Gift Wrapped For Murder Connie Shelton,2015-12-02 Come visit New Mexico at Christmas! Three full-length books and a novella by USA Today and international bestselling author, Connie Shelton. Featuring the characters from both of her popular cozy mystery series, each of these stories features a holiday setting that is sure to whet your appetite for the season! Shelton again has done a superb job in bringing New Mexico to life in her colorful, vivid description... -- Albuquerque Journal Connie Shelton gets better with every book she writes. -- The Midwest Book Review Sweet Holidays This book is third in the Samantha Sweet mystery series which features a fifty-something woman who breaks into houses for a living. Her sideline business—baking delectable cakes and goodies—has now blossomed into a full-time pastry shop and Sam is about to experience her first Christmas season as entrepreneur, which she juggles with the commitments of her previous job and a budding romance with Beau Cardwell, the county sheriff. Honeymoons Can Be Murder This book is sixth in the Charlie Parker mystery series, in which Charlotte “Charlie” Parker finds herself drawn somewhat against her better judgment into the cases that come into her family private investigation firm. This time, Charlie and her husband Drake—newlyweds—have been given the chance for an extended Christmas-season honeymoon at a cozy cabin in the snowy mountains near Taos, New Mexico. While the fireplace burns brightly indoors, a new mystery presents itself and Charlie becomes wrapped up in a puzzle involving false murder accusations, stolen artifacts, and someone whose actions mean to leave Charlie to die in the cold. Buried Secrets Can Be Murder Charlie Parker is hoping for a holiday season without drama but that just isn’t going to happen. Her office assistant’s baby is due any moment, her brother is engaged to a woman Charlie is only now beginning to know, and her social calendar is becoming incredibly full. When she and Drake are invited to a soiree at a showplace historic home, she’s eager to go. But before she can fully settle in and enjoy the season, a disturbing case comes through the door at RJP Investigations and Charlie can’t turn away the distraught man whose life was ripped apart by the disappearance of his children several years earlier. She has to do everything in her power to make his family holiday a happy one, even if the effort might very well destroy her own. Holidays Can Be Murder This Christmas novella brings together all that we love about the holidays—special foods, plenty of sweets, and visiting mothers-in-law. Charlie is about to host Drake’s mother for the week and isn’t at all sure how that will

work out. They make ready for the visit with all the extras that make a New Mexico Christmas so special—setting out luminarias, hanging the outdoor lights, putting up the tree, making green chile stew and hoping for snow. It should be perfect. It would be perfect, except for the murder that happens right in their neighborhood. (Includes two bonus New Mexico holiday recipes.)

A Storm of His Own : Tale of a Ferociously Kind Golden Retriever Yeshwant Bhagwat Mishra,2023-09-13 About the Book: Based on true events, this novel is a memoir of Sultan, a fiercely philosophical dog. True love arrives later in life, as Sultan entered mine like a tempest, bringing a whirlwind of happiness. As his closest companion, I deciphered the meaning behind his bites, interpreting his expressions. Sultan's arrival coincided with a catastrophic event, intertwining our lives during the darkest hours. Our adventures together formed a canopy of cosmic love. Once perceived as formidable, Sultan transformed into a majestic being, exuding charisma. Despite his fiery nature and endured tragedies, his beaming face inspired hope. This heartfelt tale chronicles Sultan's journey into my life, from unwanted to cherished. Delving into the psychology of dogs, this book captures the profound bond between humans and dogs amidst life's challenges—a narrative that resonates with every dog lover's soul. About the Author: Yeshwant Bhagwat Mishra is a writer and professional civil engineer specialising in planning and scheduling with 25 years of experience working with leading firms in Australia, Central Asia, the Middle East, and India. Since the Covid-19 pandemic lockdowns in 2021, he embarked on a media journey and became involved in the Bollywood industry as a playback singer, dubbing artist, and voice-over artist. While on overseas assignments, inspired by the renowned Brazilian novelist Paulo Coelho, Yeshwant published short stories in international magazines, depicting conversations with an angel about social and spiritual topics. Born in the holy city of Varanasi (formerly Banaras), Yeshwant currently resides in Indore, Madhya Pradesh, with his wife.

Feeling the Heat From the Editors of E/The Environmental Magazine,2005-06-22 For an increasing number of people, global warming is not an academic and scientific debate, but a matter of survival. As the planet warms at a rate of four degrees Fahrenheit per century, violent storms are increasing in frequency, icebergs are melting, sea level is rising, species are losing their habitats, and temperature records are being broken. Feeling the Heat consists of chapter-length visits by well-known authors to actual world hot spots, where people are already coping day-to-day with the consequences of climactic disruption. The locations for the book were strategically chosen because each represents a separate and important global warming impact, such as rising tides, melting glaciers, evolving ecosystems and air pollution. Feeling the Heat takes global warming out of the realm of armchair speculation and arcane scientific debate, revealing the process of climate change to be ongoing, serious and immediate.
