**Uni the Unicorn** Amy Krouse Rosenthal,2014-08-26 Amy Krouse Rosenthal's New York Times bestselling picture book about a unicorn who believes that little girls are REAL is perfect for anyone interested in stories of friendship, unicorns, and the power of believing! Uni the unicorn is told there's no such thing as little girls! But no matter what the grown-up unicorns say, Uni believes that little girls are REAL. Somewhere there must be a smart, strong, wonderful, magical little girl waiting to be best friends. In fact, far away (but not too far away), a real little girl believes there is a unicorn waiting for her, too. This magical story of friendship from the bestselling author of *I Wish You More* is perfect for Easter and spring-time reading. It reminds believers and nonbelievers alike that sometimes wishes really can come true. Don't miss the sequel, *Uni the Unicorn and the Dream Come True!*

*The Greatest UNAUTHORIZED Doctor Stories - Volume One* D.G. Valdron, What's a Pirate History? It is the unauthorized and unapproved stories you're not supposed to hear. The stories of the BBC's attempted to cancel the show in 1984, and their subsequent war against their own television program. The emergence of fandom and the rise and fall of John Nathan-Turner. And it's about the unauthorized Doctors, when fans started making their own versions of *Doctor Who*. It's about the first woman to play the Doctor, Barbara Benedetti, stories starting in 1984. You won't find her in the official histories, but you can still watch her adventures. It's about the Rupert Booth Doctor of the 1990s and his twelve episodes and five stories. It's about the Reign of Turner, *Ocean in the Sky*, *Resurrection of Evil*, *The Experiment*, *Spectre From the Past*, film adventures almost as polished as the BBC productions, created, not for profit, but through sheer love of the show and the desire to keep it going even after the BBC abandoned it. Along the way, we explore the way technology like Super 8 cameras, Videocassette Recorders and Camcorders helped shape the evolution of fandom, as well as the emergence of fan culture, and its impact on the show. In subsequent volumes, we explore *Doctor Who* stage plays, both official and unofficial, the failed professional attempts to create *Who* audio dramas, and the success and accomplishments of fan audio, how fans found, preserved or recreated lost episodes, the bizarre copyright situation of the *Doctor Who* universe, and the opportunities it provided/ Let us take you on a journey through histories, stories and adventures in the world of *Doctor Who* that are overlooked, ignored or erased by the official gatekeepers. It's a world that you may have never suspected. But it's worth your while. Come with us on a journey into new frontiers and buried secrets.

**Storytelling with Data** Cole Nussbaumer Knaflic,2015-10-09 Don't simply show your data—tell a story with it! *Storytelling with Data* teaches you the fundamentals of data visualization and how to communicate effectively with data. You'll discover the power of storytelling and the way to make data a pivotal point in your story. The lessons in this illuminative text are grounded in theory, but made accessible through numerous real-world examples—ready for immediate application to your next graph or presentation. Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don't make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of your data, and how to use your data to create an engaging, informative, compelling story. Specifically, you'll learn how to: Understand the importance of context and audience Determine the appropriate type of graph for your situation Recognize and eliminate the clutter clouding your information Direct your audience's attention to the most important parts of your data Think like a designer and utilize concepts of design in data visualization Leverage the power of storytelling to help your message resonate with your audience Together, the lessons in this book will help you turn your data into high impact visual stories that stick with your audience. Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—*Storytelling with Data* will give you the skills and power to tell it!

**Castle Films** Scott MacGillivray,2004 Do you remember the first movie you ever owned? It was probably a product of Castle Films. Before home video, Castle Films made every living room a screening room. For four decades the 16mm and 8mm film products of Castle Films were sold in every department store and hobby shop. Castle had big-screen movies for everybody: comedies with Abbott & Costello, The Marx Brothers, and W. C. Fields...monster movies with *Frankenstein*, *Dracula*, and the Wolfman...cartoons with *Woody Woodpecker*, *Chilly Willy*, and *Mighty Mouse*...westerns with Clint Eastwood, John Wayne, and James Stewart...travelogues of the world's picturesque places...newsreels of major headline stories...musicals with top singers and bandleaders. Collectors have always wanted a reference book detailing the total output of Castle Films. Here it is. *Castle Films: A Hobbyist's Guide* is a complete filmography of every title printed between 1937 and 1977. For handy reference, there are separate indexes by title,

subject, and serial number, a listing of Castle's color film releases, and a special section decoding Castle's various pseudonym titles and disclosing the true identities of many films. Castle Films: A Hobbyist's Guide is a fascinating, nostalgic look at one of the pioneers of home entertainment.

**Disney Princess: Movie Theater Storybook & Movie Projector** Disney,2018-02-06 Let your imagination soar with these four Disney Princess stories starring Cinderella, Ariel, Belle, and Snow White! Throughout the stories, you can project images from key moments onto your wall with the removable movie projector! Cinderella, Ariel, Belle, and Snow White are the stars in four brand-new stories! Cinderella makes pretty gowns for the children in her village. Ariel plans her wedding and finds a way to include her mer-family. Belle is fascinated by a new invention—and becomes good friends with the inventor. As they read, girls will love projecting 20 story images on their wall with the move projector.

**Disney&Pixar Finding Dory Movie Theater Storybook & Movie Projector** Bill Scollon,2016-05-03 Finding Dory tells the story of the beloved friendly-but-forgetful blue tang fish and her search for her loved ones. Along the way everyone learns a few things about the true meaning of family. The storybook comes with a Dory-shaped movie projector and 5 disks with 20 images from the movie. Readers will love shining additional images from the movie on their wall for a theatrical storytime experience.

**Filmmaking as Research** Diane Charleson,2019-10-17 This book examines the challenges often experienced by film practitioners who find themselves researching within the academy, either as students or academics. In light of this the author presents her own journey from practitioner to researcher as a lens. Her practice- based research has been a quest to “revision” memories, by creating filmic images that elicit memory and remembering. In so doing she has used a range of platforms: multi- screen video installation, still- framing the moving image and remixing found footage. Central to this research has been the importance of family storytelling and sharing, the relationship of the visual and memory, the agency of nostalgia and the role of aura, particularly evident in the re-appropriating of super 8 home movies into a variety of forms. Important to this is has been the relationship of the viewer and the viewed in particular the role of an immersive environment of viewing.

**The Relive Box and Other Stories** T.C. Boyle,2017-10-03 While T.C. Boyle is known as one of our greatest American novelists, he is also an acknowledged master of the short story and is perhaps at his funniest, his most moving, and his most surprising in the short form. In The Relive Box, Boyle's sharp wit and rich imagination combine with a penetrating social consciousness to produce raucous, poignant, and expansive short stories defined by an inimitable voice. From the collection's title story, featuring a Halcom X1520 Relive Box that allows users to experience anew almost any moment from their past to The Five-Pound Burrito, the tale of a man aiming to build the biggest burrito in town, the twelve stories in this collection speak to the humor, the pathos, and the struggle that is part of being human while relishing the whimsy of wordplay and the power of a story well told. In stories that span a variety of styles and genres, Boyle addresses the enduring concerns of the human mind and heart while taking on timely social concerns. The Relive Box is an exuberant, linguistically dazzling effort from a vibrant sensibility fully engaged with American society. (The New York Times)
