*That Christmas Kind of Feeling* Hannah Bird, 2023-12-09 Amelia Lawrence is not a Scrooge. She is, however, tired of spending Christmas with a family who doesn't seem to care that she's even present. When the hot coworker she's been fawning over says he needs a last minute house sitter to watch his cute pup Finley, Amelia jumps at the chance for an excuse to stay in town. Making a little money to pad her solo vacation fund is just a bonus. What neither she nor Levi Abner could've predicted was a blizzard of epic proportions leaving them snowed in together for Christmas. For anyone else, it would spell disaster. But not Levi. As an overgrown former college football player with a major holiday obsession, he's determined to remind Amelia that she's worth a little Christmas magic. The problem? He's only got until the snow clears to do it.

When an unexpected bundle of Joy shows up on her doorstep, Maria's secure little world tilts on its axis.. Maria's search for Joy's father leads her to the smoldering ex-soldier, Nick Laus, who's very hands-on. It isn't long and Maria and Nick discover sparks between them that won't be ignored. While Maria's main concern is establishing stability for Joy, Nick has other plans. Maria fights her attraction to the very persistent Nick, but how long can she resist his holiday cheer and feverish kisses? As Maria battles the elderly meddling match-maker Daisy, while struggling to resist delectable Nick and his ever-present touch, will her defense against heartache defeat her desire to be loved? When Nick relents; resigning himself to only friendship, will it be enough to satisfy Maria? As the Christmas season closes in on her, Maria discovers the value of community and selfless love, and that happiness and Joy are something to be shared.

*The Last Lecture* Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy

Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**Once Upon a Holiday** Claudia Burgoa,2019-11-07 This holiday season, there’s more than gingerbread in the oven. I was always a type-A kind of girl– and that’s exactly what got me into trouble with Sterling Ahren. Having a baby before thirty didn’t work out, so I took some time off to sort out my life. Sterling’s my new landlord… and he doesn’t plan anything. He’s a billionaire playboy who can’t stand the holidays. A recluse of the worst kind, Sterling makes Scrooge look like a generous soul… except Ebenezer was never this sexy. He doesn’t want a family– until the night we have a spontaneous one-night stand, and forget to use condoms. I can’t have a baby with a disorganized, free spirit like him. Between my overprotective brothers and his crazy fans, I already know this isn’t going to work out. Except Sterling isn’t willing to let me go. He wants me home for the holidays… and this is my last chance to make a Christmas miracle happen. One thing I know for sure: when Sterling and I collide, it’s going to be anything but a silent night. Funny, touching, and delightful, this smoking hot billionaire holiday rom-com by Claudia Burgoa will make you feel the magic of Christmas.
