Tara Ariano,Adam Sternbergh

*The Lonely Guy and The Slightly Older Guy* Bruce Jay Friedman,2007-12-01 The New York Times–bestselling author finds the pulse of the aging American male in two ingeniously funny novels. “I just laughed myself sick” (Neil Simon). Two classic works of comic self-help fiction by “one of the funniest writers in America” available together for the first time in a single ebook edition (John Gregory Dunne). With its “sparkling . . . winsome and true” look at the single male in America—from his sad new apartment furnishings to his career struggles to the mystifying dating world—Bruce Jay Friedman’s *The Lonely Guy’s Book of Life* was as cringingly relatable to both men and women when it was first published in 1978 as is today (The New York Times Book Review). The inspiration for Steve Martin’s classic cult film comedy, *The Lonely Guy*, it was hailed as “the funniest book of this year, or most any other. You don’t close this book. You just start reading it again immediately. I loved every page—and laughed out loud on most of them” (Dan Jenkins, author of *Semi-Tough* and *Dead Solid Perfect*). Twenty years later, Friedman returned to the subject with *The Slightly Older Guy*, finding his quarry no longer alone, maybe a little less lonely, not so young anymore, faltering at fashion, pondering a new career, but just as resiliently witty. Featuring a new afterword, *The Considerably Older Guy* offers advice on such topics as divorce, grandchildren, exercise, diet, and insomnia. “If you believe in reading, then when a book comes along by Friedman, you have to read it. It’s as simple as that” (The Washington Post Book World).

**Get the Guy** Matthew Hussey,2013-04-09 Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew’s male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew’s insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she’s been waiting for.

*Wise Guy* Guy Kawasaki,2019-02-26 Silicon Valley icon and bestselling author Guy Kawasaki shares the unlikely stories of his life and the lessons we can draw from them. Guy Kawasaki has been a fixture in the tech world since he was part of Apple's original Macintosh team in the 1980s. He's widely respected as a source of wisdom about entrepreneurship, venture capital, marketing, and business evangelism, which he's shared in bestselling books such as *The Art of the Start* and *Enchantment*. But before all that, he was just a middle-class kid in Hawaii, a grandson of Japanese immigrants, who loved football and got a C+ in 9th grade English. *Wise Guy*, his most personal book, is about his surprising journey. It's not a traditional memoir but a series of vignettes. He toyed with calling it *Miso Soup for the Soul*, because these stories (like those in the *Chicken Soup* series) reflect a wide range of experiences that have enlightened and inspired him. For instance, you'll follow Guy as he . . . • Gets his first real job in the jewelry business--which turned out to be surprisingly useful training for the tech world. • Disparages one of Apple's potential partners in front of that company's CEO, at the sneaky instigation of Steve Jobs. • Blows up his Apple career with a single sentence, after Jobs withholds a pre-release copy of the Think Different ad campaign: That's okay, Steve, I don't trust you either. • Reevaluates his self-importance after being mistaken for Jackie Chan by four young women. • Takes up surfing at age 62--which teaches him that you can discover a new passion at any age, but younger is easier! Guy covers everything from moral values to business skills to parenting. As he writes, I hope my stories help you live a more joyous, productive, and meaningful life. If *Wise Guy* succeeds at this, then that's the best story of all.

*Guy Stuff* Cara Natterson,2017-08-08 A real pediatrician and the author of the bestselling *Care & Keeping of You* series provides tips, how-tos, and facts about boys' changing bodies that will help them take care of themselves. Full color.

**Think Like a Guy** Giuliana Depandi,2006-06-27 How are you going to snag one if you don't know how to....Think Like a Guy? E! News anchor Giuliana DePandi knows that if you want a little piece of his heart, you're going to have to learn to get into his head--and she shares her knowledge as an on-the-town dater in L.A. into this funny but oh-so-practical and effective volume. DePandi knows what it's like out there, and has done extensive field work to learn what turns guys off...and on. Here's a pop quiz: Should you ...mention your mom on a first date? ...cook a guy breakfast after your first sleepover at his place? ...pick at your food when he takes you to dinner? ...tell him how many lovers you've had before he came along? ...leave him long voicemails if you can't reach him on the phone? The resounding answer to all the questions above, according to DePandi, is: NO! You should, in fact, be busy and breezy, offer to pay for dinner, leave short voicemails (and none at all if you don't have anything concrete to say), stay well-dressed and -groomed, and make your guy feel like he's the first to introduce you to anything kinky in bed. *Think Like a Guy* is a hard-headed practical book for women who acknowledge that men and women simply think differently.

To be honest, she has more important things to do like putting bad guys behind bars. But with her brother's wedding right around the corner, she suddenly needs a date and fast. Lucky for Bridget, the legal intern is almost done with his program. Matt Kido is dumbstruck by Bridget—total love at first sight—but there's one problem. She's totally off-limits while she's his boss. But the moment he no longer reports to her, Matt decides to take a chance. An impulsive decision takes them to Las Vegas where, as the saying goes, what happens in Vegas, stays in Vegas. Unless you put a ring on it.

**Regular Guy** Sarah Weeks,2009-10-20 Guy is convinced that the man and woman with whom he has lived all his life cannot possibly be what they claim to be--his parents. They're too weird! Would anyone else's mother tie-dye every pair of underwear in the house? Would anyone else's father perform the famous oyster trick by sucking an oyster up his nose with a horrible noise and spitting it out of his mouth--in a restaurant? No--except maybe the parents of the weirdest, craziest, most unappealing kid in Guy's whole class, Bob-o. But Bob-o's parents are as normal as parents come--just like Guy. This gives Guy food for thought, especially when he finds out that he and Bob-o have the same birthday, and were born in the same hospital! Guy and his best friend Buzz are determined to find out the truth about what really took place the day Guy and Bob-o were born. Readers will delight in Weeks's humorous yet sensitive handling of this classic adolescent phase--the search for identity. 00-01 Texas Bluebonnet Award Masterlist
