How Harry Cast His Spell John Granger,2009-12-31 More than any other book of the last fifty years (and perhaps ever), the Harry Potter novels have captured the imagination of children and adults around the world. Yet no one has ever been able to unlock the secret of Harry's wild popularity . . . until now. Updated and expanded since its original publication as *Looking for God in Harry Potter* (and now containing final conclusions based on the entire series), *How Harry Cast His Spell* explains why the books meet our longing to experience the truths of life, love, and death; help us better understand life and our role in the universe; and encourage us to discover and develop our own gifts and abilities.

Meghan and Harry Lady Colin Campbell,2024-04-16 ****A Wall Street Journal bestseller**** An updated edition of this blockbuster narrative provides the first behind-the-scenes, authoritative account of the Duke and Duchess of Sussex's marriage, by the New York Times bestselling author of *Diana in Private*. The fall from popular grace of Prince Harry, the previously adulated brother of the heir to the British throne, as a consequence of his marriage to the beautiful and dynamic Hollywood actress and *Suits* star Meghan Markle, makes for fascinating reading in this groundbreaking book from Lady Colin Campbell, who is the New York Times bestselling biographer of books on Princess Diana, the Queen Mother, and Queen Elizabeth's marriage. With a unique breadth of insight, Lady Colin Campbell goes behind the scenes, speaking to friends, relations, courtiers, and colleagues on both sides of the Atlantic to reveal the most unexpected royal story since King Edward VIII's abdication. She highlights the dilemmas involved and the issues that lurk beneath the surface, revealing why the couple decided to step down as senior royals. She analyses the implications of the actions of a young and ambitious Duke and Duchess of Sussex, in love with each other and with the empowering lure of fame and fortune, and leads the reader through the maze of contradictions Meghan and Harry have created—while also evoking the Californian culture that has influenced the couple's conduct. *Meghan and Harry: The Real Story* exposes how the royal couple tried and failed to change the royal system—by adapting it to their own needs and ambitions—and, upon failing, how they decided to create a new system—and life—for themselves.

A kind of invisible fabric which enables communications through space and time? Artist Harry Dodge finds himself contemplating such questions as his father declines from dementia and he rekindles a bewildering but powerful relationship with his birth mother. A meteorite Dodge orders on eBay becomes a mysterious catalyst for a reckoning with the vital forces of matter, the nature of consciousness, and the bafflements of belonging. Structured around a series of formative, formidable coincidences in Dodge's life, *My Meteorite* journeys with stylistic bravura from Barthes to Blade Runner, from punk to Pale Fire. It is a wild, incandescent book that creates a literary universe of its own.
