Go Ahead & Like It Jacqueline Suskin,2015-04-28 An artistic, smart self-help book that prompts and inspires readers to write lists of things they like--a simple yet profound way to collect and remember the good in daily life. This scrapbook-style art book is an invitation to write lists of things you like: small things that bring delight, intriguing things that excite, and meaningful things that make every day special. It's a how-to guide, writing prompt, model for self-discovery, and beautiful inspiration for daily gratitude, with poet Jacqueline Suskin's personal lists intertwined with photographs, illustrations, and instruction. It's a self-help book for people who might not be drawn to standard self-help, and it's creative thinking for people who might not identify themselves as creative thinkers (What does it mean to like something in today's digital age, anyways?). Above all, it presents a simple, dependable method to notice the good that's all around us--even in a traffic jam or waiting in line--so we can inhabit our world more fully and smile more in the process.

Go Ahead in the Rain Hanif Abdurraqib,2019-02-01 A New York Times Best Seller A February IndieNext Pick Named A Most Anticipated Book of 2019 by Buzzfeed, Nylon, The A. V. Club, CBC Books, and The Rumpus. And a Winter's Most Anticipated Book by Vanity Fair and The Week Starred Reviews: Kirkus and Booklist Warm, immediate and intensely personal.—New York Times How does one pay homage to A Tribe Called Quest? The seminal rap group brought jazz into the genre, resurrecting timeless rhythms to create masterpieces such as The Low End Theory and Midnight Marauders. Seventeen years after their last album, they resurrected themselves with an intense, socially conscious record, We Got It from Here . . . Thank You 4 Your Service, which arrived when fans needed it most, in the aftermath of the 2016 election. Poet and essayist Hanif Abdurraqib digs into the group's history and draws from his own experience to reflect on how its distinctive sound resonated among fans like himself. The result is as ambitious and genre-bending as the rap group itself. Abdurraqib traces the Tribe's creative career, from their early days as part of the Afrocentric rap collective known as the Native Tongues, through their first three classic albums, to their eventual breakup and long hiatus. Their work is placed in the context of the broader rap landscape of the 1990s, one upended by sampling laws that forced a reinvention in production methods, the East Coast-West Coast rivalry that threatened to destroy the genre, and some record labels' shift from focusing on groups to individual MCs. Throughout the narrative Abdurraqib connects the music and cultural history to their street-level impact. Whether he's remembering The Source magazine cover announcing the Tribe's 1998 breakup or writing personal letters to the group after bandmate Phife Dawg's death, Abdurraqib seeks the deeper truths of A Tribe Called Quest; truths that—like the low end, the bass—are not simply heard in the head, but felt in the chest.

Go Ahead! Barry S. Farah,2019-05-17 The objective of this book is to provide the framework to unleash a contagious customer success culture. Customer success is a mind-set. Mine developed from years of observation and passion. Throughout my life, I've started and run several companies. Some have been more successful than others, but I'm an entrepreneur at my core and love to add value for the customer.

The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The Go-Ahead Man Pastor Tyrone Johnson,2015-05-26 The go-ahead man must understand the purpose of a wife, and he must realize that marrying a woman does not make her a wife. The go-ahead man must also obey God and do as God have commanded him; this is why he needs a help meet. If the man is not doing what God has commanded him, he doesnt need a help meet: lets face it, men, we dont need help when we are not doing anything; he can do that all by himself. In a Christian marriage we must understand that God created the union of marriage and he knows what it takes to make it work. Every man has the ability to be a go-ahead man, all he needs is himself. What something is worth will be determined by what someone will give for it. Just like Christ gave himself for the church? The go-ahead man gives himself for the marriage. The man must understand that he is the head, not because he is smarter, stronger, or because he is a good provider: he is simply the head because thats what the Word of God said. The mans failure to function as the head is a lack of belief in Gods Word. As Christians we must realize who the real enemy is. One thing that the go-ahead man must get very skillful at, especially when relating to his wife, is recognizing when Satan comes into the conversation. Satans desire is to destroy the union of marriage. I believe the reason that destruction of the marriage is so high on Satans priority list is because Satan knows if he destroys the marriage then he can disrupt the church, and if the church is not in place, then he can win a community and finally a nation. But I thank God that Satans plan will not work because Jesus said in Mark 10:9, What therefore God hath joined together, let not man put asunder.

Go Ahead William M. Shelton,2022-08-12 Insight, challenge, and life application. This is a book for men to be rallied, raised up, and prepared to live in a culture where Christ is first and foremost, not a secondary consideration. This devotional is intended to be a quick but profound read for the man, husband, and father who prioritizes kingdom principles over culture in everything he does. It uses Scripture to speak to our daily existence, occupations, and ambitions. Real men understand and appreciate authority, and there is an authority over our lives that speaks louder than the sports analysts, newscasters, and social media gurus of our day: that authority is the Word of God. Refreshingly written with compassion, grace, and inspiration, this is a book that will speak to any man who wants more of Christ and wants Christ to have more of him. If that is you, pick up this book and start digesting the principles contained therein. Consider what is being said and admonish yourself first, then find another man to admonish. Men want to be inspired and really welcome the challenge when it is done with integrity and pure motivation. If there is a man in your life whom you sincerely care about, pick up this devotional for him, place it in his hands, and prayerfully await for change in his heart. God's Word will not return void; it is life and spirit. These pages contain the power to bring about scriptural principles into action. GO.AHEAD!

Go Ahead R. L. Tirschel,2007-09-01 The true story Go Ahead begins with the Dahlonaga Square shootout. People, today, are still shaking their heads as to how it ends. Snooks Brackett's black Ford rammed the back of Harold's van and spun him around in front of the First Federal Savings and Loan building. It was Sunday so the lot was empty. It was getting dark, no one else was around and so Harold smiled as Snooks Brackett's car followed him into the parking lot and blocked the only way out. Everyone stayed in their cars. Snooks Brackett, Archie Berry, and Doug Walker were taking their time strapping up' for the battle. Harold Anderson placed his World War II sniper rifle on the seat next to him and opened a fresh box of ammunition. He took a long .30-06 caliber cartridge with its pointed metal jacket and paused to feel the weight of it in the palm of his hand and then slid it in the breech. When 6'11 340 pound Doug Walker jumped out of Brackett's car, Harold drew in a deep breath and let it out slow. A bead of sweat ran down the side of his neck, He slid back the bolt to make sure the round was in the breech, gave a quick nod and slid the bolt back home. Harold squint his eyes and cocked his head slightly to one side as he saw everything moving in slow motion. He saw Archie Berry in the back seat aiming a pistol through the back side window. Snooks Brackett pulled out his nickel plated .38 and started to climb out from behind the driver's side. Doug Walker had already crossed the parking lot and was making his way around the side of Harold's car. Harold ran his hands down the pant legs of his fatigues to wipe the sweat from his palms, and then grabbing his rifle, he got out of the car and stepped up to face the moment.
