What's inside the box, represents the family's past, as well as the true meaning of the Christmas season.Come along and enjoy this Christmastime story that shares the good news of the season. It is sure to have a special place in your home & in your heart.

*The Gift Inside the Box* Adam Grant,Allison Sweet Grant,2019-10-01 Adam Grant, the bestselling author of Give and Take, teams with his wife, Allison, to share the lighthearted tale of a gift in search of a giver--a classic in the making and the perfect conversation starter about thoughtfulness. This delightful book--one of Amazon's 2019 Holiday Gift Picks and Most Anticipated Books--is designed to start conversations with kids about generosity. In the tradition of Goodnight Gorilla, the words are intentionally spare. The book is meant to be read interactively, with adults posing questions so kids can guess what's happening (and why). Praised by both parents and teachers for sparking imagination and eliciting discussion, the story can be interpreted differently in every family, by every child, and reinterpreted many times over. Give the gift of this clever, earnest book about generosity--a new and nourishing fable for every child's library (and one that includes a delightfully innovative cover approach that requires the reader to unfasten the Velcroed cover for a fun unboxing effect!). It's a gift that keeps on giving. Truly phenomenal . . . Kristen [Bell]'s favorite book we've read to the kids in a year. --Dax Shepard of the podcast Armchair Expert

**A Secret Gift** Ted Gup,2010-10-28 An inspiring account of America at its worst-and Americans at their best-woven from the stories of Depression-era families who were helped by gifts from the author's generous and secretive grandfather. Shortly before Christmas 1933 in Depression-scarred Canton, Ohio, a small newspaper ad offered \$10, no strings attached, to 75 families in distress. Interested readers were asked to submit letters describing their hardships to a benefactor calling himself Mr. B. Virdot. The author's grandfather Sam Stone was inspired to place this ad and assist his fellow Cantonians as they prepared for the cruelest Christmas most of them would ever witness. Moved by the tales of suffering and expressions of hope contained in the letters, which he discovered in a suitcase 75 years later, Ted Gup initially set out to unveil the lives behind them, searching for records and relatives all over the country who could help him flesh out the family sagas hinted at in those letters. From these sources, Gup has re-created the impact that Mr B. Virdot's gift had on each family. Many people yearned for bread, coal, or other necessities, but many others received money from B. Virdot for more fanciful items-a toy horse, say, or a set of encyclopedias. As Gup's investigations revealed, all these things had the power to turn people's lives around- even to save them. But as he uncovered the suffering and triumphs of dozens of strangers, Gup also learned that Sam Stone was far more complex than the lovable- retiree persona he'd always shown his grandson. Gup unearths deeply buried details about Sam's life-from his impoverished, abusive upbringing to felonious efforts to hide his immigrant origins from U.S. officials-that help explain why he felt such a strong affinity to strangers in need. Drawing on his unique find and his award-winning reportorial gifts, Ted Gup solves a singular family mystery even while he pulls away the veil of eight decades that separate us from the hardships that united America during the Depression. In *A Secret Gift*, he weaves these revelations seamlessly into a tapestry of Depression-era America, which will fascinate and inspire in equal measure. Watch a Video

*Lil' Hal's Giant Christmas Box* Chris B,2019-10-28 The back story about Lil Hal's Giant Christmas Box goes like this. . . Hal's uncle Clarence had a car repair shop. Hal really loved to watch his uncle at work. But for weeks he was kept away so Hal won't see his uncle's very special project. Clarence had acquired a used race car that needed repairs. The car had a Delco light plant for a motor and used airplane landing tires. In the meantime, to distract Lil Hal's curiosity, a big box weighted with bricks was wrapped and placed in the attic. His closet had the access stairs to the attic, so he snuck up to the attic for weeks to examine the mystery box. When Christmas day came, he had the usual gifts under the tree; then he was told he could open the box in the attic. Hal unwrapped several

boxes until he found the bricks. There was a note to go to the tree for instructions. there he found he was to follow the string, which leads him through a labyrinth of rooms in his and his grandparents houses and his grandpa's hardware store. The journey ended in the attached garage, where the yellow race car was waiting. What a glorious present for a boy! A week or so later, his cousin got a turn driving the car, but he ended his trip by crashing into a building. When asked why he crashed the car, he replied, I didn't know how to stop the car. But all was well because it was only a small repair to fix the dent.
