### **Tattered Tom, Or, The Story of a Street Arab**

Horatio Alger, 1871 A young girl named Tom runs away from her abusive guardian and finds out important information her origins.

**True Stories of History and Biography** Nathaniel Hawthorne, 2020-03-16 True Stories of History and Biography is a history –themed novel on various personalities of American and European history, aimed at young readers. In writing this ponderous tome, the author's desire has been to describe the eminent characters and remarkable events of their annals, in such a form and style, that the young might make acquaintance with them of their own accord. For this purpose, while ostensibly relating the adventures of a Chair, he has endeavored to keep a distinct and unbroken thread of authentic history. The Chair is made to pass from one to another of those personages, of whom he thought it most desirable for the young reader to have vivid and familiar ideas, and whose lives and actions would best enable him to give picturesque sketches of the times. On its sturdy oaken legs, it trudges diligently from one scene to another, and seems always to thrust itself in the way, with most benign complacency, whenever a historical personage happens to be looking round for a seat...

### **All He Knew: A Story** John Habberton, 2020-09-28

Sam Kimper hurried through a new street, sparsely settled, crossed a large vacant lot, tramped over the grounds of an unused foundry, and finally went through a vacancy in a fence on which there were only enough boards to show what the original plan

had been. A heap of ashes, a dilapidated chicken-coop, and a forest of tall dingy weeds were the principal contents of the garden, which had for background a small unpainted house in which were several windows which had been repaired with old hats and masses of newspaper. As he neared the house he saw in a cove in the weeds a barrel lying on its side, and seated in the mouth of the barrel was a child with a thin, sallow, dirty, precocious face and with a cat in her arms. The child stared at the intruder, who stopped and pushed his hat to the back of his head.

Dogfight Michael Knight, 2007 Ten stories cut like gems from American family life . . . [with] a gracious patina and a drawl of violence. --Los Angeles Times A writer of the first rank. . . . [Knight] writes gently and with great gobs of empathy. --Esquire Wonderfully humane. --Playboy A Los Angeles Times Notable Book, Michael Knight's stunning debut delivers ten tales of ordinary people seized by extraordinary circumstances as their attempts at human connection result in frustrating false starts and ruinous misunderstandings. Knight expertly unveils fragile family ties, secret compulsions, and the nagging doggedness of love as he taps into our collective human experience to remind us, with unerring, piercing insight, of what it means to be alive. By turns unpredictable and wise, sorrowful and triumphant, *Dogfight and Other Stories* reveals the transformative power of life's small struggles.

Sixes and Sevens O. Henry, 1911 *Sixes and Sevens* presents 25 classic short stories by master storyteller O. Henry. The short pieces display his usual characteristics of wit and twists but also are notable for their graceful language, optimistic worldview, and warm characterizations.

*The Pocket Book of O. Henry Stories* Olivier Henry, 1984-11

**The Withered Arm and Other Stories** Thomas Hardy, 1999-11-01 So Rhoda Brook, the abandoned mistress of Farmer Lodge, is jealous to discover details of his new bride in 'The Withered Arm', the title story in this selection of Hardy's finest short stories. Hardy's first story, 'Destiny and a Blue Cloak' was written fresh from the success of *Far From the Madding Crowd*. Beautiful in their own right, these stories are also testing-grounds for the novels in their controversial sexual politics, their refusal of romance structures, and their elegiac pursuit of

past, lost loves. Several of the stories in *The Withered Arm* were collected to form the famous volume, *Wessex Tales* (1888), the first time Hardy denoted 'Wessex' to describe his fictional world. *The Withered Arm* is the first of a new two-volume selection of Hardy's short stories, edited with an introduction and notes by Kristin Brady.

**The Collector of Names** Patrick Hicks, 2015-02-01  
In his debut short story collection, poet and novelist Patrick Hicks reminds us of one such constant in all our lives—death. In these stories, most of which are set firmly in the heart of the country, the characters, all solid, well-meaning, hardworking people, are beset by tragedies both large and small, natural and unnatural. In the opening piece, *57 Gatwick*, which won the 2012 Glimmer Train Emerging Writer Fiction award, a terrorist bombing of a commercial airliner over the city of Duluth, Minnesota gives the town coroner a new task beyond the collection and identification of victims' bodies, thus restoring hope to a shattered community. In *Burn Unit*, a lone, misanthropic woman who rescues stray and abused animals, in turn rescues her horribly burned niece from a neglectful family and a life of despair. An unpopular teenage girl discovers a hidden talent in the wake of a devastating storm in *Picasso* and the *Tornado*. In *The Lazarus Bomb*, the crew of a B-17 bomber crew flying missions over Germany in WWII is suddenly imbued with the ability to give life rather than rain death. With gentle humor and deft, lyrical prose, this collection demonstrates that, despite these tragedies, unlooked-for miracles do occur.

Becoming Kid Quixote Sarah Sierra, Stephen Haff, 2020-04-21 A young readers' companion to the adult memoir Kid Quixotes by Stephen Haff. Narrated by one extraordinary ten-year-old girl, this inspiring memoir tells the story of a daughter of Mexican American immigrants who finds her voice through the power of words and performance of Cervantes' Don Quixote. When a shy girl named Sarah Sierra first joins an after-school program in her neighborhood, she never expects to travel back in time and discover the words of Miguel de Cervantes. But at Still Waters in a Storm, a teacher named Stephen and a group of kids have pushed together tables piled high with books so they can gather round to talk about and translate Cervantes' classic, Don Quixote de La Mancha. They begin to reimagine Don Quixote—the story of an idealistic dreamer from Spain who traveled around trying to right the world's wrongs—as the story of a group of modern-day kids from immigrant families in Brooklyn. The stories the kids write in class become a musical play—expressing the plight of today's immigrants and using Quixote as inspiration. And Sarah, once very shy, soon will play the leading role as Kid Quixote. Perfect for fans of I Am Malala, Dear America, and The Freedom Writers Diary, this stirring true story will inspire you to imagine, to speak up, and to sing out.
