**Handle with Care** Jodi Picoult,2022-02-22 Every expectant parent insists the same thing: they simply want a healthy baby. Charlotte and Sean O'Keefe wanted the same but instead, their lives are made up of sleepless nights, mounting bills, pity from other parents, and haunting what-ifs. Yet, in other ways, their daughter Willow is a perfect child. Smart as a whip, beautiful, brave, and kind, Willow is Willow, in sickness and in health. Everything changes, though, after a series of events forces Charlotte and Sean to confront the most serious what-ifs of all. What if Charlotte had known earlier of Willow's illness? What if things could have been different? What if their beloved Willow had never been born? To do Willow justice, Charlotte must ask herself these questions and one more: what constitutes a valuable life?--from amazon.com

**Handle with Care** Lore Ferguson Wilbert,2020-02-04 Whether it's fearful side hugs on one side or sexual abuse on the other, both the culture and the church aren't doing very well with touch. Singles are staying single longer, dating is wrought with angst over purity, and marriages struggle to not interpret all forms of touch as sexual. Even the Bible seems to have endless rules about not touching things. There is simply no place where touch doesn't seem threatened or threatening. But a curious thing happens when Jesus comes into His ministry: He touches. Jesus touches the sick and the outcast, the bleeding and the unclean. What could it mean for families, singles, marriages, churches, communities, and the world to have healthy, pure, faithful, ministering touch? Somewhere in the mess of our assumptions and fears about touch, there is something beautiful and good and God-given. As Jesus can show us, there is ministry in touching.

**She's Got Handle** Adam Zagoria,2001 She's Got Handle engagingly demonstrates what happens when a determined inner-city girl -- supported by a dedicated, hardworking family -- sidesteps the land mines of poverty, drug use, violent crime, and teenage pregnancy to pursue her dream of playing Division I basketball. She's Got Handle examines women's basketball at a critical juncture in history, when it can either mimic the mistakes of the men's game or pursue a more compassionate path. Nicole Loudon is a determined, dedicated, intelligent, young African American woman with a powerful desire to succeed. Her story is as inspirational and hard driving as a full-court press.

**Handle With Care and Other Stories** Ann MacLaren,2018-10-23 Rose wants a baby, but she's too old. Adam's musical career is on the line. Newly widowed Evie wonders if it's time to move on. Twelve-year-old Lizzie has to deal with her father's heart attack. Mariella can't stop worrying. Archie is hoping to make a success of his third marriage. And Sammy has to cope with a bad case of indigestion. Each of the principal characters in this collection has a problem or predicament to which there isn't always an easy solution. If there is a solution... Disquieting, humorous and thought-provoking, these character-driven stories show the often extraordinary and unexpected ways in which their protagonists deal with the fragile moments in their lives. Readers who enjoy sympathetic and insightful short stories about human nature, as well as entertaining slices of daily life, will enjoy this book.

**Hard To Handle** Lori Foster,2008-02-05 Sometimes Fate delivers a left hook. After

Fate deals Supreme Battle Challenge (SBC) fighter Harley Handleman a sucker punch, his uncle secretly hires a pretty lifecoach to get Harley back in the ring of life. Anastasia Kelley has actually known Harley for years, but never as well as she's going to now. Hot for his fighter's form, she has trouble keeping it professional, especially since Harley doesn't know she was hired. And when Anastasia turns the tables on him, it's as if he's been hit below the belt. But that's also where is uncontrollable lust for her burns.

*The Storied Church* Matthew Gorkos, 2021-09-07 Matthew Gorkos begins *The Storied Church* with this compelling statement: I believe in the church--in the power of faithful people serving a good and gracious God--and I believe in the power of a good story. Moreover, I believe, as this book will argue, that church and story--harnessed together--could be an even more powerful force for goodness in our world. Neuroscientists, anthropologists, archeologists, and psychologists all agree. Story is how our brains and our communities make sense of things. Storytelling helps us cope with change and loss. Storytelling helps us transmit lessons and life-skills to the next generation. As human beings, it seems we can't do without story. This book--indeed, this whole idea of story-centered church renewal--was born of a suspicion that the restorative, transformative, life-giving function that stories have for us as individuals may serve communities of faithful people as well. If stories help us survive as human creatures, why can't they help churches survive? The problem that story-centered renewal seeks to remedy has only become more prevalent and urgent in the age of Covid-19. Our churches need hope now more than ever. Writing from a pastor's perspective, Gorkos hopes to encourage and empower other pastors and lay leaders with both the hope and the tools they need to effect revitalizing change in their faith communities. Each chapter includes questions for reflection to help readers listen to and tell the stories that will lead to renewal and transformation.

**The Story of Jessie Handle** Cheryl Carolyn Tonsil - RMA, CNA-PCA, 2017-05-05 *The Story of Jessie Handle* by Cheryl Carolyn Tonsil - RMA, CNA, PCA Our world has unexpectedly stumbled upon the brink of its own collapse. Not by war, disease, or any catastrophic event, but by one man, rising up from the dishevel of his own madness. By one man, thought to be responsible for the murder of millions of Americans. One man, with a Gift, a Power, of doing considerable harm to the world's population. One man, known worldwide as the Shining King, coming to bring his endless reign of death upon the earth's inhabitants. For some, this man is the antichrist, the devil's incarnate. For many, he's their messiah, come to free the world from the fallacies of a flawed society. But, to just a few, he's simply known as Jessie. *The Story of Jessie Handle* is both a gripping narrative as well as an investigation into the claims of the world's religions that will leave readers with much to consider.

