*Handcrafted* Clint Harp,2019-09-10 A moving and inspirational memoir from the beloved maverick carpenter on HGTV’s smash hit Fixer Upper that shows how to turn your hobbies and craft into a career and celebrates the power of meaningful work. Now known to the countless fans of Fixer Upper as Chip and Joanna Gaines’s go-to table maker and acclaimed artisan, Clint Harp hasn’t always lived the DIY dream we see on the show. Ten years ago, he was dutifully working at a sales job that, while it provided security for his family, did nothing to help him achieve his unfulfilled dreams of building furniture. With the support of his wife, the encouragement of a mentor, and a life full of lessons, he finally took the leap, quitting his job and setting out on the quest to become a carpenter. Without formal training, financing, workspace, or customers, the Harps were quickly on the edge of financial collapse. Then Clint met Chip Gaines at a gas station—a chance encounter that marked the next chapter on a wild ride Clint could never have imagined possible. Spanning Clint’s remarkable journey—from a childhood learning carpentry and hard work at his grandfather’s knee, through his struggles to balance pursuing his dreams with supporting his family, to his partnership with Chip and Joanna Gaines and the many adventures and misadventures of filming Fixer Upper—Handcrafted is part memoir and part manual for dreamers of all backgrounds. “From the floor of his first shop to the foundations of Habitat for Humanity houses, to building furniture for the world to see, Clint Harp is living a handcrafted life” (President Jimmy Carter).

*Wild and Free Handcrafts* AFF Ainsley Arment,2020-03-24 The companion to The Call of the Wild + Free: styled in the lush aesthetic of the Wild + Free brand, a four-color book offering crafts, activities, and essays, that parents, educators, and caregivers can use to inspire their children. Wild + Free Handcrafts is a beautiful, four-color resource book for parents, educators, and caregivers to enjoy doing hands-on activities with kids. A handcraft engages one’s hands, requires a level of learned skill, encourages children to do their best work, and produces an end product that is useful. It has been used in homeschool settings for decades as one way to encourage them to work with their hands and discover a skillful craft they love to practice. It also is a great way for traditionally educated kids who are home for the summer, or in afterschool programs, or with their families on the weekends, to do fun activities that will stimulate their imaginations and creativity. This book will feature crafts such as: Felted acorns Paper beads Nature wreaths Cocoa mint lip balm Woven willow hearts Finger knit bracelets Eco-dyed kitchen towels Fairy tale treehouse Flower crowns Bug hotel With the same lush photography as The Call of the Wild + Free, this book includes step-by-step pictures that show parents how to do the craft, and essays on the usefulness and purpose of handcrafts as a tool to spark children’s curiosity and wonder.
