Home Made Liz Hauck, 2021-06-08 NEW YORK TIMES

EDITORS' CHOICE • An "extraordinary" (The New York Times Book Review) tender and vivid memoir about the radical grace we discover when we consider ourselves bound together in community, and a moving account of one woman's attempt to answer the essential question Who are we to one another? "Your heart will be altered by this book."—Gregory Boyle, S.J., New York Times bestselling author of *Tattoos on the Heart* Liz Hauck and her dad had a plan to start a weekly cooking program in a residential home for teenage boys in state care, which was run by the human services agency he co-directed. When her father died before they had a chance to get the project started, Liz decided she would try it without him. She didn't know what to expect from volunteering with court-involved youth, but as a high school teacher she knew that teenagers are drawn to food-related activities, and as a daughter, she believed that if she and the kids made even a single dinner together she could check one box off her father's long, unfinished to-do list. This is the story of what happened around the table, and how one dinner became one hundred dinners. "The kids picked the menus, I bought the groceries," Liz writes, "and we cooked and ate dinner together for two hours a week for nearly three years. Sometimes improvisation in kitchens is disastrous. But sometimes, a combination of elements produces something spectacularly unexpected. I think that's why, when we don't know what else to do, we feed our neighbors." Capturing the clumsy choreography of cooking with other people, this is a sharply observed story about the ways we behave when we are hungry and the conversations that happen at the intersections of flavor and memory, vulnerability and strength, grief and connection. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SHE READS

Home Made Yvette van Boven, 2015-11-20 Discover the fun of making food from scratch: "You'll want to eat everything in this book." —People StyleWatch Named One of the Year's Ten Best Cookbooks by Details How do you make cheese from pantry staples? Or create an oven smoker from scratch in just two minutes? Or make ice cream without a machine? In *Home Made*, Yvette van Boven shows you how, complete with step-by-step

photos and illustrations and a gorgeous photo alongside every recipe. While her recipes are rooted in a natural, from-scratch cooking philosophy, van Boven is never preachy—she believes that this way of cooking is fun and that the dishes simply taste better! Chapters include Preserving Vegetables, Pre-Dinner Drinks, Chocolate and Cookies, After a Night Out, Ice-Cream-You-Scream, Don't Forget the Dog!, and more. Each chapter starts with a basic dish that you can make yourself, but usually don't because you think it's too complicated (think again!), and includes variations—basic bread becomes focaccia with olives and rosemary, or red cherry and thyme bread. Written with a friendly, irreverent voice, this book will inspire you to make every dish at home.

The Homemade Kitchen Alana Chernila, 2015-10-06 This book is a map for how, day in and day out, food shapes my life for the better, in the kitchen and beyond it. —from the Introduction Start where you are. Feed yourself. Do your best, and then let go. Be helpful. Slow down. Don't be afraid of food. Alana Chernila has these phrases taped to her fridge, and they are guiding principles helping her to stay present in her kitchen. They also provide the framework for her second book. In *The Homemade Kitchen* she exalts the beautiful imperfections of food made at home and extends the lessons of cooking through both the quotidian and extraordinary moments of the day. Alana sees cooking as an opportunity to live consciously, not just as a means to an end. Written as much for the reader as the cook, *The Homemade Kitchen* covers a globe's worth of flavors and includes new staples (what Alana is known for) such as chèvre, tofu, kefir, kimchi, preserved lemons, along with recipes and ideas for using them. Here, too, are dishes you'll be inspired to try and that you will make again and again until they become your own family recipes, such as Broccoli Raab with Cheddar Polenta, a flavor-forward lunch for one; Roasted Red Pepper Corn Chowder, "late summer in a bowl"; Stuffed Winter Squash, rich with leeks, chorizo, apples, and

grains; Braised Lamb Shanks that are tucked into the oven in the late afternoon and not touched again until dinner; Corn and Nectarine Salad showered with torn basil; perfect share-fare Sesame Noodles; Asparagus Carbonara, the easiest weeknight dinner ever; and sweet and savory treats such as Popovers, Cinnamon Swirl Bread, Summer Trifle made with homemade pound cake and whatever berries are ripest, and Rhubarb Snacking Cake. In this follow-up to Alana's wildly successful debut, *The Homemade Pantry*, she once again proves herself to be the truest and least judgmental friend a home cook could want.