**Born a Crime** Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother

set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

**Handling the Undead** John Ajvide Lindqvist, 2010-09-28 In his new novel, John Ajvide Lindqvist does for zombies what his previous novel, *Let the Right One In*, did for vampires. Across Stockholm the power grid has gone crazy. In the morgue and in cemeteries, the recently deceased are waking up. One grandfather is alight with hope that his grandson will be returned, but one husband is aghast at what his adored wife has become. A horror novel that transcends its genre by showing what the return of the dead might really mean to those who loved them.

*Handle With Care* Helena Hunting, 2019-08-27 New York Times bestselling author of *SHACKING UP* and *I FLIPPING LOVE YOU* Helena Hunting mixes humor and heart in this scandal-filled romantic comedy. *HE WANTS TO LOSE CONTROL*. Between his parents' messed up marriage and his narcissistic younger brother, Lincoln Moorehead has spent the majority of his life avoiding his family. After the death of his father, Lincoln finds himself in the middle of the drama. To top it all off, he's been named CEO of Moorehead Media, much to his brother's chagrin. But Lincoln's bad attitude softens when he meets the no-nonsense, gorgeous woman who has been given the task of transforming him from the gruff, wilderness guy to a suave businessman *SHE'S TRYING TO HOLD IT TOGETHER*. Wren Sterling has been working double time to keep the indiscretions at Moorehead Media at bay, so when she's presented with a new contract, with new responsibilities and additional incentives, she agrees. Working with the reclusive oldest son of a ridiculously entitled family is worth the hassle if it means she's that much closer to pursuing her own dreams. What Wren doesn't expect is to find herself attracted to him, or for it to be mutual. And she certainly doesn't expect to fall for Lincoln. But when a shocking new Moorehead scandal comes to light, she's forced to choose between her own family and the broody, cynical CEO.

**More Than "I" Can Handle: One Family's Story of Trusting God Through the Impossible** Eileen Mestas, 2013-02-01 More Than 'I' Can Handle poignantly tells the inspiring story of the Mestas family, Eileen and Jerry, and their three biological and five adopted children. Living an adoption journey filled with God's miracles and His mighty power, Eileen and her family have stepped out in faith, trusting God through the impossible. A public speaker, homeschool mom, and passionate Adoption and Orphan Care advocate, Eileen writes with an honest and conversational tone. You will laugh and cry as this amazing family follows the whispers of the Lord, faithfully obeying in joy and sorrow, and giving Him the glory. Filled with anecdotes and Scripture, this book assures us that when life seems more than we can handle on our own, our heavenly Father arms us with strength in the Holy Spirit to accomplish His will. The author speaks truth straight from the Word of God, and challenges the world to accept the command found in James 1:27. Eileen Mestas is blessed with her precious family and friends, and prays her story will awaken all who read it to the orphan crisis and the call of the Lord upon their lives.

*The Handle* Richard Stark, 2011-05-01 In *The Handle*, Parker is enlisted by the mob to knock off an island casino guarded by speedboats and heavies, forty miles from the Texas coast. With double-crosses and double-dealings from the word go, Parker knows the line between success and failure on this score would be exactly the length of the barrel of a .38.

Love Instigated Douglass Sherley, 2019-12-17 Love Instigated is an atmospheric love story that starts with the impression of the delicate umbrella handle, occasionally left on a heavy Damask-covered chair with thick arms. The impression of contrast between the tenderness of the umbrella handle and the heavy luxury of the interior started a train of dreams and emotions able to enchant every reader.

*Why Am I Anxious?* Clay Ballentine, 2010 'Just after I turned twenty years old, I was already nauseous in the mornings and large parts of the day. I had joint pain, could not sleep well, had almost uncontrollable sweating, shivering at times with cold feet, and sometimes really dry skin, and occasional nagging anger about very small things that I knew meant nothing. I went through thirty-one years of increasing symptoms and more and more denial before I would finally admit any of this to anyone, including myself. But even then, only at the cost of an incredibly traumatic and potentially fatal health emergency at the age of fifty-one. When you look up hardheaded in the dictionary, my picture is right there.' Clay Ballentine spent the first fifty-one years of his life fighting a battle against an unknown enemy: thyroid disease. From childhood, he noticed he was a bit different. His mind worked differently than his peers, he would sweat more and sleep less than others, and he was easily angered and constantly anxious. But Clay was unwilling and afraid to share this information with anyone, leading him to a silent struggle alone. Here, he shares a detailed account of his experience to help sufferers and friends and family of potential sufferers begin the process of understanding this often overlooked and greatly misunderstood disease. Learn the answer to Clay's ultimate question, Why Am I Anxious?, before any more time passes.
