**A Short History of the Girl Next Door** Jared Reck,2017-09-26 Get your tissues ready for this unrequited love story that's equal parts hilarious and heartbreaking and will appeal to fans of Jennifer Niven, John Green, and Jesse Andrews. Seriously, how can you see a person nearly every day of your life and never think a thing of it, then all of a sudden, one day, it's different? You see that goofy grin a thousand times and just laugh. But goofy grin #1,001 nearly stops your heart? Right. That sounds like a bad movie already. Matt Wainwright is constantly sabotaged by the overdramatic movie director in his head. He can't tell his best friend, Tabby, how he really feels about her, he implodes on the JV basketball team, and the only place he feels normal is in Mr. Ellis's English class. If this were a movie, everything would work out perfectly. Tabby would discover that Matt's madly in love with her, be overcome with emotion, and would fall into his arms. Maybe in the rain. But that's not how it works. Matt watches Tabby get swept away by senior basketball star and all-around great guy Liam Branson. Losing Tabby to Branson is bad enough, but screwing up and losing her as a friend is even worse. After a tragic accident, Matt finds himself left on the sidelines, on the verge of spiraling out of control and losing everything that matters to him. From debut author Jared Reck comes a fiercely funny and heart-wrenching novel about love, longing, and what happens when life as you know it changes in an instant. "This story broke my heart and made me laugh and gave me hope—and really, what more can you ask of a book than that?" —Jennifer E. Smith, author of *Windfall* and *The Statistical Probability of Love at First Sight* "In the blink of an eye, *A Short History of the Girl Next Door* goes from hilarious to haunting to harrowing to heartbreaking to hopeful and back." —Jeff Zentner, award-winning author of *The Serpent King* and *Goodbye Days* Pair this with . . . Jeff Zentner's *Goodbye Days* or Adam Silvera's *History is All You Left Me*.—Booklist Recommend this to readers who enjoyed Steven Levenson's *Dear Evan Hansen*.--VOYA

*The Self-Supporting Life In Another World (Short Story, GL/Girls' Love, English)* isekai,2023-01-02 Category Fiction > GL (Girls' Love) Fiction > Short Story Fiction > Korean Fiction (Web Novel) Summary The protagonist is possessed by Artetsa, an aristocratic who is enchanted to have a large body. Hated by those around her, she moved to an unfamiliar place and opened a side dish shop with her culinary skills in the modern world. and Artetsa, who became popular with the villagers. A stray orphan girl appears in front of her, and their lives begin. A small girl suddenly appeared from somewhere, As if the girl had a story with her who runs a side dish shop. Sweet and warm, calm, a love story between two women. #western #fantasy #dimensionTravel #rebirth #jealousy #sweetAndLovely \* This short story of GL(Girls' Love) is translated from the original Korean short web-novel. (text only, no illustration) Tables Of Contents Title Page Body Content Copyright (42 pages in approx. print length) Preview Under the clear sky, Artessa muttered as she narrowed her eyes to the sunlight pouring down. It's good weather. Shall we take out the kimchi today and sell it? The sun was strong and the green lush. Spring was over, and summer was coming soon. Artessa clenched her fists tightly, and raised her spirits again today and made a loud voice towards the air. It was like the roar of an animal, and the birds on the trees scattered, busy running away from the sound. That giant girl is being weird today. Children running around behind Artessa were talking, and Artessa turned around. She ran up to them in an instant, raised her muscular arms, held a frightened boy, and shouted: This guy! What a peanut; you are so cute! Aww! Drop him! Today was a peaceful afternoon. Artessa played with the children in a friendly way and went to work afterwards with a dignified step. \*\*\* Artessa Violet was once beautiful enough to be compared to the flower of the empire, but she committed the crime of sinning and insulting men while playing with them. Due to a curse from a wizard, her appearance changed, though. The victim of her insults had resented her enough to hire the wizard. It was kind of a curse. Her delicate and slender face changed into an angular and tough impression; her slender figure changed to a mass of muscle; and her height increased, until she was a giant. Artessa was startled when she saw her hands the size of a pot lid and cried out, but it was hard to understand, just like the cry of a wild beast. She immediately shut her mouth. Artessa's life after that is not well known. She disappeared after being shocked by her own appearance. Artessa was a villain girl who seduced the male lead and trampled on the male master's innocence. Like this in print, it's cheap

