The Gift of Stories H. D. Michaels, 2020-10-22 Everyone deserves a life filled with wonderful stories! Do you love to read but never have the time? Or is your life so busy you've fallen out of love with reading? Reading is wonderful, but how many times have you failed to finish a novel or lost interest because you're too busy or exhausted to remember all the details? If we spend most of our time working and doing things for other people, reading tends to be something we put aside. Modern life is busy and difficult, but we need to make some time for ourselves - we deserve it. This book is the answer to your reading woes. H.D. Michaels has created *The Gift of Stories*: one story a day for 28 days. They start at less than 100 words (that's less than a minute you need to find!). The stories are all different; you'll experience mystery, suspense, love, fear, and laughter. They will ignite your imagination, open your mind and help you fall in love with reading all over again. Get ready for a journey of rediscovery. Buy the gift of stories and start your journey today. Then share it with your loved ones and friends!

I Walk with Vanessa Kerascoët, 2018-04-24 This simple yet powerful picture book--from a New York Times bestselling husband-and-wife team--tells the story of one girl who inspires a community to stand up to bullying. The perfect back-to-school read for every kid, family and classroom! Don't miss the companion book, *I Forgive Alex*, about the importance of compassion and forgiveness. Inspired by real events, *I Walk with Vanessa* explores the feelings of helplessness and anger that arise in the wake of seeing a classmate treated badly, and shows how a single act of kindness can lead to an entire community joining in to help. By choosing only pictures to tell their story, the creators underscore the idea that someone can be an ally without having to say a word. With themes of acceptance, kindness, and strength in numbers, this timeless and profound feel-good story will resonate with readers young and old. A New York Public Library

Hey, Water! Antoinette Portis, 2020-05-19 Splash! A spunky little girl plays a spirited game of hide-and-seek with water, in this gorgeously illustrated nonfiction picture book. A Robert F. Sibert Honor Book An ALA Notable Children's Book *Hey, water!* I know you! You're all around. Join a young girl as she explores her surroundings and sees that water is everywhere. But water doesn't always look the same, it doesn't always feel the same, and it shows up in lots of different shapes. Water can be a lake, it can be steam, it can be a tear, or it can even be a snowman. As the girl discovers water in nature, in weather, in her home, and even inside her own body, water comes to life, and kids will find excitement and joy in water and its many forms. This latest work from award-winning author/illustrator Antoinette Portis is an engaging, aesthetically pleasing nonfiction picture book, complete with accessible backmatter on the water cycle, water conservation, and more. Mister Seahorse Eric Carle, 2022-05-03 When Mrs. Seahorse lays her eggs, she does it on Mr. Seahorse's belly! She knows he will take good care of them. While he swims waiting for the eggs to hatch, he meets some other underwater fathers caring for their babies: Mr. Tilapia, who carries his babies in his mouth; Mr. Kurtus, who keeps his on his head; and Mr. Catfish, who is baby-sitting his young hatchlings. Eric Carle has done it again, with astonishingly beautiful collage illustrations and a story that introduces the very young to the wonders of aquatic life . . . and some very special daddies. A hide and seek feature with acetate overlays adds a colorful surprise.

The Struwwelpeter or Merry Stories and Funny Pictures (HD)
Heinrich Hoffmann, 2019-08-07 Der Struwwelpeter is regarded as the most successful German children's book ever and has been translated into many languages. In 1844, the doctor Heinrich Hoffmann tried to find a picture book that he could give to his three-year-old son Carl for Christmas. Unfortunately (or fortunately for the reader) he found nothing that seemed appropriate for a child of Carl's age. Instead, Hoffmann bought an empty notebook and decided to draw a picture book for his son himself. The original manuscript is exhibited in the German National Museum. Soon after the first edition, the children's book was translated into many languages. There were also parodies or politicizing rewritings early on. From the very beginning, the subject of raising children split the readership and provoked a critical discourse. By the time copyright became free in 1925, more than 540 editions had appeared. The classic English translation is by Mark Twain. O waly me! O waly me! Just such a boy I ne'er did see. He caught the flies, poor helpless things, Made hoppers of them, minus wings. He killed the birds, where'er he could, And catless made the neighborhood; And worst of all that he did do, He banged the housemaid black and blue. Null Papier Verlag www.null-papier.de

Ghost Stories and Legends of Eastern Connecticut Donna Kent, 2007-10-24 Who or what lurks below the decks of the ships at Mystic Seaport? Does playwright Eugene O'Neill still live in his family's cottage on the New London shore? Are there really vampires in Connecticut? Can Israel Putnam's ghost still see the whites of your eyes? This captivating book presents tales and legends from Eastern Connecticut's most haunted locations dark deeds and lore from New London and Mystic, and stretching all the way to Brooklyn, Windham and Franklin. Like eerie and

desperate whispers on the wind, the ghosts of Connecticut's past reveal their deepest, darkest secrets to author and paranormal investigator Donna Kent as she sheds new light on this collection of spine-tingling legends.

