Rivers of London Ben Aaronovitch, 2024-01-16 10th Anniversary Edition of *Midnight Riot* by #1 Sunday Times bestselling author Ben Aaronovitch, the first book in the international bestselling *Rivers of London* series! Restored to its original British title *Rivers of London*, this Author's Preferred Edition includes revised text never before seen by US readers and a new introduction by the author. My name is Peter Grant and until recently I was just another probationary constable in that mighty army for justice known to all right thinking people as the Metropolitan Police and by everyone else as the filth. My only concerns in life were avoiding a transfer to the Case Progression Unit - We do paperwork so other coppers don't have to - and where to get a hot coffee while on late shift. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from a man who was dead, but disturbingly voluble and that brought me to the attention Chief Inspector Nightingale, the last wizard in Britain. And that, as they say, is where the story really starts. Now I'm in plain clothes and the first apprentice wizard in fifty years, and my world has become somewhat more complicated. Now I'm dealing with nests of vampires in Purley, negotiating a truce between the warring god and goddess of the River Thames and digging up graves in Covent Garden - and that's just the routine stuff. Because there's something festering at the heart of the city I love, a malicious, vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's fallen to me to bring order out of chaos - or die trying. Which, I don't mind telling you, would involve a hell of a lot of paperwork.

The Bone Orchard Sara A. Mueller, 2023-03-14 Sara A. Mueller's *The Bone Orchard* is a fascinating whodunit set in a lush, gothic world of secrets and magic—where a dying emperor charges his favorite concubine with solving his own murder, and

preventing the culprit, which undoubtedly is one of his three terrible sons, from taking control of an empire. Mueller creates an intricate and richly characterized world in her gothic fantasy debut. — Buzzfeed A masterfully woven plot with refreshing narrators.—Publishers Weekly BOOKPAGE'S MOST ANTICIPATED SFF OF 2022 TOR.COM'S MOST ANTICIPATED SFF OF 2022 CRIMERAD'S MOST ANTICIPATED CRIME FICTION OF 2022 GEEKLY INC'S MOST ANTICIPATED OF 2022 Charm is a witch, and she is alone. The last of a line of conquered necromantic workers, now confined within the yard of regrown bone trees at Orchard House, and the secrets of their marrow. Charm is a prisoner, and a survivor. Charm tends the trees and their clattering fruit for the sake of her children, painstakingly grown and regrown with its fruit: Shame, Justice, Desire, Pride, and Pain. Charm is a whore, and a madam. The wealthy and powerful of Borenguard come to her house to buy time with the girls who aren't real. Except on Tuesdays, which is when the Emperor himself lays claim to his mistress, Charm herself. But now—Charm is also the only person who can keep an empire together, as the Emperor summons her to his deathbed, and charges her with choosing which of his awful, faithless sons will carry on the empire—by discovering which one is responsible for his own murder. If she does this last thing, she will finally have what has been denied her since the fall of Inshil—her freedom. But she will also be betraying the ghosts past and present that live on within her heart. Charm must choose. Her dead Emperor's will or the whispers of her own ghosts. Justice for the empire or her own revenge.

DC Horror Presents: Soul Plumber (2021-) #6 Marcus Parks, Ben Kissel, Henry Zebrowski, 2022-03-15 After five issues of blood, Bible verses, barf, and Blorps, it's all come down to this. How on Earth will a seminary dropout and his noseless pal save the day? The biblical, bizarre, and sometimes nauseating saga of Edgar Wiggins reaches its biblical, bizarre, and sometimes nauseating conclusion in this final issue that needs to be seen to be believed!

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes.
