Blame It on the Mistletoe Nicole Michaels, 2014-10-14 Sometimes all it takes is a leap of faith for Christmas to work its own magic in BLAME IT ON THE MISTLETOE 'Tis the season for small-town Missouri boutique owner Brooke Abbott to get crafty. Much as she adores making art for art's sake—decorating windows, designing ornaments, crafting the perfect present for under the tree—this Christmas she needs the gift of good customers. Lots of them. Sweet Opal Studios will go under if she can't do some serious business before the New Year...and she has no time to lose. What Brooke needs is an honest-to-goodness miracle. Instead, she finds a burglar lurking in the back room of her shop. And here she thought the holidays couldn't get any worse! Or maybe things just got a lot better. Turns out the burglar is none other than Alex Coleman—local bad boy slash legendary heartthrob, childhood best friend to Brooke's older brother, and...future landlord? That is the question. He's come home for the holidays to see his grandmother, make peace with his distant mother, and settle his grandfather's estate, an estate that includes the building that houses Sweet Opal. What he never expected was to bump into a grown-up Brooke, whose spirit, charm, and irresistible good looks give him pause. Should he go back to Oregon as planned, or give small-town life a chance? The only thing

Alex knows for sure is that before he walks out that door, he's going to get Brooke beneath the mistletoe, where anything can happen...

Auggie Wren's Christmas Story Paul Auster, 2014-05-13 A timeless, utterly charming Christmas fable, beautifully illustrated and destined to become a classic When Paul Auster was asked by The New York Times to write a Christmas story for the Op-Ed page, the result, *Auggie Wren's Christmas Story*, led to Auster's collaboration on a film adaptation, *Smoke*. Now the story has found yet another life in this enchanting illustrated edition with Argentine artist Isol. It begins with a writer's dilemma: he's been asked by The New York Times to write a story that will appear in the paper on Christmas morning. The writer agrees, but he has a problem: How to write an unsentimental Christmas story? He unburdens himself to his friend at his local cigar shop, a colorful character named Auggie Wren. A Christmas story? Is that all? Auggie counters. If you buy me lunch, my friend, I'll tell you the best Christmas story you ever heard. And I guarantee every word of it is true. And an unconventional story it is, involving a lost wallet, a blind woman, and a Christmas dinner. Everything gets turned upside down. What's stealing? What's giving? What's a lie? What's the truth? It's vintage Auster, and pure pleasure: a truly unsentimental but completely affecting tale.
