Senbazuru Michael James Wong,2021-10-19 Fold your way to happiness through the inspiring philosophy of Senbazuru—the tradition of folding one thousand paper cranes—with a leading voice in the global mindfulness movement as your guide. In Japan, the paper crane is a symbol of peace, hope, and healing. It is considered the bird of happiness, a mystical and majestic creature that according to myth can live for a thousand years. Tradition has it that if a person were to fold one thousand paper cranes in a single year, they would be gifted one special wish that would grant long life, healing from illness or injury, and eternal happiness. The tradition of folding one thousand paper cranes is called Senbazuru (sen meaning one thousand and orizuru meaning paper crane). In this book, renowned yoga and meditation teacher Michael James Wong brings Senbazuru to life as an inspiring philosophy that encourages slowing down and taking many small steps on our own personal path. This is a book of small steps and gentle wisdoms to heal your soul and help you find your own path to happiness. FOR READERS OF: Ikigai and Dot Journaling, and fans of mindful craft like coloring books and puzzles. ORIGAMI IS THE NEW MINDFUL CRAFT: Fans of coloring books and puzzles will flock to this trend for its ease, versatility, and affordability. FOR FANS OF JAPANESE CULTURE: This will appeal to readers of books like Ikigai and A Little Book of Japanese Contentments. EXPERT AUTHOR: Wong is the founder of Just Breathe, an organization focused on bringing mindfulness into the real world. He hosts events; speaks regularly in the UK, Australia, and California; and partners with brands like Rituals and international festivals like Wanderlust. He has nearly 40,000 followers on Instagram, and his work has been featured in The Telegraph, BBC Radio, Mind Body Green, Women's Health, Men's Health, Yahoo! News, Well + Good, and more. CHARITY PROJECT: Through Michael's charity partnership, Cranes of Hope, his corporate sponsors will donate £1 to a COVID relief fund for everyone who makes and sends in a paper crane. The cranes are going to be built into an amazing installation in St. Paul's Cathedral in London, where an event will be held to mourn those lost to COVID and bring hope for the future. Details on U.S. events to come. A PRACTICE OF PATIENCE FOR HEALING AND WELLNESS: As we've had to take a step back from socializing and cancel plans during the pandemic, we have all been reminded of

what it means to really slow down. The origami practice is not, like most things today, a work of self-gratification but rather a work of patience and discovery. Wong's origami technique forces readers to breathe deeply and slow down, soothing the mind and soul. Perfect for: enthusiasts of mindfulness, wellness, yoga, origami; coloring book / puzzle aficionados; parents Digital audio edition introduction read by the author.

In-gratitude and Other Poems Neville Symington,2018-03-21 'Where does the creative act come from? No one knows. All the rash of literature in recent times from artists, scientists and theologians on the subject of consciousness finds its origin in this puzzle.Creating what has happened to one into an art form has one effect: it dissolves the barrier between the present and the past. The past is constantly stimulated into life by present experiencesparticularly when listening to someone else relating their experiences. It brings me then into a close sharing of experience with the other. Analytic theories are substitutes for these personal experiences.So these poems are a few casual glimpses when the spirit has risen to the challenge. They are not a big offering but they mean a lot to me. The most important of these is the long poem IN-GRATITUDE which comes first.
