Creating Handmade Books Alisa J. Golden,2000 Everyone has a story to tell--so make your own book to tell it with! From the scissors that snip the pages to the glues and stitches and ties that bind them; from elaborate compound structures with pockets to multiple signatures in a thick, sewn volume, here are the techniques you need and the styles you want. Cut and fold pages in a simple accordion, or hide a second book inside. Create pop-ups, fan, and slot-and-tab books. Construct handscrolls and hanging ones, soft- and hardcovers, even portfolios and boxes. Hundreds of illustrations and diagrams will guide you, and dozens of striking pictures will seize your imagination! The author lives in Berkeley, CA. 128 pages (all in color), 8 1/2 x 10. It is to be challenged, to be awakened, to be gripped and shaken to the core by the extraordinary which lies at the heart of the ordinary. Above all, to live an enchanted life is to fall in love with the world all over again.' The enchanted life has nothing to do with escapism or magical thinking: it is founded on a vivid sense of belonging to a rich and many-layered world. It is creative, intuitive, imaginative. It thrives on work that has heart and meaning. It loves wild things, but returns to an enchanted home and garden. It respects the instinctive knowledge, ethical living and playfulness, and relishes story and art. Taking the inspiration and wisdom that can be derived from myth, fairy tales and folk culture, this book offers a set of practical and grounded tools for reclaiming enchantment in our lives, giving us a greater sense of meaning and of belonging to the world.
