The Unknown Ajax Georgette Heyer,2011 Wonderful entertainment from first page to last.--Chicago Sunday Tribune A past dispute ... When the irascible Lord Darracott's eldest son dies unexpectedly, the noble family must accept their estranged Yorkshire cousin as heir apparent. They are convinced he will prove to be a sadly vulgar person, but nothing could have prepared the beleaguered family for the arrival of Major Hugo Darracott ... A present deception... His clever and beautiful cousin Anthea is sure there's more to the gentle giant than Hugo's innocent blue eyes and broad Yorkshire brogue would lead one to believe. But even she doesn't guess what he's capable of, until a family crisis arises and only Hugo can preserve the family's honor, leading everybody on a merry chase in the process ... What Readers Say: What Heyer does best: comedy, engaging characters, and excellent writing. A very enjoyable romp with a positively masterly denouement. Georgette Heyer reaches the pinnacle of her skill with this book. Among the best of Heyer's Regency novels ? very, very funny. The pitch-perfect comedy, as the Ajax takes the reins of the family, is fantastic.

Which strategies give leaders in film, television, music, publishing, and sports an edge over their rivals? Anita Elberse, Harvard Business School's expert on the entertainment industry, has done pioneering research on the worlds of media and sports for more than a decade. Now, in this groundbreaking

His is the personal and deeply passionate story of a life devoted to reclaiming the timeless power of an ancient artistic tradition to comfort the afflicted. Doerries leads an innovative public health project—Theater of War—that produces ancient dramas for current and returned soldiers, people in recovery from alcohol and substance abuse, tornado and hurricane survivors, and more. Tracing a path that links the personal to the artistic to the social and back again, Doerries shows us how suffering and healing are part of a timeless process in which dialogue and empathy are inextricably linked. Americanized: Rebel Without a Green Card Sara Saedi,2018-02-06 In development as a television series from Reese Witherspoon's Hello Sunshine production company and ABC Studios! This hilarious, poignant and true story of one teen's experience growing up in America as an undocumented immigrant from the Middle East is an increasingly necessary read in today's divisive world. Perfect for fans of Mindy Kaling and Trevor Noah's books. "Very funny but never flippant, Saedi mixes '90s pop culture references, adolescent angst and Iranian history into an intimate, informative narrative." —The New York Times At thirteen, bright-eyed, straight-A student Sara Saedi uncovered a terrible family secret: she was breaking the law simply by living in the United States. Only two years old when her parents fled Iran, she didn't learn of her undocumented status until her older sister wanted to apply for an after-school job, but couldn't because she didn't have a Social Security number. Fear of deportation kept Sara up at night, but it didn't keep her from being a teenager. She desperately wanted a green card, along with clear skin, her own car, and a boyfriend. Americanized follows Sara's progress toward getting her green card, but that's only a portion of her experiences as an Iranian-American teenager. From discovering that her parents secretly divorced to facilitate her mother's green card application to learning how to tame her unibrow, Sara pivots gracefully from the terrifying prospect that she might be kicked out of the country at any time to the

almost-as-terrifying possibility that she might be the only one of her friends without a date to the prom. This moving, often hilarious story is for anyone who has ever shared either fear.
