Seria fácil guardar o anonimato, como inúmeras pessoas fazem quando passam por algo difícil e difícil de lidar, mas preferi a contramão do comportamento comum, expondo de maneira fidedigna minha experiência, com aval e consentimento do meu filho após sua exitosa recuperação. O tema, apesar de delicado, é extremamente atual. Estamos vivenciando o aumento significativo do número de casos de violência autoprovocada, que foram, inclusive, reconhecidos como problema de saúde pública pelo governo federal através da edição da Lei 13.819/19, que regulamentou a política nacional de prevenção da automutilação e do suicídio. Tenho a intenção de colaborar com o esclarecimento da população, em especial jovens, pais, responsáveis, escola, profissionais da saúde e todos aqueles que pensam não existir solução para evitar o autoextermínio.

A touching and tender story about the friendship between a small child in wheelchair, which speaks to the heart. Can a shell become a child’s best friend? This story, based on a real and true friendship, narrates how a little boy in a wheelchair met his best friend of all times, and how they never left each other’s side. A small snail in a shell loved being carried around in a small necklace. She loved how her owner discovered the world and she along with him. One day, she falls down in the sand a boy happens to find her and introduces her to his brother, Yago. How strange! Yago wasn’t able to talk, and he couldn’t walk either, because he was in a wheelchair. Yago’s family seem very fond of him, but how is it possible? Eager to communicate with Yago, the little snail finds a special language to feel whatever the boy is feeling: listening to his heartbeat. This insightful story will teach children to accept differences and deal with diversity. Read the first pages of Yago’s Heartbeat here:
