The Thirteen Hallows Michael Scott, Colette Freedman, 2012-11-27 Armed only with a sword, young Sarah Miller must stay alive long enough to somehow stop a criminal mastermind from completing his apocalyptic plan.

All Hallows Christopher Golden, 2023-01-24 New York Times bestselling, Bram Stoker Award-winning author Christopher Golden is best known for his supernatural thrillers set in deadly, distant locales...but in this suburban Halloween drama, Golden brings the horror home. It's Halloween night, 1984, in Coventry, Massachusetts, and two families are unraveling. Up and down the street, secrets are being revealed, and all the while, mixed in with the trick-or-treaters of all ages, four children who do not belong are walking door to door, merging with the kids of Parmenter Road. Children in vintage costumes with faded, eerie makeup. They seem terrified, and beg the neighborhood kids to hide them away, to keep them safe from The Cunning Man. There's a small clearing in the woods now that was never there before, and a blackthorn tree that doesn't belong at all. These odd children claim that The Cunning Man is coming for them...and they want the local kids to protect them. But with families falling apart and the neighborhood splintered by bitterness, who will save the children of Parmenter Road? All Hallows. The one night when everything is a mask...

All Hallows Possession T. K. Wrathbone, 2019-10-24 The students of Randolph High are on a Halloween night excursion to All Hallows, a small town in the middle of nowhere, as part of their studies. As they learn the history of the town they find out someone is making that history come to life. As in a real-life headless horseman who may or may not be Jebadiah Jacobus Hallows, the town's forefather and creator, who comes bolting down the road on his jet black, smoke snorting, red-eye-flaring steed, and holding a head in his hand which may or may not be his own. And that's not the only thing that frightens the students. A satanic symbol keeps popping up everywhere, there's a ghoulishly twisted tree with a dead man hanging from it, and a curse that has the whole town under its spell. Can the teens figure out who's reliving the three-hundred-year-old curse and break it before anything else happens? Like their untimely deaths?

All Hallows Eve Charles Williams, 2016-02-14 All Hallows' Eve is the story of a man and woman whose love was so great it could bridge the gap of death; of evil so terrible as to be unmentionable, of a vision so beautiful it must be true. Opens with a discussion between the ghosts of two dead women wandering about London. Ultimately explores the meaning of human suffering and empathy by dissolving the barrier between the living and the dead through both black magic and divine love. A young woman dies to discover a London that looks right out of Dante. A painter does a portrait of a minister and discovers he has painted beetles, and the minister thanks him for it! A magician sends someone to the future. All Hallows' Eve is an amazing book in that it explores both the question of 'what happens when you die?' as well as 'what is the relationship between the dead and the living?'. Charles Williams at his best.

Harry Potter J K Rowling,J. K. Rowling,Fantastic stories,2015-05-25 Following another deeply troubled year at Hogwarts, described in Harry Potter and the Half-Blood Prince, at the end of which Dumbledore is killed by the ever-deceptive Severus Snape, Harry begins the final volume of the series in hiding. When the spell that has kept him safe until his seventeenth birthday expires, he and his helpers are immediately attacked by Voldemort, suffering casualties. Unable to return to Hogwarts, Harry is forced to go on the run with Ron and Hermione, hunting desperately for the horcruxes that contain fragments of Voldemort's soul and thus maintain his invulnerability. The search for the horcruxes is complicated when Harry learns of the existence of another set of

magical objects-the deathly hallows-which might also be vital to the settlement of the final battle. Voldemort is unable to give his complete attention to the quest to kill Harry because he is searching for one of the hallows: an undefeatable wand. Uncertain as to whether to give priority to the remaining horcruxes or the hallows, Harry continues to evade death, albeit narrowly, until he is forced to return to Hogwarts in order to complete his search. The castle housing Hogwarts Academy then becomes the last fortress holding out against Voldemort's rise to power, subject to intensive siege and violent bombardment. The remnants of Dumbledore's Army and the Order of the Phoenix mount a heroic defense of Hogwarts in the attempt to win Harry enough time to finish his quest, suffering heavy casualties in the process. The conflict reaches the limit of desperation when it becomes evident that Harry harbors one of the fragments of Voldemort's soul in his own flesh. It appears that Harry cannot kill his enemy without sacrificing himself in the process, but that sacrifice might also make Voldemort invincible.
