What Grieving People Wish You Knew about What Really Helps (and What Really Hurts) Nancy Guthrie,2016-09-14 We want to say or do something that helps our grieving friend. But what? When someone we know is grieving, we want to help. But sometimes we stay away or stay silent, afraid that we will do or say the wrong thing, that we will hurt instead of help. In this straightforward and practical book, Nancy Guthrie provides us with the insight we need to confidently interact with grieving people. Drawing upon the input of hundreds of grieving people, as well as her own experience of grief, Nancy offers specifics on what to say and what not to say, and what to do and what to avoid. Tackling touchy topics like talking about heaven, navigating interactions on social media, and more, this book will equip readers to support those who are grieving with wisdom and love.

When Holidays Hurt Bo Stern,2015-01-13 Find fullness of joy during the holidays—especially for the brokenhearted. Divorce. Financial stress. Chronic illness. Losing a loved one. Experiencing any of these situations during the year is already difficult. But the holiday season, once joyful and happy, can heighten this pain even more. Author Bo Stern has spent the past two Christmases struggling to connect with the joy of the season. As she has watched her husband, Steve, struggle with terminal ALS, Bo has quietly felt her spirit for the season fade—and has noticed countless others suffering the same way. Through stories and scriptures, Bo offers readers a way to redeem what can often become painful days—Thanksgiving, Christmas, birthdays and anniversaries, milestones such as weddings and graduations, and more. At the end of each devotion, Bo gently guides readers to engage with these holidays and special occasions in different ways that offer a tangible outlet for healing. At the heart of this message is that Christ came—to bring hope and healing to those who are hurting. “Jesus didn’t come to cheer us up. He came into the shadowlands we call home to set us free. He came to untangle us from the despair that wraps itself around our joy and peace and purpose. It seems, then, that hopelessness is the very first qualification for receiving the bright hope of Christ’s coming. Perhaps you are exactly where you need to be to experience the miracle after all...” Trim Size: 5 x 7

The Heart of Grief Thomas Attig,2000-10-19 What's gone and what's past help, Shakespeare wrote, should be past grief. But Thomas Attig argues that Shakespeare is wrong--that a grieving survivor need never let go. In *The Heart of Grief*, Attig gives us an inspiring and profoundly insightful meditation on the meaning of grief, showing how it can be the path toward a lasting love of those who have died. Recounting dozens of stories of people who have struggled with deaths in their lives, he describes grieving as a transition from loving in presence to loving in separation. The thing we long for most--the return of the one who is missing--is the very thing that we can never have, kindling the intense pain of our loss. But Attig argues that we can, in fact, build an enduring, even reciprocal, love, a love that tempers our pain. He tells stories, for instance, of a young girl taking some of her dead sister's practical advice as she enters high school, a widower realizing how much intimate life with his wife has colored his character, and an athlete drawing inspiration from his dead brother and achieving what they had dreamed of together. Far from forgetting our loved ones, Attig urges us to explore ways in which our memories of the departed can be sustained, our understanding of them enhanced, and their legacies embraced, so they continue to play active roles in our everyday and inner lives. Groundbreaking and original, inspiring and compassionate, *The Heart of Grief* offers guidance, comfort, and a new understanding of how we grieve.

Christmas Gift! Ferrol Sams,2010 Christmas Gift!, a master story-teller's moving personal reminiscence, discovers the very essence of the holiday season. The wonder and excitement of childhood combine with the wisdom and reverence of maturity to produce tale rich in tradition and continuity. Interweaving his memories of boy-hood Christmases in the dark days of the Depression and the details of present-day holidays with his grand-children, Ferrol Sams demonstrates the deep, inescapable role of rituals in our lives and the importance of passing them on to each succeeding generation. Rich with details as true today as they were more than a half-century ago when Sams was growing up, *Christmas Gift!* is a grandfather's loving preservation of an important ritual of his childhood. Strapped for material resources adequate to their generous spirits, members of the Sams household would greet each other with the joyous cry of Christmas gift! in order to share the tidings of the season and celebrate their connection. Fifty years later, in a moving and powerful rite of passage, Sams initiates his grandchildren in the ways of family and tradition by sharing his story and by taking them to their great-grandfather's grave early on a clear Christmas morning to shout forth the ancient cry: Christmas gift! Christmas gift! Sams is in rare form in this tale that will warm hearts, create laughter and tears, and earn a place in the center of Christmas celebrations for years to come.

