Depicts a summer storm from the first clap of thunder to the final rainbow.

Summer Snow Storm Stephen Marlowe,2014-02-01 It's no surprise that meteorologists sometimes make less-than-accurate predictions about the day's weather. But when a cadre of top-ranking weather experts fail to catch wind of a freak summer snow storm, all hell breaks loose. Amidst this turmoil, an unusual folk hero emerges who seems to have a preternatural knack for dead-on weather predictions. What's the source of this strange superpower?

Routledge Handbook on Political Parties in the Middle East and North Africa Francesco Cavatorta,Lise Storm,Valeria Resta,2020-12-29 This comprehensive Handbook analyses the political parties and party systems across the Middle East and North Africa. Providing an in-depth, empirically grounded and novel study of political parties, the volume focuses on a region where they have been traditionally and often erroneously dismissed. The book is divided into five sections, examining: the trajectories of Islamist, Salafi, leftist, liberal, nationalist, and personalistic parties drawing from different countries; the role political parties play in authoritarian and semi-authoritarian countries; the centrality of political parties in democratic or democratising settings; the relationship between parties and specific social constituencies, ranging from women to youth to tribes and sects; and the policy positions of parties on a number of issues, including neo-liberal economics, identity, foreign policy and the role of violence. This wide-ranging and systematic analysis is a key resource for students and scholars interested in party politics, democratization and authoritarianism, and the Middle East and North Africa. Storm 2 Philippe Fournier,2022-11-07 Yann goûtait enfin la vie dont il avait tant rêvé près d'Emma... Il avait encore du mal à comprendre les secrets de leur nouvelle vie. Un lieu commun les rapprochait toujours... Le phare de la Jument... Celui-ci n'aurait-il pas encore dévoilé tous ses mystères ? Il était devenu leur refuge... Leurs âmes régnaient en maître dans le lieu... À terre pourtant, des doutes subsistaient sur le suicide de Yann entraînant jalousie, colère et règlements de compte... Le commandant Guillaume Keller, prit l'affaire très au sérieux et se lança dans une enquête très particulière. À quelques jours de sa retraite, il ne se doutait pas des proportions que cette affaire allait prendre. Au final ce fut une hécatombe ! Il eut beaucoup de mal à dénouer tous les fils de cette enquête, avec un suspect doué d'un machavélisme hors normes... Roman policier fantastique, Storm 2 s'inscrit dans la lignée du Réveil du Hibou dans la suite de Storm avec ce petit plus qui surprendra plus d'un lecteur. La retraite de Keller allait attendre un peu !

The Weather Weaver Tamsin Mori,2021-03-04 11-year-old Stella has returned home to Shetland to spend the summer with her Grandpa, but it's nothing like she remembers. Grandpa is lost in his grief for Gran, the island is bleak and Stella feels trapped, until she encounters an old woman, Tamar, who can spin rainbows and call hurricanes. With the help of Nimbus, a feisty young storm cloud, Stella begins to learn the craft of weather weaving. But when her cloud brain-fogs Grandpa and The Haken (a sea witch) starts to close in, she realises that magic comes with big responsibilities. It will take all her heart and courage to face the coming storm...

Blizzard!! the Great White Hurricane Timothy Minnich,2019-12-30 THE BLIZZARD OF 1888, legendary in the annals of American weather history, was among the most ferocious winter storms ever to pound the Northeast. Many hundreds of people perished

on land and sea during its three-day reign of terror, including some 200 in New York City alone - ground-zero for this storm. In his debut novel, Tim Minnich paints a vibrant New York City landscape in the weeks leading up to what has been coined The Great White Hurricane. Bound to fascinate weather enthusiasts, history buffs, and general readers alike, Minnich captures the suspense which culminates in this awesome display of nature, all while vividly depicting life in late Nineteenth Century Manhattan. On Sunday evening March 11th, the denizens of this great metropolis go to sleep completely unaware they'd be awakening to a howling blizzard. All except for young William Roebling, a brilliant meteorologist recently transferred to the New York Office of the US Army's fledgling Signal Service Corps - the agency responsible for the nation's first weather forecasts. Will has painstakingly developed an ingenious system allowing him to predict this historic event days in advance, but his unconvinced Commanding Officer, for political reasons, orders his silence. A conflicted Will feels he must alert his loved ones, and does - only to find himself in a battle for his life at the height of the storm. Minnich deftly combines the drama and excitement of the blizzard with its profound impact on those unfortunate enough to have been caught in its path, simultaneously weaving an engaging tale of true love, faith, and the indomitable human spirit.

Tornado Season Courtney Craggett,2020 TORNADO SEASON arrives as a storm is raging. Yet its stories urge us not to seek shelter, but to leave it. To walk out of our inner place of hiding and face the whirlwind. To recognize it. To acknowledge it and fight it. Ethnicity and culture alongside the U.S.-Mexico border; deportation and immigration; life in the U.S. foster care system--of these tumultuous subjects Courtney Craggett writes with honesty, a big heart, and a complete lack of sentimentality. She shows us ordinary people who suffer, dream, hope, and strive for something just a little bit better. And by doing so, she elevates these stories from the realm of the timely into that of the timeless. Long after the storm has passed, the stories in TORNADO SEASON will ring true and dear for they sing of the innermost yearning of the human heart for freedom, justice, and love. --

The Great Storm Lisa Waller Rogers,2002 A teenage boy keeps a diary of events during the devastating hurricane which struck Galveston, Texas, in 1900, and of the rescue operations that followed.

The Book of Storms Ruth Hatfield,2014-11-06 A boy on a quest against the power of the storm Eleven-year-old Danny's parents are storm chasers - which sounds fun and exciting, and it is, so long as you aren't the son who has to wait behind at home. And one night, after a particularly fierce storm, Danny's parents don't come back. Stranger still, the old sycamore tree in Danny's yard seems to have been struck by lightning, and when he picks up a fragment of wood from the tree's heart, he finds he can hear voices ... including that of next door's rather uppity cat, Mitzy. The stick is a taro, a shard of lightning that bestows upon its bearer unnerving powers, including the ability to talk with plants and animals - and it is very valuable. So valuable, in fact, that it attracts the attention of a Sammael, an ancient figure of darkness and a buyer of souls. And he will do anything to get his hands on it ... And so begins a dangerous and daring quest. Danny, who is bewildered, alone and unaccustomed to acts of bravery, must confront his fears, find his parents and unravel the secrets of The Book of Storms ...

The Silent Storm Sherry Garland, 2018-09-15 Thirteen-year-old Alyssa has not spoken since witnessing her parents drown at sea during a storm.
