E. E. Holmes

Heart of the Storm Rexanne Becnel,2015-11-24 The exotic island of Madeira is the perfect escape for an Englishwoman fleeing an arranged marriage—until she's taken captive by a vengeful pirate One of the wealthiest heiresses in England, Eliza Thoroughgood is the ideal catch for the right man. But the husband her parents have chosen for her is a paragon of masculinity and urbane wit, while Eliza is shy and bookish and detests the public eye. So she comes up with the perfect escape from the perfect bridegroom: She will accompany her young cousin, Aubrey, to the sultry island of Madeira, where he can recuperate from a riding injury. Eliza has never been to sea, and she's in for the adventure of her life when she and Aubrey are taken hostage by a vengeful buccaneer. Cyprian Dare has waited his whole life to destroy the nobleman who abandoned his mother and made him a bastard. He doesn't believe in fate or luck—until the Lady Haberton sails out of port, setting in motion his abduction of his half-brother Lord Haberton's heir. But he hadn't planned on the boy's beautiful, fiercely protective cousin. Desire is the wild card as Eliza awakens emotions Cyprian has never allowed himself to feel before. Can a woman's loving touch heal the heart of a man who lives only for revenge?

A Pearl in the Storm Tori Murden McClure,2009-04-07 In the end, writes Tori McClure, I know I rowed across the Atlantic to find my heart, but in the beginning, I wasn't aware that it was missing. During June 1998, Tori McClure set out to row across the Atlantic Ocean by herself in a twenty-three-foot plywood boat with no motor or sail. Within days she lost all communication with shore, but nevertheless she decided to keep going. Not only did she lose the sound of a friendly voice, she lost updates on the location of the Gulf Stream and on the weather. Unfortunately for Tori, 1998 is still on record

as the worst hurricane season in the North Atlantic. In deep solitude and perilous conditions, she was nonetheless determined to prove what one person with a mission can do. When she was finally brought to her knees by a series of violent storms that nearly killed her, she had to signal for help and go home in what felt like complete disgrace. Back in Kentucky, however, Tori's life began to change in unexpected ways. She fell in love. At the age of thirty-five, she embarked on a serious relationship for the first time, making her feel even more vulnerable than sitting alone in a tiny boat in the middle of the Atlantic. She went to work for Muhammad Ali, who told her that she did not want to be known as the woman who almost rowed across the Atlantic Ocean. And she knew that he was right. In this thrilling story of high adventure and romantic quest, Tori McClure discovers through her favorite way—the hard way—that the most important thing in life is not to prove you are superhuman but to fully to embrace your own humanity. With a wry sense of humor and a strong voice, she gives us a true memoir of an explorer who maps her world with rare emotional honesty.

Able to wield thunder and lightning, wyr sentinel Tiago Black Eagle has ruled the skies for centuries. His massive build and thunderous power make him one of the wyr's best weapons. And he's sent to protect Tricks when she's almost assassinated in Chicago. Soon, both Tiago and Tricks will fall prey to the stormy hunger that engulfs them - a passion that will shake the very foundation of all the worlds.