Modern Loss Rebecca Soffer,Gabrielle Birkner,2018-01-23 Inspired by the website that the New York Times hailed as redefining mourning, this book is a fresh and irreverent examination into navigating grief and resilience in the age of social media, offering comfort and community for coping with the mess of loss through candid original essays from a variety of voices, accompanied by gorgeous two-color illustrations and wry infographics. At a time when we mourn public figures and national tragedies with hashtags, where intimate posts about loss go viral and we receive automated birthday reminders for dead friends, it’s clear we are navigating new terrain without a road map. Let’s face it: most of us have always had a difficult time talking about death and sharing our grief. We’re awkward and uncertain; we avoid, ignore, or even deny feelings of sadness; we offer platitudes; we send sympathy bouquets whittled out of fruit. Enter Rebecca Soffer and Gabrielle Birkner, who can help us do better. Each having lost parents as young adults, they co-founded *Modern Loss*, responding to a need to change the dialogue around the messy experience of grief. Now, in this wise and often funny book, they offer the insights of the *Modern Loss* community to help us cry, laugh, grieve, identify, and—above all—empathize. Soffer and Birkner, along with forty guest contributors including Lucy Kalanithi, singer Amanda Palmer, and CNN’s Brian Stelter, reveal their own stories on a wide range of topics including triggers, sex, secrets, and inheritance. Accompanied by beautiful hand-drawn illustrations and witty how to cartoons, each contribution provides a unique perspective on loss as well as a remarkable life-affirming message. Brutally honest and inspiring, *Modern Loss* invites us to talk intimately and humorously about grief, helping us confront the humanity (and mortality) we all share. Beginners welcome.

Coping with Holiday Grief Dora Carpenter,Christina Ferguson,2014-11-17 How do you cope with the happy holiday season when you are heartbroken from the death of a loved one? While you are drowning in tears of sadness, it seems that everyone else has forgotten about your loss. The sights, sounds, and smells of the season confront you wherever you go. The rituals of family togetherness, gift giving, decorations, and celebrations really touch the heart of the void that has been left. The reality hits that the holidays you once treasured with your loved one will never be the same. A frequent question asked by clients

is, Can I make the holiday season disappear and simply skip to the New Year? The holiday season is a time to honor and remember our loved ones. It is also a time to remember our own needs, as we seek meaning and gratitude in our new life going forward. Dora Carpenter's 5-Step Recipe for Coping with Holiday Grief walks you through the holiday grief journey. Christina Ferguson reminds us that we must not forget about the children who have also been affected by the loss. Use this quick-read for yourself or share with someone else who is grieving the loss of a loved one this holiday season.

Depression Edward T. Welch, 2011-10-03 Looking away from despair towards hope can feel risky. What if God doesn't come through for you? What if you don't feel instantly better? Instead of offering simple platitudes or unrealistic cure-all formulas, Edward T. Welch addresses the complex nature of depression with compassion and insight, applying the rich treasures of the gospel, and ...

Healthy Is the New Skinny Katie H. Willcox, 2017-01-17 We live in a world where beauty is everything. Society tells us that if we just looked a certain way, if we had the right products, if we were skinny enough, then we would be enough—we would have value. Society is wrong, but it took Katie H. Willcox years to understand this: “Over the course of my 30 short years, I have both worked as a professional model and been the exact opposite of our culture’s beauty ideal. I have struggled with my weight and felt like I didn’t and never would fit in. Then I had a powerful realization: my misery and self-loathing didn’t change with my weight or how ‘pretty’ society thought I was, so my looks weren’t the source of happiness and worth that I had believed them to be. But then, what was? And how had I come to invest so much of myself in beliefs that were so untrue?” In these pages, Katie shares the lessons she learned in her journey to find the answers to these questions. She reveals who gains from our feeling small and why we need to examine the messages we receive from our culture and our families. She explains how we can redefine beauty, make healthy the new “skinny,” and harness the power of our thoughts to choose self-love. Katie encourages us to discover our true magnificent selves, find our purpose, and pursue our dreams—and help others to do the same. Join the movement! Embracing the Stranger in Me: Kathy Jourdain, 2013-07-03 This is an empowering—though at times heartbreaking—work that seeks to encourage others to embrace their inner selves in the face of adversity. It illuminates how we make meaning of our experiences by the stories we tell and how stories of human tragedy can be transformed through the perspective of soul journey with the potential to shift the shape of your life.

Giving Sorrow Words Candy Lightner, Nancy Hathaway, 1991-08-01 The founder of MADD (Mothers Against Drunk Driving), who lost her thirteen-year-old daughter to a drunk driver, shares her own and others' stories in a unique and sensitive approach to a subject tht everyone must face at least once in a lifetime.