Divine Stories Andy Rotman, 2017-12-05 Explore this second volume of translations, in vivid prose, from one of the most celebrated collections of ancient Buddhist stories. Actions never come to naught, even after hundreds of millions of years. When the right conditions gather and the time is right, then they will have their effect on embodied beings. Ancient Buddhist literature is filled with tales of past lives. The Buddha, surrounded by his followers, is asked how it came to be that a certain person has met a particular fate. With his omniscience, the Buddha looks into eons past and uncovers the events that led to the present outcome and foretells the future as well. With stories of wicked wives, patricidal princes, and shape-shifting serpents, *Divine Stories* offers a fascinating illustration of the law of karma—the truth that the power of good and bad deeds is never lost. These are some of the oldest Buddhist tales ever committed to writing, illuminating the culture of northern India in the early centuries of the common era and bringing to life the Buddhist values of generosity and faith. Andy Rotman's evocative translation combines accuracy with readability, with detailed editorial notes comparing readings in various Sanskrit, Pali, and Tibetan sources. *Divine Stories* is a major contribution to Indian and Buddhist studies.

Go the Fk to Sleep** Adam Mansbach, 2011-06-14 The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." *Go the Fuck to Sleep* is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the

familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

RePresenting Bisexualities Maria Pramaggiore, Donald E. Hall, 1996-07-01 Is bisexuality coming out in America? Bisexual characters are surfacing on popular television shows and in film. Newsweek proclaims that a new sexual identity is emerging. But amidst this burgeoning acknowledgment of bisexuality, is there an understanding of what it means to be bisexual in a monosexual culture? RePresenting Bisexualities seeks to answer these questions, integrating a recognition of bisexual desire with new theories of gender and sexuality. Despite the breakthroughs in gender studies and queer studies of recent years, bisexuality has remained largely unexamined. Problematic sexual images are usually attributed either to homosexual or heterosexual desire while bisexual readings remain unexplored. The essays found in RePresenting Bisexualities discuss fluid sexualities through a variety of readings from the fence, covering texts from Emily Dickinson to Nine Inch Nails. Each author contributes to the collection a unique view of sexual fluidity and transgressive desire. Taken together, these essays provide the most comprehensive bisexual theory reader to date.

Family Stories and the Life Course Michael W. Pratt, Barbara H. Fiese, 2004-04-26 This edited book draws from work that focuses on the act of telling family stories, as well as their content and structure. The process of telling family stories is linked to

central aspects of development, including language acquisition, affect regulation, and family interaction patterns. This book extends across traditional developmental psychology, personality theory, and family studies. Drawing broadly on the epigenetic framework for individual development articulated by Erik Erikson, as well as on conceptions of the family life cycle, the editors bring together contemporary examples of psychological research on family stories and their implications for development and change at different points in the life course. The book is divided into sections that focus on family stories at different points in the life cycle, from early childhood and the beginnings of narrative skill, through adolescence, young adulthood, midlife, and then mature adulthood and its intergenerational meaning. During each of these periods of the life cycle, research focusing on individual development within an Eriksonian framework of ego strengths and virtues is highlighted. The dynamic role of family stories is also featured here, with work exploring the links between family process, intergenerational attachment, and storytelling. Sociocultural theories that emphasize how such development is situated in the wider cultural context are also featured in several chapters. This broad lifespan developmental focus serves to integrate the exciting diversity of this work and foster further questions and research in the emerging field of family narrative. The book is intended primarily for researchers and advanced-level students in the fields of developmental and personality psychology, as well as those in family studies and in gerontology. It may also be of interest to those in the helping professions who are concerned with family therapy and family issues, and may--due to its content and illustrative material--have appeal to a wider market of the lay public. The chapters are written in a readily accessible style and the analyses are presented in a fairly non-technical way. Because family stories are charted across the lifespan, it would be a suitable companion book to a more traditional lifespan textbook in certain courses.

Poole's Index to Periodical Literature: 1887-1892 William Frederick Poole, 1893

H. D. and Bryher Susan McCabe, 2021 This dual biography takes on the daring task of examining how two women, who didn't feel like women, survived as a couple, raising an illegitimate child during a period when such arrangements were frowned upon, if even recognized. When they met in 1918, H.D. (born Hilda Doolittle in 1886), had already achieved recognition as an Imagist poet, engaged in a lesbian affair, was married to a shell-shocked adulterous poet, and was pregnant by another. She fell in love with Bryher (born Annie Winifred Ellerman in 1894), trapped both in a female body and in the shadow of her father, Sir John Ellerman, a wealthy shipping magnate. They felt a telepathic and electric connection, bonding over Greek poetry, geography, ancient history, and a shared bodily dysphoria. Bryher introduced H.D. to cinema, psychoanalysis, and politics, herself rescuing refugees from Nazis throughout the 1930s. Bryher engaged in legal strategies to protect H.D., marrying Kenneth Macpherson, who adopted H.D.'s child and collaborated with the couple in filmmaking, discovering his queerness. Both H.D. and Bryher were on vision quests, and their cerebral eroticism led them to otherworldly experiences. During World War II, they held séances in London. After V-J Day was announced, H.D. had a severe nervous breakdown, which Bryher, taking great pains, ensured she survived. As a love story born out of war and modernism, the book speaks to their struggles to escape binary gender, homophobic and white supremacist agendas, while celebrating their creative triumphs and courageous aspirations--
