The Third Gift Linda Sue Park,2011-11-15 From two extraordinary talents, a beautifully crafted picture book for the Christmas season. The three wise men, or the three kings, are familiar figures in the Christmas tradition. Newbery medalist Linda Sue Park has taken the brief biblical references to the three as the starting point for a new story. In it we meet a boy who is learning his father's trade; a man who gathers resin from certain trees; a merchant in the marketplace; and three strangers in brightly colored robes who are shopping for a gift for a baby. Illustrated by Bagram Ibatoulline with exquisite paintings, this simple, moving tale of ordinary people involved in an extraordinary event brings new resonance to the well-known gift list of gold, frankincense, and myrrh.

Rabbit's Gift George Shannon,2007-11-01 Snow is coming, coming soon, so Rabbit needs to find food fast. Just in time, a turnip turns up, and a second one, too. Who in the woods wouldn't want to tuck away an extra turnip for the long winter? Not Rabbit. He chooses a different path--and starts a wave of generosity that spreads among all his forest friends. Admired picture-book team George Shannon and Laura Dronzek have created a heartwarming tale about the true meaning of friendship. Includes an author's note and a chart that translates the Chinese calligraphy in the book.

The Gift Lewis Hyde,1999 Starting with the premise that the work of art is a gift and not a commodity, this revolutionary book ranges across anthropology, literature, economics, and psychology to show how the 'commerce of the creative spirit' functions in the lives of artists and in culture as a whole.

The Gift Edith Eva Eger,2020-09-15 "I will be forever changed by Edith Eger's story." —Oprah A practical and inspirational guide to stopping destructive patterns and imprisoning thoughts to find freedom and joy in life—now updated to address the challenges of the pandemic and a world in crisis. World renowned psychologist and internationally bestselling author, Edith Eger's, powerful New York Times bestselling book *The Choice* told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Readers around the world wrote to tell her how *The Choice* moved them and inspired them to confront their own past and try to heal their pain. They asked her to write another, more prescriptive book. Eger's second book, *The Gift*, expands on her message of healing and provides a hands-on guide that gently encourages readers to change the thoughts and behaviors that may be keeping them imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself: the prison within her own mind. She describes the most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and avoidance—and the tools she has discovered to deal with these universal challenges. These lessons are offered through riveting and inspiring stories from her life and the lives of her patients. This new, revised edition of *The Gift* contains two new chapters that examine the invaluable insights and lessons Edie learned during the Covid-19 pandemic; a time she used to rediscover freedom even in lockdown and to enjoy the simple pleasures of life, including preparing and sharing meals with the ones we love. Edie includes recipes for some of her favorite dishes which have been updated and tested by her daughter Marianne Engle and explains how

food can be a deep expression of love and connection. As readers seek to find joy and some peace in these challenging times, Eger's wisdom and heartfelt advice is as timely, and timeless, as ever and certain to resonate with Eger's devoted readers and those who have not yet found her transformational wisdom. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and greater joy in life.

The Ultimate Gift Jim Stovall, 2010-01-01 What would you do to inherit a million dollars? Would you be willing to change your life? Jason Stevens is about to find out. Red Stevens has died, and the older members of his family receive their millions with greedy anticipation. But a different fate awaits young Jason, whom his great-uncle Stevens believed might be the last vestige of hope in the family. Although to date your life seems to be a sorry excuse for anything I would call promising, there does seem to be a spark of something in you that I hope we can fan into a flame. For that reason, I am not making you an instant millionaire. What Stevens does give Jason leads to *The Ultimate Gift*. Young and old will take this timeless tale to heart.

The Gift Lewis Hyde, 2007 Examines the concept of gifts in anthropological terms and uses this approach to analyze the situation of creative artists and their gifts to society.

Winter's Gift , 2013-08-15 It may be Christmastime but on a small, forlorn farm the holiday season is best forgotten, along with painful memories of loved ones lost. Mother Nature has other plans, however, and a chance snowstorm brings together two unlikely hearts, one human and one beast, yet both yearning for comfort, companionship, and that most elusive gift of all, hope. This lustrous jewel of a story, quietly told and perfectly complemented by soft, evocative paintings, reminds even the most cynical of readers that the heart indeed can recover and go on. Jane Monroe Donovan's parents encouraged her to follow her heart and it led to her love of sketching and painting. Her affection for animals is reflected in much of her subject matter. Jane makes her home in Pinckney, Michigan, with her husband Bruce and their two sons, Ryan and Joey. Other members of their family include their two dogs, Belle and Grizzly, a Siamese cat named Maylee, and their two horses, Ameera and Cherokee Rose. In addition to *Winter's Gift*, Jane has also illustrated three other titles for Sleeping Bear Press: *My Teacher Likes to Say*; *My Momma Likes to Say*; and *Sunny Numbers: A Florida Counting Book*.

Believe Kobi Yamada, Dan Zadra, 2017-03 The start to a better world, a better life, or a better future, is simply our belief that it is possible. Because some things have to be believed before they can be seen. Because your hopes, dreams, and aspirations really are achievable. And because there is so much courage, goodness, and potential in you--that once you begin to believe, the world you want becomes possible. The 2nd edition of our best-selling book *Believe* features updated copy and a beautifully sophisticated design that brings new life to this classic title. The statements and quotations from great minds offer inspirational wisdom, perfect for a friend, loved one, or anyone you care about to help them to believe in themselves and their potential.

The Gift Inside the Box Adam Grant, Allison Sweet Grant, 2019-10-01 Adam Grant, the bestselling author of *Give and Take*, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver--a classic in

the making and the perfect conversation starter about thoughtfulness. This delightful book--one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books--is designed to start conversations with kids about generosity. In the tradition of Goodnight Gorilla, the words are intentionally spare. The book is meant to be read interactively, with adults posing questions so kids can guess what's happening (and why). Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity--a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. Truly phenomenal . . . Kristen [Bell]'s favorite book we've read to the kids in a year. --Dax Shepard of the podcast Armchair Expert
