Lynne Cox

Grayson Lynne Cox,2011-05-04 Part mystery, part magical tale, this is the story of a miraculous ocean encounter that happened to the adventurer, swimmer, and bestselling author when she was seventeen and in training for a big swim. It was the dark of early morning; Lynne was in 55-degree water as smooth as black ice, two hundred yards offshore, outside the wave break. She was swimming her last half-mile back to the pier before heading home for breakfast when she became aware that something was swimming with her. The ocean was charged with energy as if a squall was moving in; thousands of baby anchovy darted through the water like lit sparklers, trying to evade something larger. Whatever it was, it felt large enough to be a white shark coursing beneath her body. It wasn't a shark. It became clear that it was a baby gray whale—following alongside Lynne for a mile or so. Lynne had been swimming for more than an hour; she needed to get out of the water to rest, but she realized that if she did, the young calf would follow her onto shore and die from collapsed lungs. The baby whale—eighteen feet long!—was migrating on a three-month trek to its feeding grounds in the Bering Sea, an eight-thousand-mile journey. It would have to be carried on its mother's back for much of that distance, and was dependent on its mother's milk for food—baby whales drink up to fifty gallons of milk a day. If Lynne didn't find the mother whale, the baby would suffer from dehydration and starve to death. Something so enormous—the mother whale was fifty feet long—suddenly seemed very small in the vast Pacific Ocean. How could Lynne possibly find her?

Prime Time Soap Operas on Indian Television Shoma Munshi,2020-02-18 This book examines the phenomenon of prime time soap operas on Indian television. An anthropological insight into social issues and practices of contemporary India through the television, this volume analyzes the production of soaps within India's cultural fabric. It deconstructs themes and issues surrounding the everyday and the middle class through the fiction of the popular. In its second edition, this still remains the only book to examine prime time soap operas on Indian television. Without in any way changing the central arguments of the first edition, it adds an essential introductory chapter tracking the tectonic shifts in the Indian mediascape over the past decade - including how the explosion of regional language channels and an era of multiple screens have changed soap viewing forever. Meticulously researched and persuasively argued, the book traces how prime time soaps in India still grab the maximum eyeballs and remain the biggest earners for TV channels. The book will be of interest to students of anthropology and sociology, media and cultural studies, visual culture studies, gender and family

studies, and also Asian studies in general. It is also an important resource for media producers, both in content production and television channels, as well as for the general reader.

The Boyfriend R Raj Rao, 2010-10-25 One Saturday morning in late 1992, Yudi, a forty something gay journalist, picks up a nineteen-year-old Dalit boy in the Churchgate loo. After hurried sex, he gets rid of the boy, afraid that he may be a hustler. There is nothing to set this brief encounter apart from numerous others, and Yudi returns to his bachelor's flat and sex with strangers. Months pass. But when riots break out in Mumbai, Yudi finds himself worrying about the boy from Churchgate station. He is in love. Chance brings the two together again, and this time they spend a week as a married couple in Yudi's flat, take a holiday, and meet for beer every Friday, till the boy, Milind Mahadik, disappears (he has been hired by a modelling-cum-call-boy agency owned by the Bollywood star Ajay Kapur, a closet bisexual). Desolate, Yudi finds solace in the company of the middle-aged painter Gauri, a highly-strung woman madly in love with him, whose advances he has consistently rejected. When Milind resurfaces, it is only to marry a girl chosen by his parents, for he has had it with Yudi and his kind. Yudi is heartbroken. But all is not lost: in straitened circumstances after marriage, Milind pays his gentleman friend a visit and stays the night. Henceforth, mutual need - Yudi's for love and Milind's for money - will keep bringing them together. In the final analysis, as Yudi tells Gauri - now the mistress of an ageing businessman - everything works out, and 'life is beautiful'. In his first novel, R. Raj Rao brings us a tragi-comic love story from the jumbled up heart of Mumbai.
