Make Me (with bonus short story Small Wars) Lee Child, 2015-09-08 #1 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LOS ANGELES TIMES, THE GUARDIAN, AND SUSPENSE MAGAZINE • Stephen King calls Jack Reacher “the coolest continuing series character”—and now he’s back in this masterly new thriller from Lee Child. “Why is this town called Mother’s Rest?” That’s all Reacher wants to know. But no one will tell him. It’s a tiny place hidden in a thousand square miles of wheat fields, with a railroad stop, and sullen and watchful people, and a worried woman named Michelle Chang, who mistakes him for someone else: her missing partner in a private investigation she thinks must have started small and then turned lethal. Reacher has no particular place to go, and all the time in the world to get there, and there’s something about Chang . . . so he teams up with her and starts to ask around. He thinks: How bad can this thing be? But before long he’s plunged into a desperate race through LA, Chicago, Phoenix, and San Francisco, and through the hidden parts of the internet, up against thugs and assassins every step of the way—right back to where he started, in Mother’s Rest, where he must confront the worst nightmare he could imagine. Walking away would have been easier. But as always, Reacher’s rule is: If you want me to stop, you’re going to have to make me. Praise for *Make Me* “Child’s Reacher series has hit Book No. 20 with a resounding peal of wisecracking glee. Everything about it, starting with Reacher’s nose for bad news, is as strong as ever. . . . The big guy’s definitely on the upswing. The guy who writes about him is too.”—Janet Maslin, *The New York Times* “Another winner . . . There’s a reason why Child is considered the best of the best in the thriller genre: He can take all these strange elements and clichés and make them compelling and original.”—Associated Press “A superb thriller.”—*New York Daily News* “Child’s complete command of the story makes this thriller work brilliantly.”—*Publishers Weekly* (starred review) “I’ve read all twenty of Lee Child’s novels. Maybe there’s something wrong with me. But I can’t wait for the twenty-first.”—Malcolm Gladwell, *The New Yorker* “[The Reacher series] is the current gold standard in the genre. . . . In *Make Me* Lee Child delivers another Jack Reacher specialty; the total knockout.”—*Dayton Daily News* “Child serves up wingding plots, pithy dialogue, extraordinary background on intriguing topics, and cunningly constructed suspense. But what keeps us coming back—by the millions—is the chance to walk around in the skin of that big guy in the middle of everything.”—*The Oregonian* “A dark thriller . . . Lee Child’s *Make Me*, the twentieth in his wildly popular Jack Reacher series, delivers exactly what readers have come to expect from the perennial bestselling author: interesting characters, tight plots and page-turning action. . . . Readers won’t be disappointed.”—*Minneapolis Star Tribune* “Jack Reacher is back. . . . Readers new to this series will find this book a good starting point, and fans will be pleased to see Jack again.”—*LibraryReads* (Top Ten Pick) “The reigning champ ups the ante.”—*Booklist* (starred review)

Murder for Mayor Andie Peterson, 2010-06-30 A woman hiking the shoreline of Lake Superior fears she's having a heart attack and gives an exquisite necklace to a good Samaritan who comes to her aid. Don't tell a soul, she warns, except Molly Berg. When the woman is brutally murdered, the young female hiker becomes a target for death and must run for her life. Why would someone kill a loving grandmother on a beautiful summer day? How does that crime connect to the New Year's Day disappearance of the woman who designed the necklace? What about the designer's husband who vanished the same day? And how does it all link to a 1984 murder in Minnesota's Scott County? When Laura Kjelstad begins connecting the dots of the crimes, she becomes the next target. The necklace leads her to Sedona, Arizona, where she uncovers dark secrets and corruption on a global level. Only a handful of people know that she's gone to Arizona, but a friend who accompanied her is kidnapped in Prescott and is terrorized on a harrowing trip down the mountain to Camp Verde. Someone knows the answers and has turned his sights on Laura. A young widow, Laura is the first woman mayor of a small town in northern Minnesota. In the midst of a blistering reelection campaign, her opponents deal in hostility, misinformation, and outright lies. Her rival calls out the Internet trolls to defeat her, but Laura learned from her Norwegian grandparents how to deal with trolls. Peterson deftly handles both pacing and plotting and ties the subplots together superbly. The reader is rewarded with a genuine understanding of the strongly drawn characters and gains insights into the real life of small town politics in all its decency and ugliness. The book is balanced with a bit of romance and gentle humor that enriches the novel.

