James Kevin McPartland

Gifts Ursula K. Le Guin, 2004 A darkly compelling fantasy about a world in which each person has a magical, dangerous gift.

My Little Gifts Jo Witek, 2018-09-11 There are many types of gifts. You can give a big, shiny, wrapped gift on Christmas morning, but you can also give the gifts of your help or your time. You can bake a cake for your parents or share what you learned in school with your little sister. You can help a friend unravel a knotty bracelet or smile at a stranger who looks sad. With a spirit of generosity, you'll find you have many gifts to give to the world--and that giving can be even more fulfilling than receiving. Featuring a die-cut cover and interior flaps throughout, *My Little Gifts* celebrates the gift of giving. The *Growing Hearts* series celebrates the milestones of a toddler's emotional development, from conquering fears and expressing feelings to welcoming a new sibling.

The Three Gifts Patricia Cook Orr, 2010-01-01 Christmas story about Mary, Joseph, and Jesus, and what happened to the gifts of the Three Kings.

A Time of Gifts Patrick Leigh Fermor, 2011-09-14 This beloved account about an intrepid young Englishman on the first leg of his walk from London to Constantinople is simply one of the best works of travel literature ever written. At the age of eighteen, Patrick Leigh Fermor set off from the heart of London on an epic journey—to walk to Constantinople. *A Time of Gifts* is the rich account of his adventures as far as Hungary, after which *Between the Woods and the Water* continues the story to the Iron Gates that divide the Carpathian and Balkan mountains. Acclaimed for its sweep and intelligence, Leigh Fermor's book explores a remarkable moment in time. Hitler has just come to power but war is still ahead, as he walks through a Europe soon to be forever changed—through the Lowlands to Mitteleuropa, to Teutonic and Slav heartlands, through the baroque remains of the Holy

Roman Empire; up the Rhine, and down to the Danube. At once a memoir of coming-of-age, an account of a journey, and a dazzling exposition of the English language, *A Time of Gifts* is also a portrait of a continent already showing ominous signs of the holocaust to come.

One Thousand Gifts Ann Voskamp, 2011-01-04 More than 1.5 million copies sold! What if you discovered that the life you already have is the life you've always wanted? What if joy is possible right where you are? New York Times bestselling author Ann Voskamp invites you to embrace everyday blessings and embark on the transformative journey of chronicling God's gifts. How can you find joy in the midst of deadlines, debt, drama, and even the death of loved ones? What does the Christ-life really look like when your days are gritty, long, and sometimes even dark? How is God even here? "It is in the dark that God is passing by . . . our lives shake not because God has abandoned but the exact opposite. God is passing by. God is in the tremors. Dark is the holiest ground, the glory passing by. In the blackest, God is closest, at work, forging His perfect and right will. Though it is black and we can't see and our world seems to be free-falling and we feel utterly alone, Christ is most present to us..." In *One Thousand Gifts*, Ann Voskamp invites you to discover a way of seeing that opens your eyes to ordinary amazing grace, a way of living that is fully alive, and a way of becoming present to God that brings deep and lasting joy. It's only in the expression of gratitude for the life we already have, we discover the life we've always wanted . . . a life we can take, give thanks for, and break for others. Come to feel and know the impossible right down in your bones: you are wildly loved by God. As Ann invites you into her own beautiful, heart-aching moments of amazing grace, she gently teaches you how to: Biblically lament loss and turn pain into poetry Intentionally embrace a lifestyle of radical gratitude Slow down and catch God in the moment Not a book merely to read, *One Thousand Gifts* is an invitation to engage with truths that will serve up the depths of God's joy and

transform your life forever. Leave pride, fear, and control behind, and abandon yourself to the God who overflows your cup.

The Gifts of the Year Jane Van Cleef, 2021-11-02 A story of celebration with the characters of Hazel Village.

Final Gifts Maggie Callanan, Patricia Kelley, 2012-02-14 In this moving and compassionate classic—now updated with new material from the authors—hospice nurses Maggie Callanan and Patricia Kelley share their intimate experiences with patients at the end of life, drawn from more than twenty years' experience tending the terminally ill. Through their stories we come to appreciate the near-miraculous ways in which the dying communicate their needs, reveal their feelings, and even choreograph their own final moments; we also discover the gifts—of wisdom, faith, and love—that the dying leave for the living to share. Filled with practical advice on responding to the requests of the dying and helping them prepare emotionally and spiritually for death, *Final Gifts* shows how we can help the dying person live fully to the very end.

Unexpected Gifts Christopher L Heuertz, 2013-01-08 In this heartfelt and thoughtful book, Christopher Heuertz writes of the dangers of isolation, the challenges we face when we join together and the struggles and joys that emerge from genuine community bonding. “Ironically, as much as we yearn for deep friendships and meaningful communities, many of us seem to be unable to find our way into them. Even if we know we’re made for community, finding one and staying there seems almost impossible. Though we hate to admit it, if we stay long enough in any relationship or set of friendships, we will experience failure, doubt, burnout, loneliness, transitions, a loss of self, betrayal, frustration, a sense of entitlement, grief, and weariness. Yet it’s these painful community experiences, these tensions we struggle to navigate, that hold surprising gifts.” —FROM THE PREFACE IN A

STRIKINGLY confessional tone and vividly illustrated through story, *Unexpected Gifts* names eleven inevitable challenges that all friendships, relationships, and communities experience if they stay together long enough. Rather than allowing these challenges to become excuses to leave, Chris Heuertz suggests that things like betrayal, transitions, failure, loss of identity, entitlement, and doubt may actually be invitations to stay. And if we stay, these challenges can become unexpected gifts. *** Betrayal, failure, loss of identity, doubt. If your relationships have suffered from any of these pitfalls, this book will show you that staying together can create something more—even something beautiful. IN THIS HEARTFELT and thoughtful book, Christopher Heuertz writes of the dangers of isolation, the challenges we face when we join together, and the struggles and joys that emerge from genuine community bonding. Whether readers are forming a new community, searching for deeper community, or participating in a longtime community, they will find inspiration, caution, guidance, and encouragement as they discover the beauty of pressing in to the ambiguities of growing relationships in this tender and honest testimony about how we are woven together by grace.

