**Praetorean Guard** daniel storm,2010-03 The Commission over the Mafia's five crime families has soldiers and they are called the Praetorean Guard named after the fierce guards that protected the Emperors of Rome. What these soldiers do to protect the Commission, will send chills through even the most avid reader's spine.

**Army Support During the Hurricane Katrina Disaster** James A. Wombwell,2011 This is a print on demand edition of a hard to find publication. Hurricane Katrina, in Aug. 2005, was the costliest hurricane as well as one of the five deadliest storms in U.S. history. It caused extensive destruction along the Gulf coast from central Florida to Texas. Some 22,000 Active-Duty Army personnel assisted with relief-and-recovery operations in Mississippi and Louisiana. At the same time, all 50 states sent approx. 50,000 National Guard personnel to deal with the storm's aftermath. Because the media coverage of this disaster tended toward the sensational more than the analytical, many important stories remain to be told in a dispassionate manner. This study offers a dispassionate analysis of the Army's response to the natural disaster by providing a detailed account of the operations in Louisiana and Mississippi.

**Into the Storm** Tristram Korten,2019-06-04 "An intense, immersive deep dive into a wild, dangerous, and unknown world, written with the pace and appeal of a great thriller. This is nonfiction at its very best."—Lee Child The true story of two doomed ships and a daring search-and-rescue operation that shines a light on the elite Coast Guard swimmers trained for the most dangerous ocean missions With a new epilogue about a flight on a hurricane hunter In late September 2015, Hurricane Joaquin swept past the Bahamas and swallowed a pair of cargo vessels in its destructive path: El Faro, a 790-foot American behemoth with a crew of thirty-three, and the Minouche, a 230-foot freighter with a dozen sailors aboard. From the parallel stories of these ships and their final journeys, Tristram Korten weaves a remarkable tale of two veteran sea captains from very different worlds, the harrowing ordeals of their desperate crews, and the Coast Guard's extraordinary battle against a storm that defied prediction. When the Coast Guard received word from Captain Renelo Gelera that the Minouche was taking on water on the night of October 1, the servicemen on duty helicoptered through Joaquin to the sinking ship. Rescue swimmer Ben Cournia dropped into the sea—in the middle of a raging tropical cyclone, in the dark—and churned through the monstrous swells, loading survivors into a rescue basket dangling from the helicopter as its pilot struggled against the tempest. With pulsating narrative skill in the tradition of Sebastian Junger and Jon Krakauer, Korten recounts the heroic efforts by Cournia and his fellow guardsmen to haul the Minouche's crew to safety. Tragically, things would not go as well for Captain Michael Davidson and El Faro. Despite exhaustive searching by her would-be rescuers, the loss of the vessel became the largest U.S. maritime disaster in decades. As Korten narrates the ships' fates, with insights drawn from insider access to crew members, Coast Guard teams, and their families, he delivers a moving and propulsive story of men in peril, the international brotherhood of mariners, and the breathtaking power of nature. Praise for Into the Storm "The story [Tristram] Korten tells is impressively multifaceted, exploring everything from timely issues such as climate change to timeless themes such as man's struggle against the ocean's fury."—Miami New Times "Into the Storm is a triumph of reporting and you-are-there writing that becomes a deeper tale—with more implications about our own lives—with every chapter."—Robert Kurson, New York Times bestselling author of Shadow Divers

**Guard Against the Storm** Timothy Merritt,2017-09-14 During the aftermath and devastation of Hurricane Katrina, Brigadier General Douglas A. Pritt directed relief efforts in the infamous Lower Ninth Ward of New Orleans. From the unique and inside perspective of the general's aide-de-camp comes the story of the National Guard response to the greatest natural disaster in American history. In Guard Against the Storm, General Pritt demonstrates his remarkable leadership and success

during Hurricane Katrina and is subsequently selected to lead the massive and complex response to Hurricane Rita, the largest military operation on US soil since the Civil War. This story is about the struggles and triumphs of America's citizen-soldiers and it explores the true nature of joint local, state, and federal cooperation between civilian and military forces during times of severe crisis.

**The Perfect Storm: A True Story of Men Against the Sea** Sebastian Junger, 2009-06-02 A real-life thriller that leaves us with the taste of salt on our tongues and a terror of the deep.

### **Operation Desert Storm**, 1992

**Mobilizing for the Storm** U. S. Military, Department of Defense (DoD), National Guard, U. S. Government, 2018-04 The mobilization of the Army National Guard for Desert Shield came 40 years to the month after the last big mobilization of the Guard for the Korean War in 1950. Superficially, there were similarities between the outbreak of the two wars. Both occurred in distant countries that the average American would be hard-pressed to locate on a map, and both wars broke out after American diplomats delivered less than clear messages that the threatened nations would be protected by American arms should they be attacked. In both instances, greedy dictators gambled that the American president would not expend American lives for such marginal strategic goals. In both cases, the dictators were badly mistaken. But the parallels between the Korean War and Desert Shield/Desert Storm diverge quickly after that. The Army that achieved a Certain Victory during its Whirlwind War through Kuwait and Iraq was a completely different organization from the one that struggled to a stalemate in Korea 40 years earlier. The destruction of Task Force Smith revealed the hollowness of the post-World War II Army when it first encountered the North Koreans in the summer of 1950. The Army that deployed to Saudi Arabia in the summer of 1990 was arguably the most combat-ready peacetime fighting force in the nation's history. It was a confident, all-volunteer force that reflected in its realistic training and doctrine the hard-learned lessons of the Vietnam War, and had enjoyed unprecedented growth and modernization during the preceding decade. The incredible logistical success of deploying over 500,000 troops and their equipment in record time into an austere environment was only overshadowed by the mechanized blitz that reduced the Iraqi army from the fourth-largest army in the world to the second-largest army in Iraq in 100 hours. **From Shield to Storm** Charles Joseph Gross, 1997-10 The Persian Gulf Crisis (PGC) of 1990-91 was a pivotal episode for the Air National Guard (ANG). Driven by a total force policy and the robust defense budgets of the 1980s, the ANG had developed into a true force in reserve that demonstrated a high degree of professionalism. Contents: introduction (ANG aviators have participated in wars

and contingencies since 1916); leaning forward (the ANG pushed to be 'in the hunt' during the PGC); redefining the ANG (volunteerism is emphasized and tailored forces are packaged); validating the total force (ANG members performed well during the PGC). Photos.

**The Storm** Daniel Defoe, 2018-06-27 The Storm Daniel Defoe Brice Bannon served fifteen years in the Coast Guard, most recently as captain of the Deployable Operations Group, (DOG), the Coast Guard's version of the Army's Special Forces and Navy's Seals operations. When the command was decommissioned, rather than accept re-assignment, Bannon retired from the full-time Coast Guard. But, Bannon didn't leave the Coast Guard behind completely. He remains in the Reserves. Recruited by the Secretary of Homeland Security, he leads a small, secretive team of specially-trained, highly-skilled operatives capable of responding to and investigating specific, targeted threats against the homeland. Threats that cannot be effectively handled by standard operating means. Threats that call for a unique and often secret approach outside the normal channels of either Homeland Security or the Department of Defense. When not risking his life for the government, Bannon runs the Keel Haul, his bar in the resort town of Hampton Beach, on the New Hampshire seacoast. There, he also operates as a small town private investigator and tends to get himself in big trouble along with the help of his two best friends and teammates; Tarakesh Blades Sardana and CWO Skyjack McMurphy.