Jimmy Blackmon captures brilliantly the enthralling story of the air cavalry unit that was the eyes and ears of the 101st Airborne Division (Air Assault) during the fight to Baghdad and throughout the first year in Iraq – when I was privileged to command the division. He captures vividly, as well, the courage, skill, and feel for the battlefield of the gifted pilot and commander of the squadron, Lieutenant Colonel Steve Schiller, to whom we turned repeatedly when the missions were the toughest.” —General David Petraeus (U.S. Army, Ret.) commanded the 101st Airborne Division (Air Assault), Multinational Force-Iraq, US Central Command, and coalition and U.S. forces in Afghanistan.

Making the Range Rover Legend John Carroll, 2022-06-30 In 1971, a British Army team undertook the challenge of driving the Pan-American Highway in its entirety from Alaska to Tierra Del Fuego. This included crossing the notorious Darién Gap, the approximately 200-mile-long missing link in the intercontinental highway's length. It took almost 100 days of concerted effort for the expedition to drive, winch and float two Range Rovers through this trackless jungle terrain. This book looks at the region's history and previous expeditions as well as the epic 1971-72 journey. It contains reminiscences from eight members of the expedition as well as previously unpublished photographs, decorative maps and commemorative postal covers.

Seeing Degree Zero Bishop Ryan Bishop, 2019-05-03 In the fields of literature and the visual arts, 'zero degree' represents a neutral aesthetic situated in response to, and outside of, the dominant cultural order. Taking Roland Barthes' 1953 book *Writing Degree Zero* as just one starting point, this volume examines the historical, theoretical and visual impact of the term and draws directly upon the editors' ongoing collaboration with artist and writer Victor Burgin. The book is composed of key chapters by the editors and Burgin, a series of collaborative texts with Burgin and four commissioned essays concerned with the relationship between Barthes and Burgin in the context of the spectatorship of art. It includes an in-depth dialogue regarding Burgin's long-term reading of Barthes and a lengthy image-text, offering critical exploration of the Image (in echo of earlier

theories of the Text). Also included are translations of two projections works by Burgin, 'Belledonne' and 'Prairie', which work alongside and inform the collected essays. Overall, the book provides a combined reading of both Barthes and Burgin, which in turn leads to new considerations of visual culture, the spectatorship of art and the political aesthetic.

Chechnya Valery Tishkov, 2004-06-14 This book illuminates one of the world's most troubled regions from a unique perspective—that of a prominent Russian intellectual. Valery Tishkov, a leading ethnographer who has also served in several important political posts, examines the evolution of the war in Chechnya that erupted in 1994, untangling the myths, the long-held resentments, and the ideological manipulations that have fueled the crisis. In particular, he explores the key themes of nationalism and violence that feed the turmoil there. Forceful, original, and timely, his study combines extensive interview material, historical perspectives, and deep local knowledge. Tishkov sheds light on Chechnya in particular and on how secessionist conflicts can escalate into violent conflagrations in general. With its balanced assessments of both Russian and Chechen perspectives, this book will be essential reading for people seeking to understand the role of Islamic fundamentalist nationalism in the contemporary world.

