Grim Rising Amanda M. Lee, 2017-10-02 Aisling Grimlock should be happy. She's living with and engaged to the man of her dreams, her mother isn't eating people ... at least out in the open, her best friend is distracted by wedding details ... mostly, and there are zombies running around Detroit. Yeah, it's that last one that's driving her crazy ... especially because no one in her family believes her when she spouts the tall tale. Aisling Grimlock is a reaper in trouble. She's got big decisions in front of her and nonstop trouble chasing behind. The dead appear to be rising ... and they've got their eyes (and teeth, for that matter) trained on Aisling and her family. Even though the rest of the family thinks she's exaggerating - or even lying because she's looking for attention - they're determined to help before Aisling goes over the edge. It seems there might be a little something going on, and Aisling might have been right all along. You know what that means, right? Yes, she's doing her I'm right dance ... and then ducking for cover. It's going to take every Grimlock to fight this enemy, and even then, Aisling will be isolated in the end. The question is: Can she win the day or is she destined to join the creatures stalking her?

Grim Beginnings Amanda M. Lee, 2015-10-10 Aisling Grimlock never thought she'd join the family business. In fact, she was dead set against it. When an economic downturn causes her to lose her job, she's forced to go to desperate measures to earn a living. Aisling comes from a big family of grim reapers - no, you read that right. She's the youngest of five siblings - and the only girl - and the testosterone is going to hit the fan when the Grimlocks try to teach Aisling the ropes and keep her safe at the same time. Between rogue wraiths, murderous new acquaintances and gargoyles dropping from the sky, Aisling has her hands full. That's on top of four brothers (and one curmudgeonly father) who would die for her - while also killing for her - and a police officer who's desperate to learn the family secret. Follow Aisling as she delves into the mystery of her mother's death and a world she never wanted to explore - and yet might fit in all the same. This omnibus includes the first three books in the Aisling Grimlock mystery series: Grim Tidings, Grim Offerings and Grim Discovery.

Edge Chronicles: Midnight Over Sanctaphrax Paul Stewart, Chris Riddell, 2008-07-22 SANCTAPHRAX WILL BE destroyed by the energy of the Mother Storm. . . . Far over the Edge, the Mother Storm is brewing—a storm more terrifying than any seen in the lifetime of any Edgeland. Sweeping in from the open sky, it must strike the source of the Edgewater River to bring new energy to the land. But in its way is Sanctaphrax, a magnificent city built on a floating rock and tethered to the land by a massive chain. Only one person can save the Edgelands from certain disaster: Twig, the young sky pirate captain who dared to sail over the Edge—and returned with his memory shattered and his crew flung far and wide. But to recover his memory and take action, Twig must first find his lost crew. And this means a journey back into the Deepwoods, and beyond. . . . “As before, Stewart’s descriptions are brilliant; Riddell’s line drawings are exquisitely detailed and notably grotesque. . . . Altogether this series is so exceptional that if I had any chance of collecting, I’d bet good money on it still being in print a century from now. . . . When’s the next book coming?”—Interzone “Fabulously illustrated. . . .”—The Sunday Times “Richly inventive. . . .”—Literary Review

Grim Vows Amanda M. Lee, 2018-08-28 Weddings are supposed to be all about white veils, flowers and happily ever after. For Aisling Grimlock, she wants the ending ... but the journey isn't quite finished. Ever since her mother returned from the dead almost a year prior, Aisling has been riddled with doubts. Is Lily Grimlock a killer? What does she ultimately want? Does she have anyone's best interests at heart? All of those questions are about to be answered, although the person providing the information is one Aisling thought she would never see again. Another woman, another time, another mother. It's all coming together ... and the ultimate limit of Aisling's strength and fortitude is about to be tested. Cormack Grimlock is determined to give his daughter the wedding of her dreams. The four Grimlock brothers are determined to serve as protectors. And Griffin? He just wants a happy wife and to start a new life. There's only one thing standing in their way, one battle left to fight. The time is here. The Grimlocks are throwing down, and not everyone is going to make it out alive ... and happily ever after might ultimately be a dream.