even if you're punished! The main character of this story had been reading Artessa's story as one of fiction. However, she was now possessed by Artessa's body. She woke up the next morning and sighed, noticing that something strange had happened to her body, and she imagined the person who had also endured this in her head. She was confused the first time, and the second time the cursing came out in her thick voice. However, it may be because humans are animals of adaptation, or maybe it is because of their optimistic nature, but she was able to adapt to Artessa's body in an instant. First of all, as soon as her appearance changed, not everyone believed her to be Artessa. So, she swept up her seemingly expensive items, put them in a bag, and fled. Eventually, the village she arrived at was very peaceful, on land perfect for farming. The End Of The Daydream (Short Story, GL/Girls' Love, English) isekai,2023-01-02 Summary SeungYeon and YeChan are half-sisters who became sisters due to their parents' remarriage. YeChan, who has not developed social skills since childhood, does not even go to school and only chases after her half-sister, SeungYeon. SeungYeon also needs someone to lean on due to the betrayal of her best friend and the grief of losing her father. Like that, YeChan becomes a good match for her. However, YeChan's behavior becomes obsessed to the point where SeungYeon does not allow her to meet with anyone. SeungYeon tries to stay away from Ye-chan. It is a story of maturity and emotions, obsession, love-hatred, dependence, and privatization of emotions between half-sisters who grow in love for each and the other. A short piece that exudes the scent of a sweet cherry blossom. #modernSetting #school #jealousy #mistake #firstLove #hatredAndLove \* This short story of GL(Girls' Love) is translated from the original Korean short web-novel. (text only, no illustration) Tables Of Contents Title Page Body Content Copyright (49 pages in approx. print length) Preview SeungYeon sighed deeply as she watched the girl pacing in front of Haon High School again today. Here we go again. SeungYeon's face became dark. The short cut hair was messy, and she was always dressed in a hoodie and jeans. SeungYeon was overwhelmed with embarrassment. That short skinny girl didn't wash or eat properly. From the perspective of living in the same house and taking care of her, SeungYeon hoped that she would have a willingness to improve even a little or that her shy personality would change. She was a problem because she only tried to rely on SeungYeon for everything. SeungYeon's expressionless sister's face was creepy. Her pupils were dark, and her face looked lifeless. The eyes of the dead fish sparkled when they finally found SeungYeon. She laughed ecstatically like a beast in front of her prey, and SeungYeon bit her lips well. Contrary to her uncomfortable mind, SeungYeon spread her arms, and her sister's face, who ran and hugged her, looked very happy. \*\*\* The girl's name was YeChan. Lee YeChan. From the moment she met her stepsister, SeungYeon's name changed from Han, SeungYeon to Lee, SeungYeon. SeungYeon stared at her step-sister, YeChan. She was such a strange child. The thin face and unruly hair seemed to have been ruined by the mistake of scissors on its own. Her eyes were very dark and murky. She couldn't find any childlike cuteness. Nevertheless, SeungYeon was not disappointed. She was also misunderstood and ostracized as a child who made a bad friend at school. Rumors were fast among girls and her school life was simply a carnival of chaos. She needed a friend who wouldn't betray her because anyone would. She needed someone, even if that was the child with a problem. SeungYeon reached out to her sister, and she instinctively avoided it. It was just a cat-like move with alarm. When her sister hid behind her stepfather's back, SeungYeon introduced her with a smiling face once more. Your name is SeungYeon, YeChan. "... I'm four years older than you. Let's be close friends from now on. YeChan didn't hate her, smiling as warm as the sun. When I look back, was this the beginning of everything? Was it from then that I was swept away like a wave by a sweet and sugared sensation? Girls in Trouble Douglas Light,2011 A charming, heartwarming Christmas tale about the power of family, tradition, and love -- sure to delight fans of Debbie Macomber and Richard Paul Evans.In 1875, Owen Thomas, a poor Welsh coal miner, falls in love with a beautiful London actress, Jessica Lavery. He builds her a cottage in his village and enchants her with the promise of the holidays they'll share after they marry. According to his special Thomas family tradition, the Christmas tree must always be outside, where it can look up to God. Owen carves her an angel to go on top of their tree, with lavender eyes like hers, a token more meaningful to her than any engagement ring. When Jessica breaks off their romance, Owen, brokenhearted, wraps the angel in his mother's shawl and brings her to America. There, she looks down over five generations, witnessing peace and war, triumphs and tragedies, reminding all who see her that Christmas is the time when families and sweethearts can come together, laughter and goodwill can lighten even the heaviest burden, and magic fills the earth. This is a story of faith and love. And of the miracle that brought the angel home again.

