How to Pass OSCP Series: Windows Privilege Escalation Step-By-Step Guide Alan Wang,2020-11-13 This book is the first of a series of How To Pass OSCP books and focus on techniques used in Windows Privilege Escalation. This is a step-by-step guide that walks you through the whole process of how to escalate privilege in Windows environment using many common techniques. We start by gathering as much information about the target as possible either manually or using automated scripts. Next, we search for misconfigured services or scheduled tasks, insufficient file permission on binaries or services, vulnerable kernel, vulnerable software running with high privileges, sensitive information stored on local files, credential saved in the memory, registry settings that always elevate privileges before executing a binary, hard-coded credential contained in the application configuration files, and many more. The Sixth Station Linda Stasi,2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.

Notes from the Hyena's Belly Nega Mezlekia,2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, *Notes from the Hyena's Belly* offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.

Worshipping Women Nikos E. Kaltsas,Harvey Alan Shapiro,2008 This exhibition catalogue, divided into three main sections, is an essential collection of images and descriptions of each of the 155 artifacts of the exhibition, containing also scrutinizing essays on the important role women played in Classical Athens. The first section, Goddesses and Heroines, introduces the principal female deities of Athens and Attica, in whose cults and festivals women were most actively engaged: Athena, Artemis, Aphrodite, and Demeter and her daughter Persephone. The second section, Women and Ritual, explores the practice of ritual acts such as dances, libations, sacrifices, processions and festivals in which women were active in classical antiquity. Here the critical role of the priestess comes to light, specifically in her function as key-bearer for the temples of the gods. The final section, Women and the Cycle of Life, looks at how religious rituals defined moments of transition. This section focuses on nuptial rites and wedding banquets but also death, another occasion on which Athenian women took on major responsibilities, such as preparing the deceased for burial and tending the graves of family members. Contributors include, in addition to the editors, Professor Mary Lefkowitz of Wellesley College; Professor Olga Palagia of the University of Athens; Dr. Angelos Delivorrias, director of the Benaki Museum; Professor Michalis Tiverios of the Aristotelion University of Thessaloniki; Professor Joan Breton Connelly of New York University; Professor Jenifer Neils of Case Western Reserve University; and Professor John Oakley of the College of William and Mary in Virginia, among others.

Giselle and Beatrice Benoit Feroumont,2017-06-21T00:00:00+02:00 Beatrice is stuck in a depressing office job: her hard work is overlooked, her paycheck's so small she's about to lose her apartment, and her boss won't give her a promotion unless she sleeps with him. But Beatrice just took a vacation to Africa, where she learned a very particular set of skills, both in and out of the bedroom. She's about to transform her boss's life in a way that he never saw coming. She'll get a maid to clean her dirty apartment. And maybe, in the process, Beatrice will finally find love . . .
