Who Was Who on TV Norman Chance,2010-12-23 The information herein was accumulated of fifty some odd years. The collection process started when TV first came out and continued until today. The books are in alphabetical order and cover shows from the 1940s to 2010. The author has added a brief explanation of each show and then listed all the characters, who played the roles and for the most part, the year or years the actor or actress played that role. Also included are most of the people who created the shows, the producers, directors, and the writers of the shows. These books are a great source of trivia information and for most of the older folk will bring back some very fond memories. I know a lot of times we think back and say, Who was the guy that played such and such a role? Enjoy!

Nightwalker Allyson James,Jennifer Ashley,2012-09-22 A crossbow's twang in the middle of the night warns me that an enterprising vampire slayer has come to kill my resident Nightwalker, Ansel, a permanent guest in my Crossroads Hotel and my friend. When I and my dragon boyfriend, Mick, intervene to save Ansel's un-life, we discover that the attack is only the beginning of an oncoming storm. I already have my hands full trying to keep my evil half-sister under control, planning for my father's upcoming wedding, and figuring out what the woman who claims to be Coyote's wife wants. On top of that, I have a few dragons on my back, plus I'm worrying about Mick, who's behaving strangely again. It seems that every slayer around is now is after Ansel, who fears he killed the woman he loves in a Nightwalker frenzy. Things are made more complicated by the fact that Ansel and his girlfriend might have unearthed an artifact of incredible magic. Now I have to choose between protecting Ansel or facing the most powerful magical beings in the world, who are willing to destroy me, Mick, her hotel, and everyone I've ever cared about to get to Ansel and his secrets.

Night of the Grizzlies Jack Olsen,1969 For more than half a century, grizzly bears roamed free in the national parks without causing a human fatality. Then in 1967, on a single August night, two campers were fatally mauled by enraged bears -- thus signaling the beginning of the end for America's greatest remaining land carnivore. *Night of the Grizzlies*, Olsen's brilliant account of another sad chapter in America's vanishing frontier, traces the causes of that tragic night: the rangers' careless disregard of established safety precautions and persistent warnings by seasoned campers that some of the bears were acting funny; the comforting belief that the great bears were not really dangerous -- would attack only when provoked. The popular sport that summer was to lure the bears with spotlights and leftover scraps -- in hopes of providing the tourists with a show, a close look at the great teddy bears. Everyone came, some of the younger campers even making bold enough to sleep right in the path of the grizzlies' known route of arrival. This modern bearbaiting could have but one tragic result...

Servants of the Storm Delilah S. Dawson,2014-08-05 "An urban fantasy that could rival some of Holly Black's most imaginative and creepy fare" (BCCB). A year ago, Hurricane Josephine swept through Savannah, Georgia, leaving behind nothing but death and destruction--and taking the life of Dovey's best friend, Carly. Since that night, Dovey has been in a medicated haze, numb to everything around her. But recently she's started to believe she's seeing things that can't be real...including Carly at their favorite café. Determined to learn the truth, Dovey stops taking her pills. And the world that opens up to her is unlike anything she could have imagined. As Dovey slips deeper into the shadowy corners of Savannah--where the dark and horrifying secrets lurk--she learns that the storm that destroyed her city and stole her friend was much more than a force of nature. And now the sinister beings truly responsible are out to finish what they started.

Fielding has never been kissed, and he decides Mick and only Mick can teach him how it's done. After all, the physics department's Christmas party is coming up with its dreaded mistletoe. Fielding wants to impress his peers and look cool for once in his life. The thing about Fielding is, once he locks onto an idea, it's almost impossible to get him to change his mind. And he just doesn't understand why his straight best friend would have a problem providing a little demonstration.Mick knows kissing is a dangerous game. If he gives in, it would take a miracle for the thing not to turn into a disaster. Then again, if the kissing lessons get out of hand they can always blame it on the mistletoe.
