The Testimony of God's Guidance of My Life Barbara McNear,2023-09-15 About the Book The Bible tells us in the book of Proverbs 3:5-6 to trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths. After walking with God for some years and experiencing God's blessings in leading and guiding her from a young lady into an older woman, Barbara McNear felt that this book of her testimonies could be a blessing to others. In *The Testimony of God's Guidance of My Life*, Barbara McNear shares her experiences of seeking God for a husband in the late 60s when the Vietnam War was being fought, and many of the young men her age were killed in the war. In spite of that, McNear still prayed to God for a husband. She wanted to know by revelation when she met her God-given husband, that he would be the one she should marry. God has directed McNear as to which jobs to take over the years, and He will do the same for you. God is faithful and will guide you all the way. About the Author Barbara McNear was born and raised in West Hermondale, Missouri. She graduated from Washington High School in Caruthville, Missouri, and attended business school at O.I.C. Temple and Johnson Business Schools. McNear has been married to her husband, Andrew, for over 50 years. She has served as a pastor's wife for some 42 years and counting, and has served in the church for the past 54 years, beginning as a kindergarten Sunday school teacher. McNear later served as President of the Women's Department, Secretary Program Coordinator & Church Mother, also Coordinator for Women of Excellence Conference, and Volunteer Chaplain Committee Member. Sorry, Sorry, Sorry Marjorie Ingall,Susan McCarthy,2023-01-10 “I’m sorry, but Sorry, Sorry, Sorry means that you no longer have an excuse for delivering anything other than a pitch-perfect apology. Ingall and McCarthy break down thorny questions...with grace and humor.” —Peggy Orenstein, bestselling author of *Boys & Sex*, *Girls & Sex*, and *Cinderella Ate My Daughter* It’s a truth universally acknowledged that terrible apologies are the worst. We’ve all been on the receiving end, and oh, how they make us seethe. Horrible public apologies—excuse-laden, victim blame-y, weaselly statements—often go viral instantaneously, whether they’re from a celebrity, a politician, or a blogger. We all recognize bad apologies when we hear them. So why is it so hard to apologize well? How can we do better? How could they do better? Marjorie Ingall and Susan McCarthy show us the way. Drawing on a deep well of research in psychology, sociology, law, and medicine, they explain why a good apology is hard to find and why it doesn’t have to be. Alongside their six (and a half)-step formula for apologizing beautifully, Ingall and McCarthy also delve into how to respond to a bad apology; why corporations, celebrities, and governments seldom apologize well; how to teach children to apologize; how gender and race affect both apologies and forgiveness; and most of all, why good apologies are essential, powerful, and restorative. A good apology can do so many things—mend fences, heal wounds, and bring more harmony into ourselves and our society at large. With wit, deep introspection, and laugh-out-loud humor, Ingall and McCarthy’s guidance will help make the world a better place, one apology at a time.

Blind Sight Carol O'Connell, 2016-09-20 The extraordinary new Mallory novel from one of the most acclaimed crime writers in America. A blind child and a Catholic nun disappear from a city sidewalk in plain sight of onlookers. There, then gone—vanished in seconds. Those who witnessed the event still cannot believe it happened. It was all too real. Detective Kathy Mallory and the NYPD's Special Crimes Unit enter the investigation when the nun's body is found with three other corpses in varying stages of decomposition left on the lawn of Gracie Mansion, home to the mayor of New York City. Sister Michael was the last to die. The child, Jonah Quill, is still missing. Like Jonah, the police are blind. Unknown to them, he is with a stone killer, and though he has unexpected resources of his own, his would-be saviors have no suspect, no useful evidence, and no clue — except for Detective Mallory's suspicions of things not said and her penchant for getting to the truth beneath lies. Behind her back, the squad's name for her is Mallory the Machine, yet she has a dark understanding of what it is to be human. A child is waiting, time is running out, and atop her list of liars is the mayor himself...and a theory of the crimes in which no sane cop could believe.

Fires of Revolution III James R. Mccollam,2015-04-17 It is understood that the majority of Earth's populace entertain false religion. People acceptable and pleasing to God have always been a small minority. When that small minority loses their way and fails to represent truth but instead emits a false light, God in his mercy is forced to administer judgment. It is the hope of the author to awaken and set free the meek and innocent ones that are trapped and deceived by the so called Christian church today and all prisoners of every false religion that have an ear to hear and a heart to receive.

A Guidance Guide for Early Childhood Leaders Dan Gartrell,2020-09-15 In this follow-up to Guidance for Every Child, author Dan Gartrell, EdD, expands on the advice broached in that book—that children need guidance rather than discipline. Guidance is teaching for healthy emotional and social development. On a day-to-day basis as conflicts occur, guidance is teaching children to learn from their mistakes, rather than punishing them for the mistakes they make; helping children learn to solve their problems, rather than punishing children for having problems they cannot solve. In A Guidance Guide for Early Childhood Leaders, Dan explores secure relationships as the foundation for guidance and how to build them with children, families, and colleagues. He gives examples of how children's mistaken behavior (not misbehavior) can play out in the classroom and provides strategies on how early childhood professionals can help others to gain the emotional health they need to be socially responsive, and then support the social skills they need to build relationships and solve problems cooperatively.

The Hitchhiker's Guide to the Galaxy Radio Scripts Volume 2 Douglas Adams,2012-07-26 Twenty-five years after the original radio series of The Hitchhiker's Guide to the Galaxy exploded into the public consciousness, the further exploits of its bewildered hero Arthur Dent were finally adapted for radio by Dirk Maggs, in part using drafts written by Douglas Adams before his death. The resulting fourteen completely new episodes were produced by Above the Title Productions and broadcast on BBC Radio 4, with nearly all of the original cast reunited for recording. These scripts brilliantly bring to life the last three books in Adams' perennially popular Hitchhiker series: Life, the Universe and Everything; So Long, and Thanks for All the Fish; and Mostly Harmless. Dirk Maggs supplies notes which highlight original Adams material and explain how the cast, special effects and music were directed. The scripts are introduced by Simon Jones, who played Arthur Dent in both the original and the recent radio series, as well as in The Hitchhiker's Guide to the Galaxy television series. Douglas Adams first conceived The Hitchhiker's Guide to the Galaxy for radio and it is an honour to his memory that all five Hitchhiker novels have now been adapted for this medium. These scripts exemplify the freshness of perspective, humour and perspicacity that epitomize the work of Douglas Adams. They will be loved by fans and those new to Hitchhiker's alike.
