to play music in a simple and easy way that requires no knowledge of reading music. Just by following the circles with letters, you will sound like an experienced musician. Playing music can be as simple and enjoyable as a game. That is our goal to give you what's necessary to play beautiful music while having fun. This sheet music (musics) of funny kids songs was written especially for this xylophone. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If you have flat keys on your instrument, please use the classic music score for piano. List of kids songs: 1. Hot Cross Buns 2. Are you sleeping? 3. Mary had a little Lamb 4. The wheels on the Bus 5. Twinkle. Twinkle Little Star 6. Old MacDonald had a farm 7. Do you know the Muffin Man? 8. London Bridge is Falling Down 9. Jingle Bells 10. We wish you a Merry Christmas 11. Brahm's Lullaby 12. Ode to Joy 13. Happy Birthday 14. Le Cucaracha 15. Oh! Susannah 16. Beethoven – For Elise 17. Silent Night 18. Yankee Doodle 19. Row, row, row your Boat 20. Jolly Old Saint Nicholas. There are simple popular songs: kids learning (ABC), sleeping, Christian, church, animals. 2. The second part of the book has the 3 Little Pigs fairy tale with a musical score. We offer a lot of activities that can be done with any percussion instrument or any sound made with home utensils, for example, while listening to the story. This fairy tale encourages a child's musical activity, even if they have never played music before. German composer Orff believed that each child should not be a passive listener, but an active co-creator. Not only can you and your kids play using a percussion instrument musical set, but also with any other musical sounds you can come up with. We hope you'll enjoy these funny kids' songs and percussion music actions and activities.