Healing Your Holiday Grief Alan D Wolfelt, 2005-12-01 With compassionate insight, this handbook helps those in mourning through what can be the hardest time of year—the holiday season. Mourners will better understand their complex emotions after reading about such topics as honoring thoughts and feelings, creating new traditions, finding ways to de-stress, and incorporating healing rituals into the holiday season. This book's practical wisdom also covers issues such as decision-making during the holidays and coping with the blending of mourning and celebration. All of the answers and advice in this guide are provided in the popular 100 ideas format that features one idea per page, allowing readers to fully absorb each suggestion.

Catching Your Breath in Grief Thomas Attig, 2019-06-12 Catching Your Breath in Grief ...and grace will lead you home is a one-of-a-kind, heart-to-heart invitation to reflect on essential realities of life, deep human needs in soul and spirit, agonies of loss, and the hope and meaning possible in dark times. Written by Thomas Attig, a leading scholar in the field of death, dying, and bereavement, it is a remarkably accessible, even lyrical, treatment of profound truths from philosophy, depth psychology, and spirituality. Its combination of engaging text and uncannily matched, exquisite photographs is unique. As the author reflects on aspects of a universal story whose themes thread through the world's great spiritual and religious traditions, he invites readers to join in wondering about their own personal losses, loves, and lives. And he guides them in seeking hopeful paths to walk in the next chapters of their own life stories. About the Author: THOMAS ATTIG, PhD, is an applied philosopher and author of How We Grieve: Relearning the World (revised edition, 2011) and The Heart of Grief: Death and the Search for Lasting Love (2000), both published by Oxford University Press. A Past President of the Association for Death Education and Counseling and recipient of the Lifetime Achievement Award from The International Network on Personal Meaning, Tom Attig now lives in Victoria, British Columbia where he continues writing and teaching on-line. He invites you to visit his web site at www.griefsheart.com. About the Photographer: WILLIAM RATHJE, PhD (1945-2012), was a renowned archaeologist best known for The Garbage Project, using archaeological methods to mine landfills for insight into contemporary culture. His photos appeared in National Geographic, Natural History, and Shambala Sun. He photographed the natural world to provide vivid emotional connections with the assimilation of life's ups and downs. See Remembering Bill at www.griefsheart.com.

Fully and Creatively Alive Tom Eggebrecht, 2016-09-07 What does it mean to be fully and creatively alive? Tom Eggebrecht tells us through the stories of real-life people who pursued their passions and followed their dreams in many and various ways, and have done so successfully. You'll read about Tanner who

uses spoken word poetry to get a message across. Megan is designing hip (and modest) clothing for women. Morgan creates one-of-a-kind pottery. Mikaela discovered a gift for photography. Claire is a comedian who rides the waves of social media. Riley is a sound engineer who has traveled all over the world. Lauren calls herself a visual storyteller. Judson is a graphic designer who dreams of branding upscale food products. Emily makes jewelry and teaches women in Honduras how to start their own self-sustaining jewelry businesses. Patrick tells stories with his photos. Larry has created a business built around his love of live music. Cadence is a brilliant writer who also presents storybook dinners for strangers who come together to get to know one another. Daniel uses his business skills to serve artists who don't have such skills, while exploring his city from the seat of his bicycle. The powerful insights and practical suggestions from these stories propel us on our journey to know our own unique gifts and express them well -- both personally and professionally.

The Empty Chair Susan J. R.N. Zonnebelt-Smeenge, Ed.D,Robert C. De Vries,2001-09-01 Losing a loved one--whether a spouse, parent, child, sibling, or friend--leaves people feeling overwhelmed and hopeless. Holidays and other special occasions seem to intensify the pain. Whether the occasion is Christmas or Easter, a birthday or anniversary, these celebrations force the bereaved to again face the reality of a loved one's absence. Susan Zonnebelt-Smeenge and Robert C. De Vries know firsthand the sorrow of bereavement: Both lost a spouse. Yet as they faced their pain and gleaned insights from their professions--Susan is a psychologist, Robert, a minister--they found renewed richness on special days that once brought heartache. In The Empty Chair, the authors share a comforting blend of emotional support, spiritual guidance, and personal experience to help readers honor their loved one on important days. Those who support the bereaved--mental-health professionals, pastors, funeral home staff, and others--will also appreciate this book for its reflective yet practical approach.