What's So Spiritual about Your Gifts? Henry Blackaby, Mel Blackaby, 2009-01-16 The Old Testament is our kindergarten for understanding the pattern of the Holy Spirit's gifting and work. That

pattern is this: God gives an assignment to a person; then the Holy Spirit is given to equip him or her for the assignment. The proof of the Spirit's presence is that the person is able to complete the assignment effectively through the supernatural enabling of the Holy Spirit. Truly understood and embraced, the Holy Spirit's gifts allow the Church to be Christ-centered, to maintain unity and oneness of heart, and to practice genuine, powerful love. WHAT EXACTLY HAVE YOU BEEN GIVEN? Surprises are in store when we explore biblically what spiritual gifts really are, how they fit with our natural strengths and talents, and how they match our calling and assignments from God. This book will help restore the Holy Spirit to the center of your understanding and practice of spiritual gifts, and set you free to serve God as never before. The Girl With All the Gifts M. R. Carey, 2014-06-10 In the ruins of civilization, a young girl's kindness and capacity for love will either save humanity -- or wipe it out in this USA Today bestselling thriller Joss Whedon calls heartfelt, remorseless, and painfully human. Melanie is a very special girl. Dr Caldwell calls her our little genius. Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant keeps his gun pointed at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite, but they don't laugh.

Book of Gifts and Rarities Aḥmad ibn al-Rashīd Ibn al-Zubayr, 1996 This work is a translation and

study of a ninth- through fifteenth-century manuscript, Kitāb al-Hadāyā wa al-Tuḥaf. The manuscript furnishes a wealth of varied information offering insights into the period immediately preceding Islam and extending through the first four centuries of Islamic rule.

Gifts of an Eagle Kent Durden, 2012-09-11 New York Times Bestseller: The “extraordinary” true story of a golden eagle adopted by a California ranching family, and how she changed their lives (Delia Ephron). In 1955, Ed Durden brought a baby golden eagle home to his ranch in California, where she would stay for the next sixteen years. As her bond with Ed and the Durden family grew, the eagle, named Lady, displayed a fierce intelligence and strong personality. She learned quickly, had a strong mothering instinct (even for other species), and never stopped surprising those who cared for her. An eight-week New York Times bestseller, *Gifts of an Eagle* is a fascinating up-close look at one of the most majestic creatures in nature, as well as a heartwarming family story and “an affectionate, unsentimental tribute” (Kirkus Reviews).

A Gift for Nana Lane Smith, 2022-05-10 Two-time Caldecott Honor author/illustrator Lane Smith tells a whimsical story about a little rabbit searching for the best gift for someone very special. A thoughtful little Rabbit sets out to find the perfect gift for his Nana. He knows she will love anything he brings her but Rabbit wants this gift to be extra special. As he travels on his quest, Rabbit encounters an assortment of creatures—a crow, a smiling full moon, a stickler (whatever that is), a big fish, and a volcano. Each is certain they offer the best advice but nothing they suggest seems right for his Nana. It's not until Rabbit reaches the highest peak, that he finds exactly what he's been searching for. The award -winning illustrator of bestsellers including *Penguin Problems* and *Giraffe Problems*, brings originality and gentle humor to a story that parents and grandparents will be sharing with their children for years to come.

Last-Minute Knitted Gifts Joelle Hoverson, 2011-09-13 “Lovely gifts in luscious yarns . . . that will never go out of style” that can be completed in about 10 hours or—way—less (Planet Purl). Today's knitters are chic, smart-and busy. Although they love to knit and enjoy making gifts for family and friends, they're constantly faced with the challenge of finding enough time to actually finish what they've started. Last-Minute Knitted Gifts solves this problem. Joelle Hoverson, owner of Purl, the hip knitting supply store in downtown Manhattan, has designed more than 30 fun, fresh, beautiful patterns, most of which can be made in less than ten hours—some in as little as two! Known for her keen sense of color, Hoverson includes instructions for classic gifts like baby booties and bonnets, sweaters, and scarves, plus imaginative options like a cashmere tea cozy, a felted yoga mat bag, floor cushions, and a poncho—surely something for everyone on the gift list. And to make each present extra-special, Hoverson offers easy tips on how to incorporate knitting and other yarn embellishments into the gift wrap.

29 Gifts (EasyRead Super Large 20pt Edition) Cami Walker, 2009 At age thirty-five, Cami Walker was burdened by a battle with multiple sclerosis, a chronic neurological condition that made it difficult for her to walk, work, or enjoy her life. Seeking a remedy for her depression after being hospitalized, she received an uncommon prescription from an African medicine woman: give to others for 29 days. 29 Gifts is the insightful story of the author's life change as she embraces and reflects on the naturally reciprocal process of giving and receiving. Many of Walker's gifts were simple—a phone call, spare change, a Kleenex. Yet the acts were transformative. By day 29, not only had Walker's health and happiness improved, but she had created a worldwide giving movement. The book also includes personal essays from others whose lives changed for the better by giving, plus pages for the reader to record their own journey. More than a memoir, 29 Gifts offers inspiring lessons on how a

simple daily practice of altruism can dramatically alter your outlook on the world.

It is unique in that we see the impact of his choices that he is yet to see, and helps us understand the power of our own interpretations and communication.
