Dream Catcher Kelly Welk, 2019-01-09 From the Founder of Ciderpress Lane and Author of *Dinner Changes Everything*, Kelly Welk puts her experience of bringing her dreams to life into a guided journal to help you do the same. Your biggest dream is inside you right now. It is hidden within the what if ideas, late night conversations, and simple chats over coffee. It is patiently waiting for your heart to speak loud enough for you to hear it. But sometimes the noise of life drowns out our heart and our ideas are pushed to the side before they ever get our attention. So how do you hear what your heart is saying? How do you create space to find your dream? How do you allow it to become something bigger? It starts right here, so simple and quiet that you would never call it the beginning of a dream. It starts now, right where you are most comfortable. It starts today, in the middle of your everyday life. It's time to find your dream. It's time to create space to hear your heart. It's time to see your everyday life from a new perspective. Join the dream catcher community