Home Made Summer Yvette van Boven, 2013-03-26 "A grab bag of summer flavors and dishes . . . Think of van Boven as the activities director of your own culinary summer camp." —The New York Times The author of *Home Made* and *Home Made Winter* returns with a new cookbook filled with tasty recipes, beautiful photos, clear instructions, and hand-drawn artwork throughout. *Home Made Summer* presents her absolute favorite recipes for spring and summer. Inspired by her childhood in Ireland and her summers in Provence, van Boven has created a collection sure to tempt you to step into the kitchen. Using seasonal ingredients, such as freshly picked apples and berries, delicate summer lettuces and fresh herbs, she presents recipes for Breakfast, Brunch & Lunch, Snacks, Beverages, Appetizers, Main Courses, and Dessert. "Home Made Summer is a happy book, fun to look at, fun to read. It's downright frivolous, in fact. And that's what summer is all about." —The New York Times Book Review "In the last two years, she has published three cookbooks, *Home Made*, *Home Made Winter* and *Home Made Summer*, that exemplify the indie spirit: They're filled with her illustrations and do-it-yourself recipes, like hand-cranked ice cream, from-scratch mustards and Dutch-style beef sausages and croquettes." —Food & Wine "Flipping through the pages feels a bit like stepping into a fantasy land, one with jars and jars of citrusy-tomato mayonnaise awaiting crab cakes and stacks of powdered sugar-dusted 'ultimate puffy

pancakes' (topped with crème fraîche and berries in lieu of syrup)." —LA Weekly "Stunning savory dishes." —Serious Eats "Yvette's attitude, like her recipes, is lighthearted and friendly, her header notes charmingly personal, and her thorough instructions chatty and fun." —BookPage

The Homemade Pantry Alana Chernila, 2012-04-03 "This is my kitchen. Come on in, but be prepared—it might not be quite what you expect. There is flour on the counter, oats that overflowed onto the floor, chocolate-encrusted spoons in the sink. There is Joey, the husband, exhausted by the thirty-five preschoolers who were hanging on him all day, and he is stuffing granola into his mouth to ease his five o'clock starvation. There are two little girls trying to show me cartwheels in that miniscule space between the refrigerator and the counter where I really need to be." In her debut cookbook, Alana Chernila inspires you to step inside your kitchen, take a look around, and change the way you relate to food. The Homemade Pantry was born of a tight budget, Alana's love for sharing recipes with her farmers' market customers, and a desire to enjoy a happy cooking and eating life with her young family. On a mission to kick their packaged-food habit, she learned that with a little determination, anything she could buy at the store could be made in her kitchen, and her homemade versions were more satisfying, easier to make than she expected, and tastier. Here are her very approachable recipes for 101 everyday staples, organized by supermarket aisle—from crackers to cheese, pesto to sauerkraut, and mayonnaise to toaster pastries. The Homemade Pantry is a celebration of food made by hand—warm mozzarella that is stretched, thick lasagna noodles rolled from flour and egg, fresh tomato sauce that bubbles on the stove. Whether you are trying a recipe for butter, potato chips, spice mixes, or ketchup, you will discover the magic and thrill that comes with the homemade pantry. Alana captures the humor and messiness of everyday family life, too. A true friend to the home cook, she shares her "tense moments" to help you get

through your own. With stories offering patient, humble advice, tips for storing the homemade foods, and rich four-color photography throughout, *The Homemade Pantry* will quickly become the go-to source for how to make delicious staples in your home kitchen.
