The Gift of the Magi O. Henry, 2020-08-26 Della and James are a young married couple who want to delight each other with a surprise Christmas gift. It turns out easier said than done because both of them have very little money. Will they manage to buy something in time? What sort of sacrifices will they need to make to buy a gift that their beloved will appreciate? What if they already have it but are not aware of it? 'The Gift of the Magi' is a magical tale brimming with comic irony but also a resounding and valuable moral lesson. The twist ending is bound to make you laugh and give you ample food for thought on what truly is important in life. American short story master O. Henry is best known for his pithy, witty scores and surprise endings. In doing so he made commonplace experiences extraordinary and memorable. His work has been immortalised in the popular 1952 film 'O. Henry's Full House' starring Fred Allen, Anne Baxter, Marilyn Monroe and Jeanne Crain. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections. Perhaps the most famous of these are, 'Cabbages and Kings,' 'The Voice of the City' and 'Strictly Business.' The immensity of O. Henry's impact on the American short story genre for time to come is evidenced by the fact an annual award in his name is given out each year in the United States. O. Henry's work is a must read for fans of Hemingway, Guy de Maupassant and Anton Chekhov.

The Fifth Gift Roger Williams, 2018-02-06 Roger Williams, the author of the cult classic THE METAMORPHOSIS OF PRIME INTELLECT, returns with a 5000-word short story about aliens bearing gifts which may or may not represent the ultimate Trojan horse. Long-time fans may recognize this story from a very similar version previously published online. Other than the removal of a few small typos, this edition is exactly the same as the 2005 story, now more widely available in a format you can enjoy on your personal devices. Keywords: permafrees, free short stories, Roger Williams, localroger, The Metamorphosis of Prime Intellect, Prime Intellect, alien contact, alien gifts, alien technology, alien Trojan horse, sci fi, sci fi short story.

The Gift of the Magi O. Henry, 2021-12-22 The Gift of the Magi is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.

The Greatest Gift Philip Van Doren Stern, 2014-11-06 For almost seventy years, people the world over have fallen in love with Frank Capra's classic Christmas movie It's a Wonderful Life. But few of those fans know that Capra's film was based on a short story by Philip Van Doren Stern, which came to Stern in a dream one night. Unable at first to find a publisher for his evocative tale about a man named George Pratt who ponders suicide until he receives an opportunity to see what the world would be like without him, Stern published the story in a small pamphlet and sent it out as his 1943 Christmas card. One of those 200 cards found its way into the hands of Frank Capra, who shared it with Jimmy Stewart, and the film that resulted became the holiday tradition cherished today.

The Gift of the Magi O. Henry, William Sydney Porter, 2017-01-17 The Gift of the Magi And Other Short Stories O. Henry a.k.a William Sydney Porter The Gift of the Magi is a short story, written by O. Henry (a pen name for William Sydney Porter), about a young married couple and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been a popular one for adaptation, especially for presentation at Christmas time. The plot and its

twist ending are well-known, and the ending is generally considered an example of comic irony. It was allegedly written at Pete's Tavern on Irving Place in New York City. The story was initially published in The New York Sunday World under the title Gifts of the Magi on December 10, 1905. It was first published in book form in the O. Henry Anthology The Four Million in April 1906. Mr. James Dillingham Young (Jim) and his wife, Della, are a couple living in a modest apartment. They have only two possessions between them in which they take pride: Della's beautiful long, flowing hair, almost touching to her knees, and Jim's shiny gold watch, which had belonged to his father and grandfather. On Christmas Eve, with only \$1.87 in hand, and desperate to find a gift for Jim, Della sells her hair for \$20 to a nearby hairdresser named Madame Sofronie, and eventually finds a platinum pocket watch fob chain for Jim's watch for \$21. Satisfied with the perfect gift for Jim, Della runs home and begins to prepare pork chops for dinner.

Knowing Taylor's caring spirit, they were sure this was what she would have wanted. Over the course of the next two years, Tara and Todd Storch connected with four of the five people who now live because of Taylor's gift. And through these encounters, the Storches have discovered unexpected blessings that are changing countless lives.
