A Great Party Bryan Rafanelli,2019-09-24 In his debut book, acclaimed event designer Bryan Rafanelli shares his secrets for creating unforgettable parties. Voted one of the top wedding designers in the world by Vogue, Bryan Rafanelli has designed and produced some of the nation's most exclusive and high-profile events, including many for President Obama at the White House as well as Chelsea Clinton's wedding. In his first book, Rafanelli shares his philosophy for creating artful celebrations that convey beauty and elegance while telling a story unique to its hosts. From a seaside destination wedding to a stylish masquerade fete, Rafanelli's work is marked by stunning statements and clever everyday details. The book opens with key Rafanelli principles to hosting great celebrations, from considering a room's surfaces--the floor, walls, and ceiling--to how adding guests will change what you see. He shares his thoughts on the importance of enhancing what's already part of a space rather than obscuring it, as when he enclosed the gilded mirrors of the East Room in the White House in twelve-foot frames of fresh flowers for a state dinner under President Obama. Part two of the book explores dozens of events in greater detail. Rafanelli takes readers behind the scenes in sections such as Weddings, showcasing both the main event and the welcome and after parties; Charity Events, highlighting what makes one unique and successful; and the White House, featuring state dinners and holiday decor.

Party Time ; And, The New World Order Harold Pinter,1993 Born in London in 1930, Harold Pinter holds an undisputed place in the front ranks of contemporary playwrights. These two plays, Party Time and The New World Order, work in chilling tandem, each demonstrating the inevitable brutality that comes with a total conviction of right. Party Time is a terrifying portrait of the culpable indifference of a privileged class, of the cruelty engendered in its members by political disruption, and of their merciless extinction of dissent. At an elegant cocktail party, a stylish bourgeoisie discusses country clubs and summer homes, while below in the streets a sinister military presence protects them from the unmentionable horrors of poverty, vulgarity, squalor. In The New World Order, two interrogators harass a man whom they condemn for his questioning of received ideas, and whom we know only as threat to their closed vision of democracy.

Jennifer Arthur and All the Gone Alice Salerno,2014-11-20 When Jennifer Arthur gets an inter-galactic message from Nitty the Newfangler, she misinterprets its meaning, so Jenny and her marmalade cat Atta Girl find themselves without warning back on the White World. There is no one to meet them, but they are just in time to witness the brutal kidnap of Morgan the Wonderful Wandering Wohtt right from the path to Nitty Gritty’s front door, where Jenny and Atta had landed. When Nitty returns, she is shocked to hear about Morgan’s ill fate, but reveals that there are more tragedies on the surface of the planet; children have been disappearing from locked and barred homes and in various places right out from under their parents’ noses. She also discovers that the powerful alien Chrystal, an irreplaceable part of the Chrystal Gate, is also missing. There is no way, now, for Jenny and Atta to return home. With the help of the gallant Behrrn the Remember, a carved stoned pirate, a parrot named Marvin, a lost boy named Harrell (Rell to his friends) and a Molly Kahdel, an experienced guide, Jennifer and Atta join a group one of the groups dedicated to finding the lost children, Morgan the Wohtt, and the Chrystal necessary for their way back home. While with this company, she saves a toddler from falling into a VERY VERY VERY DEEP HOLE, only to fall into it herself. At the bottom, she realizes she has become invisible, unable to feel anything, or even to call for help. She floats to the surface, but is still unable to be seen, to be felt, or even to communicate in any way. Lonely and lost, she floats into one of several misty tunnels which try their hardest to trap her there...
