The station is operational and about to attack the hurricane, when acts of sabotage threaten its very existence. The three-person NASA security team, on board the station, is the only force available to thwart the saboteurs' plans, and prevent the failure of Storm Killer. Kim Danby, a woman addicted to drugs, leads the team. The other members of team, Lieutenant James and Dan Hoch, also have flaws and black marks that make them vulnerable. Each must battle their own personal demons as they pursue the investigation. Even when one of the team is murdered, the others continue to follow the evidence and unravel the clues that lead to the identity of the conspirators hidden within NASA's and Washington's highest-ranking

command structures. They must arrest the perpetrators in time to stop the destruction of the station by a Russian nuclear missile. As the conspirators are unmasked and arrested, their leader senses his plan is crumbling and flees by a well-planned escape route. He thinks himself safe from law enforcement. Hitman's Wife Heather West, *Hitman's Wife* is book 3 and the finale of *A Bound to the Hitman Romance* trilogy! I'LL GIVE HIM MY BODY IF IT WILL PROTECT MY BABY. He had my name on his hit list. But I couldn't leave my baby without a mother. So I made him a deal: Take my body. Leave my baby. And to my horrified surprise... he accepted. I always knew my ex was a crazy S.O.B. But hiring an assassin to murder me in my sleep? That's more than insane. That's downright evil. But there's no stopping it now. And when the hitman kicks down my door, I know I'll do whatever it takes to protect my little angel. The only problem is, I have no bargaining chips. Except for one thing... My body. I can tell by the way the killer looks at me that he wants a taste. I've sworn off men since my ex abused me. But I'll break any promise if it means my baby survives. The sickest thing of all is that part of me WANTS the hitman to take me. Those hands have done dirty things. And I want to see what they can do to me. Submitting to him is the sweetest sin I've ever committed. But Evan's employer doesn't take kindly to a failed job. And just as soon as I fall into the hitman's arms, we have to go running for our lives. It would be cute if it wasn't so terrifying. Like a little family on the road – me, my man, and my baby. But if his employer's men catch up to us... There will be hell to pay.

The Hitman's Daughter Carlyne Topdjian,2022-02-22 The Château du Ciel was once the destination for the rich and famous to play, drink and ski—complete with a private railway to shuttle those desiring extra privacy—now, however, the guests are few and far between. The New Year's Eve party was supposed to hoist the rundown hotel back to its former status, until a massive blizzard hits, trapping the guests who've come to celebrate the grand hotel's last hurrah. The circumstances might even be romantic, if the hotel wasn't reputed to be haunted. When hotel employee Mave Michael finds the resident artist dead, and shortly thereafter hotel security finds Mave alone with the body, the reputation that Mave has fought long and hard to outrun comes back to haunt her. You see, her father is a notorious hitman who is serving multiple life sentences in prison. She has changed her name and location dozens of times, but he somehow manages to track her down—even sending her a postcard on the eve of her birthday, January 1st. She's the perfect choice to frame for murder, and now the number one suspect. Mave can no longer deny the lessons in survival her father taught her, and calls on that and her uncanny sixth-sense in “finding” lost objects to navigate the maze of the hotel. To save herself, she not only has to stop running from her own past, she must unearth the history of the hotel, its elite guests and buried secrets—one deadly sin at a time. An homage to classic gothic horror, that proves that the ghosts of family and classism are alive and well.
