A Friend for Henry Jenn Bailey,2019-02-26 In Classroom Six, second left down the hall, Henry has been on the lookout for a friend. A friend who shares. A friend who listens. Maybe even a friend who likes things to stay the same and all in order, as Henry does. But on a day full of too close and too loud, when nothing seems to go right, will Henry ever find a friend—or will a friend find him? With insight and warmth, this heartfelt story from the perspective of a boy on the autism spectrum celebrates the everyday magic of friendship.

Henry Hastings Sibley Rhoda R. Gilman,2004 The first full-scale biography of Henry Hastings Sibley, congressman, army general, and Minnesota's first governor.

Henry the Liberal Theodore Evergates,2015-12-21 Over the course of the twelfth century, the county of Champagne grew into one of the wealthiest and most important of French principalities, home to a large and established aristocracy, the site of international trade fairs, and a center for artistic, literary, and intellectual production. It had not always been this way, notes Theodore Evergates, who charts the ascent of Champagne under the rule of Count Henry the Liberal. Tutored in the liberal arts and mentored in the practice of lordship from an early age, Henry commanded the barons and knights of Champagne on the Second Crusade at twenty and succeeded as count of Champagne at twenty-five. Over the next three decades Henry immersed himself in the details of governance, most often in his newly built capital in Troyes, where he resolved disputes, confirmed nonlitigious transactions, and monitored the disposition of his fiefs. He was a powerful presence beyond the county as well, serving in King Louis VII's military ventures and on diplomatic missions to the papacy and the monarchs of England and Germany. Evergates presents a chronicle of the transformation of the lands east of Paris as well as a biography of one of the most engaging princes of twelfth-century France. Count Henry was celebrated for balancing the arts of governance with learning and for his generosity and inquisitive mind, but his enduring achievement, Evergates makes clear, was to transform the county of Champagne into a dynamic principality within the emerging French state.

Henry & Glenn Forever Tom Neely,2014-11-29 Starring super-notorious musclebound punk/metal dudes Glenn Danzig and Henry Rollins (with a little help from super-notorious soft-rockdudes Hall and Oates) Henry & Glenn Forever is a love story to end all love stories! The premise of this comic is explained in the beginning: "Henry and Glenn are very good 'friends.' They are also 'room mates.' Daryl and John live next door. They are satanists." What follows is made up of ultra-metal violence, cryfest diary entries, cringing self-doubt, and mega-hilarious emo-meltdowns. Who knew Danzig was such a vulnerable, self-conscious sweetie-pie? Who knew Rollins was such a caring spouse? Who knew Hall and Oates were so infernally evil—yet so considerate? Well, illustrating/writing team Igloo Tornado (featuring super-awesome comix dude Tom Neely) did and they kicked down 66 illustrated pages telling all. Genius on all fronts. Terrifyingly cute. Cutely terrifying. As the real-life Rollins says, quoted on the back cover, "Has Glenn seen this? Trust me, he would not be impressed."

Henry Ossawa Tanner Marcia M. Mathews, 1994 Mathews's standard biography of Henry Ossawa Tanner (1859-1937), based on extensive research in archives in this country and family records in France. Providing a full account of the artist's life and art, Henry Ossawa Tanner gives readers insight into the art trends of the nineteenth and early twentieth centuries as well as into the struggle of African Americans of this period. [Tanner] ranks not only as the first truly distinguished Negro American artist but as one of America's first outstanding successes in the salons of Europe. In this work [Mathews] has significantly added to our knowledge of the history of American art.—John Hope Franklin, from the Foreword The book gives the main facts of Tanner's life and successfully places his artistic work in its historic context....It is a welcome and useful volume.—August Meier, *Journal of American History*
