Storm's Gift M. L. Buchman,2020-10-13 -a Night Stalkers CSAR romance story- The most dangerous mission of all: CSAR—Combat Search and Rescue. Combat Medic Arin Amin will forever disappoint his family. Medic rather than MD. And no “nice Indian wife and many babies” in his foreseeable future. When a super-cyclone casts him up on a Bengali shore, his path crosses with Dr. Datta Jhanvi. Her vacation? Now a nightmare, treating the wounded and helpless in the storm’s aftermath. Until she finds a helping hand she never expected.

The Storm's Gift C. E. (Charles Ellsworth) Linton,2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Gift Marissa Storm,2015-07-15 Tammy has Changed my ideas about many things. I never dreamed she could change my heart about Christmas. I always hated Christmas. This lady is something special.

Storm Data ,

The Christmas Storm L. M. Steen, 2010-05-01 This book is only possible because of Lil's survival from her tumor. The success wrought by all three of them: Lillian, Russell, and Benjamin Pennington. If not, her story with Russell would have ended - the essence of the happiness he had found on his mountains, his gift from the Lord, turned to a greater sorrow than he had ever known. However, joy continues to lift him simply looking at her every day. Something Lil thinks she will never understand. On the other hand, a new development occurs which finally gives her some insight into his vision of her. Perhaps another gift from the Lord. However, let us start at the beginning... Or rather in the middle of their story as Russell wove it while lying beside her on the bed through the many hours of her illness. His efforts to put not only those thoughts into a book, but also what he saw in her. A surprise so to speak. While she worked on his Christmas present, hoping that he wouldn't notice, she'd also have to figure out how to lie. She

had been successful last Christmas in avoiding an out and out lie because he would have known. Instead, she had gone for diversion. Hopefully, this year she would be able to pull it off again and surprise him. In the mix again is Dr. Benjamin Allen Pennington, a personage whom Russell did not want in his house for Christmas! But, this time, the plot is afoot as they say... And so was the storm...

Rivers of Refreshing Timothy T. Ajani,2009-08-08 In RIVERS OF REFRESHING, Dr. Ajani combines twenty-three brand-new poems with the original thirty-five published in STREAMS OF REFRESHING to give the reader a cocktail of refreshingly engaging poems that is bound to whet the appetite of any poetry lover. Also, some of the previous titles have been revised and fine-tuned in this significantly expanded volume. The current edition is subdivided into fifteen thematic sections, which makes it easy to directly access any specific title, or group of poems that may be needed for any particular mood, circumstance, or occasion. There are poems about CHRISTMAS & EASTER (the Passion and Ressurrection of Christ); the Second Coming; Times & Seasons of Life; Divine Guidance & Revelation; Faith, Hope & Love; Joy, Peace & Rest; Praise, Prayer & Revival; Deliverance & Freedom; The Times of the End; and much, much more! This book also doubles as a devotional, with each poem preceded by a relevant Bible verse that captures both the spirit and content of the poem it introduces.

Storms Gather Between Us Clare Flynn, 2019-06-17 Life can change in a single moment... Living under the watchful eye of her controlling and abusive father, Hannah Dawson's hopes for freedom and happiness seem a distant dream. Her mother, passive and ashamed of her self-preservation, refuses to challenge her husband. It is the mysterious circumstances of her long-lost Aunt Lizzie's disappearance in the 1920s that inspires Hannah to seek a better life. Since escaping his family's notoriety in Australia Will Kidd has spent a decade sailing the seas, never looking back. Content to live the life of a wanderer, everything changes in a single moment when he comes face to face with a ghost from his past on a cloudy beach in Liverpool. Hannah and Will are thrown together by fate and bonded by secrets from long ago. Now, they discover a love like no other. But with Hannah's father determined to see her wed to a man of his choosing they must fight against a tyrant who has ruined many lives. Even if they succeed, can they escape the chains of their histories? And will their plans for a future be possible when the whole world is changing forever...? A compelling tale of family secrets and undeniable love against the odds, perfect for fans of Susanne Goldring and Fiona Valpy. Praise for *Storms Gather Between Us* 'Another great book by Clare Flynn' Reader Review 'A really gripping and moving pre WWII story' Reader Review 'I would recommend this book without hesitation' Reader Review 'Very descriptive, immersive and well written. This book is guaranteed to make you turn each and every page.' Reader Review 'I was totally gripped from the first page' Reader Review 'Although this novel follows Flynn's *A Greater World*, it can stand alone, since the characters' backstories are introduced non-intrusively. Will's exploits on the seas and in coastal regions, notably Zanzibar and Naples, and Hannah's

confined life and mannerisms in pre-WWII Liverpool are presented vividly, displaying the author's talent and extensive research. The descriptions of the sea voyages and locales are undoubtedly based on Flynn's travels. The novel's skillful plot elucidates the harsh treatment of some women during the period. Readers will look forward to the sequel. Recommended.' Historical Novel Society

Snow Storms Lisa Gillis, 2013-11-18 It all begins with one wrong wish on a star – a ROCK STAR. Jackal has retired but their fan base lives on. Jack and Marissa are still a super couple who see very little peace in public. Ready to live incog, they contemplate a move to Dallas—roots of the Loren family tree, and home of the family label. Christmas is coming, and Jack Junior is not the only one with a wish list. The Jackal fan site once had a Holiday tradition of indulging five lucky fans with a Christmas wish. This year, a fan manages to contact Jack with a very special wish. A wish that unearths a scandal Jack tried to leave in his past. When history begins repeating itself, he finds that the past is always a part of the present. But with one brightly wrapped present, will this particular part of his past forever change his future? To complicate matters, this Holiday Season, Marissa is hiding more than Christmas presents. For starters, her complicated relationship with Jack's sister reaches a new level of craziness. Also, simmering beneath a Christmas colored surface is a psycho situation she cannot see coming. Jack and Marissa have always had a rocky relationship. Yet again, they have to stand strong. LA may be hot, but that doesn't mean there isn't plenty of snow. The epic rock romance of Jack and Marissa continues. This novel can stand alone, but is the third in the Silver Strings Series - G String Set. 'Jack Who?' is the first in the Silver Strings Series (G String Set). 'Weathering Jack Storm' is second, and 'Snow Storms' is third. The Silver Strings Series

will contain trilogies for each string on a guitar, and is kicked off with this G String Set.