On Sunset Boulevard Ed Sikov, 2017-06-14 *On Sunset Boulevard*, originally published in 1998, describes the life of acclaimed filmmaker Billy Wilder (1906-2002), director of such classics as *Sunset Boulevard*, *The Lost Weekend*, *The Seven Year Itch*, and *Sabrina*. This definitive biography takes the reader on a fast-paced journey from Billy Wilder's birth outside of Krakow in 1906 to Vienna, where he grew up, to Berlin, where he moved as a young man while establishing himself as a journalist and screenwriter, and triumphantly to Hollywood, where he became as successful a director as there ever was. *Double Indemnity*, *Sunset Boulevard*, *Some Like It Hot*, and *The Apartment* Wilder's cinematic legacy is unparalleled. Not only did he direct these classics and twenty-one other films, he co-wrote all of his own screenplays. Volatile, cynical, hilarious, and driven, Wilder arrived in Hollywood an all-but-penniless refugee who spoke no English. Ten years later he was calling his own shots, and he stayed on top of the game for the next three decades. Wilder battled with Humphrey Bogart, Marilyn Monroe, Bing Crosby, and Peter Sellers; kept close friendships with William Holden, Audrey Hepburn, Jack Lemmon, and Walter Matthau; amassed a personal fortune by way of blockbuster films and shrewd investments in art (including Picassos, Klees, and Mir's); and won Oscars--yet Wilder, ever conscious of his thick accent, always felt the sting of being an outsider. *On Sunset Boulevard* traces the course of a turbulent but fabulous life, both behind the scenes and on the scene, from Viennese cafes and Berlin dance halls in the twenties to the Hollywood soundstages of the forties and the on-location shoots of the fifties and sixties. Crammed with Wilder's own caustic wit, *On Sunset Boulevard* reels out the story of one of cinema's most brilliant and prolific talents.

Assault From the Sky John Weeks, 2013-04-20 A key look at the history of airborne forces from the Second World War to the 1980s, studying their training and equipment as well as their actions in battle. The introduction of Airborne forces revolutionised military tactics and thinking throughout the twentieth century. In this exciting edition, ex-paratrooper John Weeks presents a history of the Airborne forces across the globe, studying the generals, the planners and parachutists, as well as the aircraft, gliders, weapons and helicopters, alongside a look at their background and their most famous actions, such as Crete, Arnhem, D-Day and the crossing the Rhine. Within each chapter, Weeks presents detailed analyses of the main airborne forces. Airborne raids caught popular imagination from early in the Second World War, when the Germans carried out daring and alarming raids. The assault is fast and dynamic, and most of all, unpredictable, which in the early 1940s led all participants of the war to develop airborne forces of their own.

Disney TV J. P. Telotte, 2004 This year marks the 50th anniversary of the Walt Disney Company's network television series Disneyland/The Wonderful World of Color. The series, part of Walt Disney's quest to re-create American entertainment, premiered October 27, 1954 on ABC and was the longest-lived program in television history. Over the years, Walt Disney's visions have evolved into family-oriented cinema, television, theme parks. From the lovable Mickey Mouse and Donald Duck to magical places like Frontierland, Disneyland/The Wonderful World of Color generated some of the most popular fads of the era. In Disney TV, J. P. Telotte examines the history of the Disney television series while placing it in context-the film industry's reaction to television in the post-World War II era, the Disney Studios' place in the American entertainment industry, and Walt Disney's dream to create the modern theme park. Telotte's guiding principle in this examination is to illustrate how Disney changed the relationship between cinema and television and, perhaps more importantly, how it affected American culture. The conciseness of Telotte's book is a major advantage over other leading Disney scholarship. Detailed, without including minutia, Telotte provides the reader with the key issues that surrounded the development of the Disney phenomenon. This book will attract a wide array of readers--scholars of television, media, and film studies, popular culture students, and all those touched by the magic of Disney.

The Watchmen Brian Freemantle, 2011-04-01 Only a miracle-and faulty workmanship-prevents a germ-packed warhead from exploding when a terrorist missile slams into the United Nations building in New York. The lettering on the side of the rocket is Russian, which presents the West with its worst nightmare: a direct link between a fanatical U. S. terrorist group and Russian gangsters with access to the germ warfare arsenal of the former Soviet Union. This potentially devastating attack reunites the FBI's Russian expert William Cowley and Moscow's Organized Crime Director Dimitri Danilov. Their task: to penetrate and destroy the unknown group claiming responsibility before they can strike again. And as the Superpowers teeter on the brink of diplomatic meltdown, Cowley and Danilov make another nightmare discovery. The terrorists are being cleverly financed by ultra-sophisticated hackers looting U. S. banks, breaking into law enforcement and Pentagon computers, and keeping themselves always one click ahead of the frantic pursuit. The Watchmen is a spine-chilling chase that strikes at the heart of our fears of terrorism and its prevention.