**Enough As She Is** Rachel Simmons, 2018-02-27 “Is it wrong that I wanted to underline every single word in this book? Simmons brilliantly crystallizes contemporary girls’ dilemma: the way old expectations and new imperatives collide; how a narrow, virtually unattainable vision of ‘success’ comes at the expense of self-worth and well-being. *Enough As She Is* is a must-read.” —Peggy Orenstein, author of *Girls & Sex* From the New York Times bestselling author of *Odd Girl Out*, a deeply urgent book that gives adults the tools to help girls in high school and college reject “supergirl” pressure, overcome a toxic stress culture, and become resilient adults with healthy, happy, and fulfilling lives. For many girls today, the drive to achieve is fueled by brutal self-criticism and an acute fear of failure. Though young women have never been more successful—outpacing boys in GPAs and college enrollment—they have also never struggled more. On the surface, girls may seem exceptional, but in reality, they are anxious and overwhelmed, feeling that, no matter how hard they try, they will never be smart enough, successful enough, pretty enough, thin enough, popular enough, or sexy enough. Rachel Simmons has been researching young women for two decades, and her research plainly shows that girl competence does not equal girl confidence—nor does it equal happiness, resilience, or self-worth. Backed by vivid case studies, Simmons warns that we have raised a generation of young women so focused on achieving that they avoid healthy risks, overthink setbacks, and suffer from imposter syndrome, believing they are frauds. As they spend more time projecting an image of effortless perfection on social media, these girls are prone to withdraw from the essential relationships that offer solace and support and bolster self-esteem. Deeply empathetic and meticulously researched, *Enough As She Is* offers a clear understanding of this devastating problem and provides practical parenting advice—including teaching girls self-compassion as an alternative to self-criticism, how to manage overthinking, resist the constant urge to compare themselves to peers, take healthy risks, navigate toxic elements of social media, prioritize self-care, and seek support when they need it. *Enough As She Is* sounds an alarm to parents and educators, arguing that young women can do more than survive adolescence. They can thrive. *Enough As She Is* shows us how.

*The Silent Girl (with bonus short story Freaks)* Tess Gerritsen, 2011-07-05 NEW YORK TIMES BESTSELLER Rizzoli & Isles now a series on TNT In the murky shadows of Boston’s Chinatown lies a severed hand. On the tenement rooftop above is the corpse belonging to that hand, a red-haired woman dressed in black, her head nearly decapitated. Two strands of silver hair—not human—cling to her body. They are homicide cop Jane Rizzoli’s only clues, but they’re enough for her and medical examiner Maura Isles to make the startling discovery: that this violent death had a chilling prequel. Nineteen years earlier, a horrifying murder-suicide in a Chinatown restaurant left five people dead. One woman connected to that massacre is still alive—a mysterious martial arts master who is now the target of someone, or something, deeply and relentlessly evil. Cracking a crime with bone-chilling echoes of an ancient Chinese legend, Rizzoli and Isles must outwit an unseen enemy with centuries of cunning—and a swift, avenging blade. Don’t miss Tess Gerritsen’s short story “Freaks” in the back of the eBook.
